

more closely align the two programs, which includes the application process. HUD has modified the public housing program to more closely reflect the characteristics of the HCV FSS program. In so doing, HUD is proposing to replace the ROSS-FSS form (HUD-52767) with the HCV FSS form (HUD-52651). This form, two other program specific forms, and several standard forms outlined below, will be used to determine eligibility and evaluate capacity of prospective applicants for the PH FSS program.

The information provided to HUD by the eligible applicants will be reviewed and evaluated by HUD. Using a comprehensive, merit-based selection process, HUD will determine which organizations should receive awards under the ROSS-SC and PH FSS programs.

This notice lists all forms associated with both the ROSS-SC program and the PH FSS program. However, HUD is asking for public comment specifically on the replacement of the ROSS-FSS form with the HCV FSS form.

Members of the Affected Public: Public Housing Agencies, Tribes/TDHEs, nonprofits, and Resident Associations.

Estimation of the total number of hours needed to prepare the information collection including number of respondents: HUD anticipates that there will be 400 applicants to the ROSS-SC program. For the ROSS SC program, the burden would be between 5 and 6 hours per application (depending on type of applicant), the average is 5.5, times 400 applications for a total of 2200 hours. Fewer forms are required for the FSS program than for the ROSS-SC program, the burden hours for this program would be .75 hours per application, times 300 applications for a total of 225 hours. The sum total average burden hours for both program applications is 2425.

There will be no additional costs to the respondents as application preparation and submission are part of the regular operation of Housing Authorities, Tribes, nonprofits, and resident organizations.

* Burden hours for forms showing zero burden hours in this collection are reflected in the OMB approval number cited or do not have a reportable burden. The burden hours for this collection is 2425.

Status of the Proposed Information Collection: Revision of a currently approved collection.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: December 8, 2011.

BILLING CODE 4210-67-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5477-N-50]

Federal Property Suitable as Facilities to Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT:

Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at (800) 927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Ritta, Division of Property Management, Program Support Center, HHS, room 5B-17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a

suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-(800) 927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.
