

(viii) *Date Report Delivered to Congress*: August 30, 2011.

Policy Justification

Norway—Procure and Install Equipment on P-3C Aircraft

The Government of Norway has requested a possible sale for the procurement and installation of 4 AN/USQ-78B Acoustic Processor Technology Refresh (APTR), 4AN/ASQ-227 Aircraft Mission Computers, and 2 Tactical Mobile Acoustic Support Systems on four Royal Norwegian Air Force P-3C aircraft, spare and repair parts, support and test equipment, publications and technical documentation, personnel training and training equipment, U.S. Government and contractor engineering, technical and logistics support services, and other related elements of logistical and program support. The estimated cost is \$95 million.

This proposed sale will contribute to the foreign policy and national security of the United States by helping to improve the security of a NATO ally that has been, and continues to be, an important force for economic and political stability.

The proposed sale will update hardware and ensure the sustenance of data provided to the United States as part of various data sharing agreements already in place with the Government of Norway in the area of anti-submarine warfare. Norway will have no difficulty absorbing the additional equipment into its armed forces.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The prime contractor will be Lockheed Martin Corporation in Owego, New York. Offset agreements associated with this proposed sale are expected, but at this time the specific offset agreements are undetermined and will be defined in negotiations between the purchaser and contractors.

Implementation of this proposed sale will require U.S. Government and contractor representatives to travel to Norway to participate in periodic program technical reviews, training and support visits, and maintenance and support visits semi-annually for a period of four years.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

Office of the Secretary

Meeting of the Defense Advisory Committee on Women in the Services (DACOWITS)

AGENCY: Department of Defense.

ACTION: Notice.

SUMMARY: Pursuant to Section 10 (a), Public Law 92-463, as amended, notice is hereby given of a forthcoming meeting of the Defense Advisory Committee on Women in the Services (DACOWITS). The purpose of the meeting is for the Committee to receive a follow-up briefing from the Sexual Assault Prevention and Response Office and the Services on the Committee's requests for information concerning sexual assault and sexual harassment. Additionally, the Committee will develop and approve recommendations for the 2011 report. The meeting is open to the public, subject to the availability of space.

Interested persons may submit a written statement for consideration by the Defense Advisory Committee on Women in the Services. Individuals submitting a written statement must submit their statement to the Point of Contact listed below at the address detailed below no later than 5 p.m., Tuesday, September 20, 2011. If a written statement is not received by Tuesday, September 20, 2011, prior to the meeting, which is the subject of this notice, then it may not be provided to or considered by the Defense Advisory Committee on Women in the Services until its next open meeting. The Designated Federal Officer will review all timely submissions with the Defense Advisory Committee on Women in the Services Chairperson and ensure they are provided to the members of the Defense Advisory Committee on Women in the Services. If members of the public are interested in making an oral statement, a written statement should be submitted as above. After reviewing the written comments, the Chairperson and the Designated Federal Officer will determine who of the requesting persons will be able to make an oral presentation of their issue during an open portion of this meeting or at a future meeting. Determination of who will be making an oral presentation is at the sole discretion of the Committee Chair and the Designated Federal Officer and will depend on time available and if the topics are relevant to the Committee's activities. Two minutes will be allotted to persons desiring to make an oral presentation.

Oral presentations by members of the public will be permitted only on Thursday, September 22, 2011 from 4:15 p.m. to 5 p.m. in front of the full Committee. Number of oral presentations to be made will depend on the number of requests received from members of the public.

DATES: September 22, 2011, 8 a.m.–5 p.m.; September 23, 2011, 8 a.m.–12 p.m.

ADDRESSES: Sheraton National Hotel, 900 Orme St, Arlington, VA 22204.

FOR FURTHER INFORMATION CONTACT: Mr. Robert Bowling or DACOWITS Staff at 4000 Defense Pentagon, Room 2C548A, Washington, DC 20301-4000. E-mail: Robert.bowling@osd.mil. Telephone (703) 697-2122. Fax (703) 614-6233.

SUPPLEMENTARY INFORMATION:

Meeting Agenda

Thursday, September 22, 2011, 8 a.m.–5 p.m.

- Welcome, introductions, and announcements.
- Receive briefings from the Sexual Assault Prevention and Response Office on sexual assault and harassment information.
- Receive briefings from the Services on sexual assault and harassment information.
- Public Forum.

Friday, September 23, 2011, 8 a.m.–12 p.m.

- Committee develops and approves recommendations for 2011 report.

Dated: September 2, 2011.

Aaron Siegel,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

BILLING CODE 5001-06-P

DEPARTMENT OF DEFENSE

Department of the Navy

Notice of Intent To Prepare an Environmental Impact Statement/ Overseas Environmental Impact Statement for Military Readiness Activities in the Mariana Islands Training and Testing Study Area and To Announce Public Scoping Meetings

AGENCY: Department of the Navy, DoD.

ACTION: Notice.

SUMMARY: Pursuant to section 102(2)(c) of the National Environmental Policy Act of 1969, as implemented by the Council on Environmental Quality Regulations (40 Code of Federal Regulations parts 1500-1508), and

Executive Order 12114, the Department of the Navy (DoN) announces its intent to prepare an Environmental Impact Statement (EIS)/Overseas Environmental Impact Statement (OEIS) to evaluate the potential environmental effects associated with maintaining military readiness training and research, development, testing, and evaluation (hereafter referred to as "training and testing") activities conducted in the Mariana Islands Training and Testing (MITT) EIS/OEIS Study Area. The MITT Study Area includes the existing Mariana Islands Range Complex (MIRC), additional areas on the high seas, and a general transit corridor between Hawaii to MITT where training and testing activities may occur. The MIRC is the only major Navy range complex in the Study Area.

