SUPPLEMENTARY INFORMATION:

I. Availability of Information

MSHA published the proposed rule in the **Federal Register** on August 31, 2011 (76 FR 54163); it is available at <http://www.regulations.gov> and on MSHA's Web site at <http://www.msha.gov/REGS/FEDREG/PROPOSED/2011PROP/2011-22125.PDF>.

II. Public Hearings

On August 31, 2011, MSHA announced that it would hold three public hearings on its proposed rule for Proximity Detection Systems on Continuous Mining Machines in Underground Coal Mines. Due to requests from the public and to provide maximum opportunity for public participation in this rulemaking, MSHA is adding an additional public hearing. MSHA will hold an additional public hearing on October 27, 2011, in Evansville, Indiana.

The hearings will begin 9 a.m. with an opening statement from MSHA,

followed by an opportunity for members of the public to make oral presentations. Persons do not have to make a written request to speak; however, persons and organizations wishing to speak are encouraged to notify MSHA in advance for scheduling purposes. MSHA requests that parties making presentations at the hearings submit them no later than five days prior to the hearing. Presentations and accompanying documentation will be included in the rulemaking record.

The hearings will be conducted in an informal manner. Formal rules of evidence or cross examination will not apply. The hearing panel may ask questions of speakers and speakers may ask questions of the hearing panel. Verbatim transcripts of the proceedings will be prepared and made a part of the rulemaking record. Copies of the transcripts will be available to the public. The transcripts may also be viewed at <http://www.regulations.gov> and <http://www.msha.gov/tscripts.htm>. MSHA will accept comments and other appropriate information for the record from any interested party, including those not presenting oral statements. Comments must be received by midnight Eastern Standard Time on November 14, 2011.

For the convenience of interested parties, the chart below includes the dates and locations of the four scheduled public hearings:

Date	Location	Contact No.
October 18, 2011	Embassy Suites Denver, Downtown/Convention Center, 1420 Stout St., Denver, CO 80202	303-592-1000

[Docket No. USCG-2011-0106]

RIN 1625-AA08

Special Local Regulations; Recurring Marine Events in the Fifth Coast Guard District

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to revise the list of special local regulations established for recurring marine events at various locations within the Fifth Coast Guard District. This proposed rule would add 6 new annual recurring marine events, change event date(s) for 12 previously established events, and delete 4 previously listed marine events. Special local regulations are being proposed to provide for the safety of life on navigable waters during these events, reduce the Coast Guard's administrative workload and expedite public notification of events. Entry into or movement within these proposed regulated areas during the enforcement periods is prohibited without approval of the appropriate Captain of the Port.

DATES: Comments and related material must be received by the Coast Guard on or before November 14, 2011.

ADDRESSES: You may submit comments identified by docket number USCG-2011-0106 using any one of the following methods:

(1) *Federal eRulemaking Portal:* <http://www.regulations.gov>.

(2) *Fax:* 202-493-2251.

(3) *Mail:* Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC 20590-0001.

(4) *Hand delivery:* Same as mail address above, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The telephone number is 202-366-9329.

To avoid duplication, please use only one of these four methods. See the “Public Participation and Request for Comments” portion of the **SUPPLEMENTARY INFORMATION** section below for instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: If you have questions on this proposed rule, call or e-mail Dennis Sens, Prevention Division, Fifth Coast Guard District; telephone 757–398–6204, e-mail Dennis.M.Sens@uscg.mil. If you have questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202–366–9826.

SUPPLEMENTARY INFORMATION:

Public Participation and Request for Comments

We encourage you to participate in this rulemaking by submitting comments and related materials. All comments received will be posted without change to <http://www.regulations.gov> and will include any personal information you have provided.

Submitting Comments

If you submit a comment, please include the docket number for this rulemaking (USCG–2011–0106), indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation. You may submit your comments and material online (via <http://www.regulations.gov>) or by fax, mail, or hand delivery, but please use only one of these means. If you submit a comment online via <http://www.regulations.gov>, it will be considered received by the Coast Guard when you successfully transmit the comment. If you fax, hand deliver, or mail your comment, it will be considered as having been received by the Coast Guard when it is received at the Docket Management Facility. We recommend that you include your name and a mailing address, an e-mail address, or a telephone number in the body of your document so that we can contact you if we have questions regarding your submission.

