Civilian Board of Contract Appeals; Rules of Procedure of the Civilian Board of Contract Appeals—Electronic Filing of Documents

AGENCY: Civilian Board of Contract Appeals, General Services Administration (GSA).

ACTION: Final rule.

SUMMARY: This document revises the rules governing proceedings before the Civilian Board of Contract Appeals (Board). The rules are amended to provide procedures for the electronic filing of documents in proceedings before the Board. Electronic filing is increasingly available in judicial and administrative tribunals to provide

parties with a faster, more efficient, and less costly way to submit their documents. In addition, although electronically filed documents will be docketed as received only during Board working hours, they may be transmitted at any time from any location with Internet access. This amendment is a non-substantive change to the Rules that is intended to improve the efficiency and effectiveness of the Board's programs by providing parties with an additional option for filing their documents with the Board. It does not affect any of the other methods currently available, including the delivery of documents in person, by courier or United States Postal Service, or by facsimile transmission.

DATES: *Effective Date:* August 17, 2011.
