

pre-populated with data the Department collects and maintains for each housing agency. Information collected by the applications will allow the Department to determine which applicants meet the eligibility requirements and have the capacity to successfully meet RAD's mission delineated in PIH Notice PIH-2012-18: Rental Assistance Demonstration—Partial Implementation and Request for Comments.

To review draft versions of the applications please visit the RAD Web site: www.hud.gov/rad/.

Under the Applications section follow the links provided:

Obtain Draft Application for PHAs: http://portal.hud.gov/hudportal/documents/huddoc?id=RAD_App_PH.xlsx.

Obtain Draft Application for Owners of Mod Rehab properties: http://portal.hud.gov/hudportal/documents/huddoc?id=RAD_APP_Mod_Rehab.xlsx.
Agency form number(s), if applicable:

HUD-5260 RAD Application; HUD-5261 RAD Mod Rehab Application.

Members of affected public: State, Local or Tribal Government.

Estimation of the total number of hours needed to prepare the information collection including respondents: The estimated number of respondents is 8,855 annually with one response per respondent. The average number for each response is 2 hours, for a total burden of 17,710.

Status of the proposed information collection: New Collection.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: March 5, 2012.

Merrie Nichols-Dixon,

Deputy Director, Office of Policy, Program and Legislative Initiatives.

BILLING CODE 4210-67-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5601-N-10]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Juanita Perry, Department of Housing

and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Ritta, Division of Property Management, Program Support Center, HHS, room 5B-17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of

interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including Zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (i.e., acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: AIR FORCE: Mr. Robert Moore, Air Force Real Property Agency, 143 Billy Mitchell Blvd., San Antonio, TX 78226, (210) 925-3047; COAST GUARD: Commandant, United States Coast Guard, Attn: Jennifer Stomber, 2100 Second St. SW., Stop 7901, Washington, DC 20593-0001, (202) 475-5609; ENERGY: Mr. Mark Price, Department of Energy, Office of Engineering & Construction Management, MA-50, 1000 Independence Ave. SW., Washington, DC 20585, (202) 586-5422; GSA: Mr. John Smith, Acting Deputy Assistant Commissioner, General Services Administration, Office of Property Disposal, 18th & F Streets NW., Washington, DC 20405, (202) 501-0084; NAVY: Mr. Steve Matteo, Department of the Navy, Asset Management Division, Naval Facilities Engineering Command, Washington Navy Yard, 1330 Patterson Ave. SW., Suite 1000, Washington, DC

20374, (202) 685-9426 (These are not toll-free numbers).

Dated: March 1, 2012.

Mark R. Johnston,

Deputy Assistant Secretary for Special Needs.

BILLING CODE 4210-67-P

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[LLORE00000
 L63500000.DO0000.LXSS021H0000.HAG11-XXXX]

Notice of Intent To Revise Resource Management Plans and an Associated Environmental Impact Statement for Six Western Oregon Districts of the Bureau of Land Management

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of intent.

SUMMARY: In compliance with the National Environmental Policy Act of 1969, as amended, and the Federal Land Policy and Management Act of 1976, as amended, the Bureau of Land Management (BLM) Oregon State Office, Portland, Oregon, intends to revise six Resource Management Plans (RMPs) with a single associated Environmental Impact Statement (EIS) for the Western Oregon Planning Area and by this notice is announcing the beginning of the scoping process to solicit public comments and identify issues. The Western Oregon Planning Area consists of the Coos Bay District, Eugene District, Medford District, Roseburg District, Salem District, and the Klamath Falls Resource Area of the Lakeview District. Although this document identifies the scale of planning as six RMPs with a single EIS, public input is being sought on whether a different approach to scale—such as by district, region, or type of forest—should be considered.

DATES: This notice initiates the public scoping process for the RMP and associated EIS. Comments on issues may be submitted in writing until June 7, 2012. The BLM has not yet scheduled public meetings for this plan revision. The date(s) and location(s) of any scoping meetings will be announced at least 15 days in advance through local media, newspapers, and the BLM Web site at: <http://www.blm.gov/or/plans/>. In order to be included in the Draft EIS, all comments must be received prior to the close of the 90-day scoping period or 30 days after the last public meeting, whichever is later. The BLM will

provide additional opportunities for public participation and comment upon publication of the Draft EIS.