To submit your comment online, go to <http://www.regulations.gov>, click on the “submit a comment” box, which will then become highlighted in blue. In the “Document Type” drop down menu select “Proposed Rule” and insert “USCG–2011–0106” in the “Keyword” box. Click “Search” then click on the balloon shape in the “Actions” column. If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit comments by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period and may change the rule based on your comments.

Viewing Comments and Documents

To view comments, as well as documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, click on the “read comments” box, which will then become highlighted in blue. In the “Keyword” box insert “USCG–2011–0106” and click “Search.” Click the “Open Docket Folder” in the “Actions” column. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. We have an agreement with the Department of Transportation to use the Docket Management Facility.

Privacy Act

Anyone can search the electronic form of comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review a Privacy Act notice regarding our public dockets in the January 17, 2008, issue of the **Federal Register** (73 FR 3316).

Public Meeting

We do not now plan to hold a public meeting. But you may submit a request for one using one of the four methods

specified under **ADDRESSES**. Please explain why you believe a public meeting would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the **Federal Register**.

Basis and Purpose

The Coast Guard proposes to revise the list of permanent special local regulations at 33 CFR 100.501, established for recurring marine events at various locations within the geographic boundary of the Fifth Coast Guard District. The Fifth Coast Guard District is comprised of the land areas and U.S. navigable waters adjacent to North Carolina, Virginia, District of Columbia, Maryland, Delaware and portions of Pennsylvania and New Jersey. For a detailed description of the geographical area of the district and each Coast Guard Sector—Captain of the Port Zone, please see 33 CFR 3.25.

The Coast Guard proposes to revise the list of special local regulations at 33 CFR 100.501 by adding 6 new annual recurring events, revising 12 previously established locations and deleting 4 previously listed marine events and corresponding regulated areas that are no longer occurring. The special local regulated areas removed from this section include: Night in Venice, Ocean City, NJ; Baltimore County Community Waterfront Festival, Martin Lagoon, MD; Annapolis Triathlon Swim, Spa Creek, Severn River, MD; and Virginia state hydroplane championships, Western Branch, Elizabeth River, VA. Currently there are 57 special local regulations that are established and enforced at various periods throughout the year that are held on an annual basis. This rule will increase the total number of special local regulations to 59. The table to 33 CFR 100.501 would be renumbered with section divisions that would facilitate future changes.

The Coast Guard proposes to revise regulations at 33 CFR 100.501 by adding 6 new marine event locations to the permanent special local regulations listed in this section. The new special local regulations are listed in the following table, including reference by section as printed in the Table to § 100.501.

Number	Table to § 100.501 section	Location
1.	a.3	Big Timber Creek, Westville, NJ.
2.	a.4	North Atlantic Ocean, Atlantic City, NJ.
3.	b.5	Chester River, Chestertown, MD.
4.	b.14	Patapsco River, Northwest Harbor, Baltimore, MD.
5.	b.19	Patuxent River, Solomons, MD.
6.	c.23	Mattaponi River, Wakema, VA.

The Coast Guard proposes to revise regulations at 33 CFR 100.501 by modifying 12 existing regulated areas.

This revision involves changes to the event date(s) only. The revised special local regulations are listed in the

following table, including reference by section as printed in the Table to § 100.501.

Number	Table to § 100.501 section	Location	Revision
1.	b.1	Severn River, Annapolis MD	Event date.
2.	b.7	Severn River, Annapolis, MD	Event date.
3.	b.9	Chester River, near Chestertown, MD	Event date.
4.	b.11	Prospect Bay, Kent Narrows, MD	Event date.
5.	b.13	Patapsco River, Baltimore, MD	Event date.
6.	b.16	Choptank River, Cambridge, MD	Event date.
7.	c.1	Western Branch, Elizabeth River, Portsmouth, VA	Event date.
8.	c.6	Elizabeth River, Norfolk, VA	Event date.
9.	c.7	North Atlantic Ocean, Ocean City, MD	Event date.
10.	d.1	Pasquotank River, Elizabeth City, NC	Event date.
11.	d.3	Bogue Sound, Morehead City, NC	Event date.
12.	d.4	Wrightsville Channel, Wilmington, NC	Event date.