The DoN is preparing this EIS/OEIS to renew current regulatory permits and authorizations, address current training and testing not covered under existing permits and authorizations, and to obtain those permits and authorizations necessary to support force structure changes and emerging and future training and testing requirements including those associated with new platforms and weapons systems within the MITT Study Area, starting in 2015, thereby ensuring critical Department of Defense (DoD) requirements are met.

The DoN will invite the National Marine Fisheries Service, United States (U.S.) Fish and Wildlife Service (Pacific Islands Fish and Wildlife Office), and U.S. Air Force, to be cooperating agencies in preparation of the EIS/OEIS.

DATES AND ADDRESSES: Five public scoping meetings will be held between 5 and 8 p.m. on:

1. Thursday, September 22, 2011, at the University of Guam, Leon Guerrero School of Business and Public Administration Building, Anthony Leon Guerrero Multi-Purpose Room 129, Mangilao, Guam 96923.

2. Friday, September 23, 2011, at the Southern High School Cafeteria, #1 Jose Perez Leon Guerrero Drive, Santa Rita, Guam 96915.

3. Monday, September 26, 2011, at the Multi-Purpose Center in Susupe, Saipan 96950.

4. Tuesday, September 27, 2011, at the Tinian High School Cafeteria, San Jose Village, Tinian, MP 96952.

5. Wednesday, September 28, 2011, at the Sinapalo Elementary School Cafeteria, Sinapalo I, Songsong Village, Rota, MP 96951

Each of the five scoping meetings will consist of an informal, open house session with information stations staffed by DoN representatives. Meeting details

will be announced in local newspapers. Additional information concerning meeting times will be available on the EIS/OEIS Web page located at: <http://www.mitt-eis.com>.

FOR FURTHER INFORMATION CONTACT: Ms. Nora Macariola-See, Naval Facilities Engineering Command, Pacific. Attention: MITT EIS/OEIS, 258 Makalapa Drive, Suite 100, Building 258, Floor 3, Pearl Harbor, Hawaii 96860-3134.

SUPPLEMENTARY INFORMATION: The DoN's proposed action is to conduct military training and testing activities, including the use of active sonar and explosives, within the MITT Study Area. While the majority of training and testing activities take place in established training and testing areas, some activities, such as sonar maintenance and gunnery exercises are conducted concurrent with normal transits.

The MIRC is one component of the MITT Study Area, encompassing 501,873 square nautical miles of open ocean. In addition to the areas covered within the MIRC, the Study Area also includes additional areas on the high seas and transit corridors where training and testing activities may occur.

The proposed action is to conduct military training and testing activities in the MITT study area. The purpose of the proposed action is to achieve and maintain military readiness to meet the requirements of Title 10 of the U.S. Code, thereby ensuring that the DoN and other Services meet their mission to maintain, train, and equip combat-ready military forces capable of winning wars, deterring aggression, and maintaining freedom of the seas.

Three alternatives will be analyzed in the MITT EIS/OEIS. The No Action Alternative would continue baseline training and testing activities, as defined by existing environmental planning documents.

Alternative 1 consists of baseline training and testing activities and overall expansion of the Study Area plus adjustments to types and levels of activities as necessary to support current and planned military training and testing requirements. This Alternative considers activities conducted throughout the Study Area and mission requirements associated with force structure changes, including those resulting from the development, testing, and ultimate introduction of new platforms (vessels, aircraft) and weapons systems.

Alternative 2 consists of Alternative 1 plus the establishment of new range capabilities, modifications of existing capabilities, adjustments to type and

tempo of training and testing activities, and the establishment of additional locations to conduct training and testing activities within the Study Area.

Resource areas that will be addressed because of the potential effects from the Proposed Action include, but are not limited to, ocean and biological resources (including marine mammals and threatened and endangered species), terrestrial resources, air quality, noise, cultural resources, transportation, regional economy, recreation, and public health and safety.

The scoping process will be used to identify community concerns and local issues that will be addressed in the EIS/OEIS. Federal agencies, state agencies, local agencies, the public, and interested persons are encouraged to provide comments to the DoN to identify specific issues or topics of environmental concern that the commenter believes the DoN should consider. All comments provided orally or in writing at the scoping meetings, will receive the same consideration during EIS/OEIS preparation. Written comments must be postmarked no later than November 7, 2011, and should be mailed to: Naval Facilities Engineering Command, Pacific, 258 Makalapa Drive, Suite 100, Pearl Harbor, HI 96869-3134, Attention: MITT EIS/OEIS Project Manager.

Dated: September 1, 2011.

L.M. Senay,
*Lieutenant, Judge Advocate General's Corps,
U.S. Navy, Alternate Federal Register Liaison
Officer.*

DEPARTMENT OF EDUCATION

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

ACTION: Comment request.

SUMMARY: The Department of Education (the Department), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the reporting burden on the public and helps the public understand the Department's information collection requirements and provide the requested data in the desired format. The Director, Information Collection Clearance Division, Privacy, Information and