ADDRESSES: You may submit comments on issues and planning criteria related to the Western Oregon RMPs/EIS by any of the following methods:

- **Web site:** <http://www.blm.gov/or/plans/>
- **Email:**
BLM_OR_Forestry_Plan@blm.gov.
- **Fax:** 503-808-6333.
- **Mail:** P.O. Box 2965, Portland, Oregon 97208.

Documents pertinent to this proposal may be examined at the Oregon State Office, Public Room, 333 SW. 1st Avenue, Portland, OR 97204.

FOR FURTHER INFORMATION CONTACT:

And/or to have your name added to our mailing list, contact Michael Campbell, Western Oregon RMP Outreach Coordinator, telephone 503-808-6031; address P.O. Box 2965, Portland, Oregon 97208; email

BLM_OR_Forestry_Plan@blm.gov. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 to contact the above individual during normal business hours. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: This document provides notice that the BLM State Office, Portland, Oregon, intends to revise six RMPs with an associated EIS for the Western Oregon Planning Area, announces the beginning of the scoping process, and seeks public input on issues and planning criteria. The purpose of the public scoping process is to determine the scope of issues to be addressed by the environmental analysis, including alternatives, and the significant issues related to the planning process. The planning area for the RMPs includes approximately 2,550,000 acres of BLM-administered lands and 69,000 acres of split-estate, where the BLM only manages the Federal mineral estate.

The Federal Land Policy and Management Act of 1976 (FLPMA) requires the development, maintenance, and revision of land use plans. The vast majority of the BLM-administered lands in the planning area are Revested Oregon and California Railroad (O&C) lands, or Reconveyed Coos Bay Wagon Road (CBWR) lands, and are managed under the statutory authority of the Oregon and California Revested Railroad Lands Act of 1937 (O&C Act, Pub. L. 75-405) and FLPMA (43 U.S.C.

1701 *et seq.*). Preparation of the RMPs and EIS will conform to the above land management laws and will also comply with other Federal laws, including, but not limited to the Endangered Species Act (ESA), the Clean Water Act, and the National Environmental Policy Act. Congress, in 1866, established a land grant to promote the completion of the Oregon and California Railroad from Portland, Oregon, to San Francisco, California. In 1916, Congress revested, or brought back into Federal ownership, the title to approximately 2.2 million acres of land deeded to the Oregon and California Railroad after the company violated the terms of the land grant. Congress revested about 93,000 acres of Coos Bay Wagon Road lands to the United States due to similar circumstances in 1919. The O&C Act of 1937 placed management jurisdiction of these lands under the United States Department of the Interior.

In 1994, the Departments of the Interior and Agriculture (USDA) adopted the Northwest Forest Plan (NWFP) to provide coordinated management direction for the lands administered by the BLM and the USDA's Forest Service and to adopt complimentary approaches of other Federal agencies within the range of the northern spotted owl. The NWFP included a coordinated, comprehensive ecosystem management strategy, the purpose of which was to meet dual needs: The need for long-term health of forest habitat and the need for a steady supply of forest products.

The six western Oregon BLM districts completed RMPs in 1995 that incorporated the land use allocations and Standards and Guidelines from the NWFP. In 2008, the BLM completed RMP revisions for the six western Oregon districts. Pending litigation seeks vacatur of the 2008 RMPs. The BLM intends to revise its RMPs notwithstanding the pending litigation.

The U.S. Fish and Wildlife Service (FWS) issued a revised recovery plan for the northern spotted owl on June 28, 2011. The plan contains recommendations for retaining and restoring owl habitat in Federal, State and private forestland. The FWS anticipates revising its critical habitat designation for the northern spotted owl and issuing a proposed rule in February 2012.

The FWS completed a recovery plan for the marbled murrelet in 1997 and revised its critical habitat for the marbled murrelet in October 2011. On August 22, 2011, the National Oceanic and Atmospheric Administration (NOAA) Fisheries Service adopted a final ESA recovery plan for upper