This regulation currently includes events such as sailing regattas, power boat races, swim races, holiday parades, crew and other paddle craft races. Currently, there are 57 annual recurring marine events and many other non-recurring events within the Fifth Coast Guard District. In the past, the Coast Guard regulated these events by creating individual special local regulations on a case by case basis. Most of these events required only the establishment of a regulated area and assignment of a patrol commander to ensure safety. Issuing individual, annual special local regulations has created a significant administrative burden on the Coast Guard.

Additionally, for the majority of these events, the Coast Guard does not receive notification of the event, or important details of the event are not finalized by event organizers, with sufficient time to publish a notice of proposed rulemaking and final rule before the event date. The Coast Guard must therefore create temporary final rules that sometimes are completed only days before the event. This results in delayed notification to the public, potentially placing the public and event participants at risk.

This proposed rule would significantly relieve the administrative burden on the Coast Guard, and at the same time allow the sponsor of the event and the Coast Guard to notify the public of these events in a timely manner. The public would be provided with notice of events through the table attached to this regulation. This table lists each recurring marine event that may be regulated by the Coast Guard, and indicates the sponsor, as well as the date(s) and location of the event. Because the dates and locations of these events may change slightly from year to year, the specific information on each event, including the exact dates, specific areas, and description of the regulated area, would be provided to the public

through a Local Notice to Mariners published before the event, as well as through Broadcast Notice to Mariners. This table would also be updated by the Coast Guard periodically to add new recurring events, remove events that no longer occur, and update listed events to ensure accurate information is provided.

Based on the nature of marine events, large number of participants and spectators, and the event locations, the Coast Guard has determined that the events listed in this rule could pose a risk to participants or waterway users if normal vessel traffic were to interfere with the event. Possible hazards include risks of participant injury or death resulting from near or actual contact with non-participant vessels traversing through the regulated areas. In order to protect the safety of all waterway users including event participants and spectators, this proposed rule would establish special local regulations for the time and location of each marine event.

This proposed rule prevents vessels from entering, transiting, mooring or anchoring within areas specifically designated as regulated areas during the periods of enforcement unless authorized by the Captain of the Port, or designated Coast Guard Patrol Commander. The designated "Patrol Commander" includes Coast Guard commissioned, warrant, or petty officer who has been designated by the Captain of the Port to act on their behalf. On-scene patrol commander may be augmented by local, State or Federal officials authorized to act in support of the Coast Guard.

Discussion of Proposed Rule

This proposed rule would apply to each event listed in the attached table to this rule. Events listed in the table are events that recur annually in the Fifth Coast Guard District. The table provides the event name and sponsor, as well as

an approximate date and location of the event.

For each event listed in the table, an event patrol, with a Patrol Commander in charge, may be assigned. The Patrol Commander may control the movement of all vessels in the regulated area(s). When hailed or signaled by a patrol vessel, a vessel in these areas would be required to immediately comply with the directions given. Failure to do so may result in expulsion from the area, citation for failure to comply, or both. The Coast Guard Patrol Commander may terminate the event, or the operation of any vessel participating in the event, at any time it is deemed necessary for the protection of life or property.

Only event sponsors, designated participants, and official patrol vessels would be allowed to enter a regulated area. All persons and vessels not registered with the event sponsor as participants or official patrol vessels are considered spectators. Spectators may not enter the regulated area and may be confined to a designated spectator area to view the event. Spectators may contact the Coast Guard Patrol Commander to request permission to pass through the regulated area. If permission is granted, spectators would be required to pass directly through the regulated area at safe speed and without loitering.

The numbering sequence for marine events listed in the table to § 100.501 has been revised. Within the table, each subparagraph will be numbered in numerical sequence for each Coast Guard Sector in the Fifth District. This administrative change will facilitate future updates by eliminating the need to republish the entire table when events are added, deleted or modified.

Regulatory Analyses

We developed this proposed rule after considering numerous statutes and

executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under that those Orders.

