SUPPLEMENTARY INFORMATION: Section 4010 of the Employee Retirement Income Security Act of 1974 (ERISA) requires each member of a controlled group to submit financial and actuarial information to PBGC under certain circumstances. PBGC's regulation on Annual Financial and Actuarial Information (29 CFR Part 4010) specifies the items of identifying, financial, and actuarial information that filers must submit. PBGC reviews the information that is filed and enters it into an electronic database for more detailed analysis. Computer-assisted analysis of this information helps PBGC to anticipate possible major demands on the/pension insurance system and to focus PBGC resources on situations that pose the greatest risk to the system. Because other sources of information are usually not as current as the 4010 information and do not reflect a plan's termination liability, 4010 filings play a major role in PBGC's ability to protect participant and premium-payer interests.

ERISA section 4010 and PBGC's 4010 regulation specify that each controlled group member must provide PBGC with certain financial information, including audited (if available) or (if not) unaudited financial statements. They also specify that the controlled group must provide PBGC with certain actuarial information necessary to determine the liabilities and assets for all PBGC-covered plans. All non-public information submitted is protected from disclosure. Reporting is accomplished

through PBGC's secure e-4010 web-based application.

OMB has approved the 4010 collection of information under control number 1212-0049 through March 31, 2012. PBGC is requesting that OMB extend approval of this collection of information for three years. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

PBGC estimates that approximately 300 controlled groups will be subject to 4010 reporting requirements. PBGC further estimates that the total annual burden of this collection of information will be 2,620 hours and \$5,088,000.

PBGC is soliciting public comments to—

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodologies and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Issued in Washington, DC, this 16th day of February, 2012.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-66407; File No. SR-Phlx-2012-21]

Self-Regulatory Organizations; NASDAQ OMX PHLX LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Correction of Exchange Rule 705 (Fidelity Bonds)

February 16, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934

(“Act”),¹ and Rule 19b-4² thereunder, notice is hereby given that on February 13, 2012, NASDAQ OMX PHLX LLC (“Phlx” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II and III, below, which Items have been substantially prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to delete certain extraneous language from Exchange Rule 705 to amend an inadvertent error in the rule text that arose in connection with a recent rule filing which replaces the current text of Exchange Rule 705.³ The Exchange intends for this Rule to be operative on April 2, 2012.

The text of the proposed rule change is available on the Exchange's Web site at <http://nasdaqtrader.com/micro.aspx?id=PHLXfilings>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to correct the text of Exchange Rule 705, entitled “Members Must Carry,” by deleting certain text which was not deleted when the Exchange filed to replace Rule 705⁴ with a rule in

substantially the same form as the Financial Industry Regulatory Authority, Inc. (“FINRA”) Rule 4360.⁵ The Supplementary Material to Exchange Rule 705 is being replaced, along with the remainder of Rule 705, by a new Rule 705, as of April 2, 2012. The title of Exchange Rule 705 will also be changed from “Members Must Carry” to “Fidelity Bonds.” The Exchange intended to delete the current Rule 705 in its entirety and rename the rule and add new text similar to that in FINRA Rule 4360. The Exchange inadvertently did not place the Supplementary Material section of the Rule in that filing to be deleted. The Exchange proposes to delete the current Supplementary Material to Exchange Rule 705 as of April 2, 2012, to correspond with the operative date of SR–Phlx–2012–13.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act⁶ in general, and furthers the objectives of Section 6(b)(5) of the Act⁷ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by correcting an error in the Exchange’s Rules in order that the Rule properly reflect the correct text. The Exchange’s proposal will correct the text of the Rule so that the new text will be properly reflected as of April 2, 2012.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b–4(f)(1)⁹ thereunder, the Exchange has designated this proposal as one that constitutes a stated policy, practice or interpretation with

respect to the meaning, administration, or enforcement of an existing rule of the self-regulatory organization, and therefore has become effective.

The Exchange intends for Rule 705 to become operative on April 2, 2012. This operative delay will allow members or member organizations that are not exempt from the Rule to comply with the requirements set forth under the Rule.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission’s Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission’s Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the

provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission’s Public Reference Room, 100 F Street NE., Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange.
