Filing Information

As a courtesy, we are making information related to Sunset proceedings, including copies of the pertinent statute and Department’s regulations, the Department schedule for Sunset Reviews, a listing of past revocations and continuations, and current service lists, available to the public on the Department’s Internet Web site at the following address: <http://ia.ita.doc.gov/sunset/>. All submissions in these Sunset Reviews must be filed in accordance with the Department’s regulations regarding format, translation, and service of documents. These rules can be found at 19 CFR 351.303.

This notice serves as a reminder that any party submitting factual information in an AD/CVD proceeding must certify to the accuracy and completeness of that information. See section 782(b) of the Act. Parties are hereby reminded that revised certification requirements are in effect for company/government officials as well as their representatives in all AD/CVD investigations or proceedings initiated on or after March 14, 2011. See *Certification of Factual Information to Import Administration During Antidumping and Countervailing Duty Proceedings: Interim Final Rule*, 76 FR 7491 (February 10, 2011) (*Interim Final Rule*) amending 19 CFR 351.303(g)(1) and (2) and supplemented by *Certification of Factual Information To Import Administration During Antidumping and Countervailing Duty Proceedings: Supplemental Interim Final Rule*, 76 FR 54697 (September 2, 2011). The formats for the revised certifications are provided at the end of the *Interim Final Rule*. The Department intends to reject factual submissions if the submitting party does not comply with the revised certification requirements.

Pursuant to 19 CFR 351.103(d), the Department will maintain and make available a service list for these proceedings. To facilitate the timely preparation of the service list(s), it is

requested that those seeking recognition as interested parties to a proceeding contact the Department in writing within 10 days of the publication of the Notice of Initiation.

Because deadlines in Sunset Reviews can be very short, we urge interested parties to apply for access to proprietary information under administrative protective order (“APO”) immediately following publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The Department’s regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304–306.

Information Required From Interested Parties

Domestic interested parties defined in section 771(9)(C), (D), (E), (F), and (G) of the Act and 19 CFR 351.102(b) wishing to participate in a Sunset Review must respond not later than 15 days after the date of publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with the Department’s regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, the Department will automatically revoke the order without further review. See 19 CFR 351.218(d)(1)(iii).

If we receive an order-specific notice of intent to participate from a domestic interested party, the Department’s regulations provide that all parties wishing to participate in the Sunset Review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of this notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements

differ for respondent and domestic parties. Also, note that the Department’s information requirements are distinct from the Commission’s information requirements. Please consult the Department’s regulations for information regarding the Department’s conduct of Sunset Reviews.¹ Please consult the Department’s regulations at 19 CFR Part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at the Department.

This notice of initiation is being published in accordance with section 751(c) of the Act and 19 CFR 351.218(c).

Dated: November 9, 2011.

National Marine Protected Areas Center External Review

AGENCY: National Oceanic and Atmospheric Administration (NOAA), Department of Commerce.

ACTION: Request for public comment.

SUMMARY: On May 26, 2000, President Clinton signed Executive Order (EO) 13158, directing federal agencies (led by NOAA and DOI) to establish a comprehensive national system of MPAs serving multiple conservation and management goals. To this end, the EO directs NOAA to establish a National Marine Protected Area Center (“MPA Center”) within NOAA (Sec. 4(e)) to carry out several provisions in cooperation with the Department of the Interior. Over the past decade, the MPA Center has conducted a variety of efforts to establish and support the growing national system through targeted science, information resources, coordination and policy development.

An external review of the MPA Center is needed to maximize its effectiveness and transparency and to ensure that the MPA Center is conducting high quality work of significant value to NOAA and the nation. To this end, the MPA Center is seeking external feedback, including public comment on the program’s approach to balancing competing priorities.

All comments received in response to this request will be summarized and provided to an expert review panel scheduled to convene in late January, 2012.

DATES: Written comments must be submitted on or before January 10, 2012.

ADDRESSES: This announcement contains guidance on how to provide feedback, including some of the questions for which the MPA Center is seeking comment. The questions are also available for download via the Internet on the MPA Center Web site at: <http://www.mpa.gov/aboutmpas/mpacenter/>. You may submit comments electronically via email to mpa.comments@noaa.gov. You may also submit comments in writing to: National Marine Protected Areas Center, c/o Denise Ellis-Hibbett, 1305 East-West Highway, Rm. 11401, Silver Spring, Maryland 20910.

FOR FURTHER INFORMATION CONTACT: Denise Ellis-Hibbett by mail at 1305 East-West Highway, Rm. 11401, Silver Spring, Maryland 20910 or phone: (301) 563–1195 or email: denise.ellis-hibbett@noaa.gov or visit the MPA Center Web site at <http://www.mpa.gov>

SUPPLEMENTARY INFORMATION: The MPA Center’s external review will encompass program activities between 2000 and 2011. An independent, external panel of four experts in subject matter of the MPA Center’s program focus will convene for a three day meeting in late January, 2012 to review materials and