We expect the economic impact of this proposed rule to be so minimal that a full Regulatory Evaluation is unnecessary. The effect of this proposed action merely establishes the dates on which the existing regulations would be enforced and consolidates them within one regulation. It would not impose any additional restrictions on vessel traffic.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this proposed rule would have a significant economic impact on a substantial number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities. This proposed rule would affect the following entities, some of which might be small entities: The owners or operators of vessels intending to transit or anchor in the areas where marine events are being held. This proposed regulation will not have a significant impact on a substantial number of small entities because it will only be enforced on marine events that have been permitted by the Coast Guard Captain of the Port. The Captain of the Port will ensure that small entities are able to operate in the areas where events are occurring. Additionally, in most cases, vessels will be able to safely transit around the regulated area at all times, and, with the permission of the Patrol Commander, vessels may transit through the regulated area.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity

and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this proposed rule so that they can better evaluate its effects on them and participate in the rulemaking. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed under **FOR FURTHER INFORMATION CONTACT**. The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

Collection of Information

This proposed rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520.).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this proposed rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This proposed rule would not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this proposed rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

Indian Tribal Governments

This proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this proposed rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or

adopted by voluntary consensus standards bodies.

This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this proposed rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA)(42 U.S.C. 4321-4370f), and have made a preliminary determination that this action is one of a category of actions which do not individually or cumulatively have a significant effect on the human environment. This rule involves implementation of regulations within 33 CFR Part 100 that apply to organized marine events on the navigable waters of the United States that may have potential for negative impact on the safety or other interest of waterway users and shore side activities in the event area. The category of water activities includes but is not limited to sail boat regattas, boat parades, power boat racing, swimming events, crew racing, and sail board racing. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233.

2. Revise section 100.501 to read as follows:

§ 100.501 Special Local Regulations; Marine Events in the Fifth Coast Guard District.

The following regulations apply to the marine events listed in the Table to § 100.501. These regulations will be effective annually, for the duration of each event listed in the Table to § 100.501. Annual notice of the exact dates and times of the effective period of the regulation with respect to each event, the geographical area, and details concerning the nature of the event and the number of participants and type(s) of vessels involved will be published in Local Notices to Mariners and via Broadcast Notice to Mariners over VHF-FM marine band radio.

(a) *Definitions.* The following definitions apply to this section: (1) *Coast Guard Patrol Commander.* A Patrol Commander is a commissioned, warrant, or petty officer of the Coast Guard who has been designated by the respective Coast Guard Sector—Captain of the Port to enforce these regulations.

(2) *Official Patrol* means any vessel assigned or approved by the respective Captain of the Port with a commissioned, warrant, or petty officer on board and displaying a Coast Guard ensign.

(3) *Spectators.* All persons and vessels not registered with the event sponsor as participants or official patrol vessels.

(b) *Official Patrol.* The Coast Guard may assign an official patrol, as described in § 100.40 of this part, to each regulated event listed in the table. Additionally, a Patrol Commander may be assigned to oversee the patrol. The official patrol and Patrol Commander may be contacted on VHF-FM Channel 16.

(c) *Special Local Regulations.* (1) The Coast Guard Patrol Commander may direct the movement of all vessels in the regulated area(s). When hailed or signaled by an official patrol vessel, a vessel in these areas shall immediately comply with the directions given.

Failure to do so may result in expulsion from the area, citation for failure to comply, or both.

(2) The Coast Guard Patrol Commander may terminate the event, or the operation of any vessel participating in the event, at any time for the protection of life or property.

(3) Only event sponsor-designated participants and official patrol vessels are allowed to enter the regulated area.

(4) Spectators are only allowed inside the designated spectator area. Spectators may contact the Coast Guard Patrol Commander to request permission to pass through the regulated area. If permission is granted, spectators must pass directly through the regulated area at safe speed and without loitering.

(d) *Contact Information.* Questions about marine events should be addressed to the local Coast Guard Captain of the Port for the area in which the event is occurring. Contact information is listed below. For a description of the geographical area of each Coast Guard Sector—Captain of the Port zone, please see subpart 3.25 of this chapter.

(1) Coast Guard Sector Delaware Bay—Captain of the Port Philadelphia, Pennsylvania: (215) 271-4944.

(2) Coast Guard Sector Baltimore—Captain of the Port Baltimore, Maryland: (410) 576-2525.

(3) Coast Guard Sector Hampton Roads—Captain of the Port Norfolk, Virginia: (757) 483-8567.

(4) Coast Guard Sector North Carolina—Captain of the Port North Carolina: (877) 229-0770 or (910) 772-2200.

(e) *Application for Marine Events.* The application requirements of § 100.15 of this part apply to all events listed in the Table to § 100.501. For information on applying for a marine event, contact the Captain of the Port for the area in which the event will occur at the phone numbers listed above.

All coordinates listed in the Table to § 100.501 reference Datum NAD 1983.
