Abstract: Travelers who do not have proof of prior possession in the United States of foreign made articles and who do not want to be assessed duty on these items can register them prior to departing on travel. In order to register these articles, the traveler completes CBP Form 4457, *Certificate of Registration for Personal Effects Taken Abroad*, and presents it at the port at the time of export. This form must be signed in the presence of a CBP official after verification of the description of the articles is completed. CBP Form 4455, *Certificate of Registration*, is used primarily for the registration, examination, and supervised lading of commercial shipments of articles exported for repair, alteration, or processing, which

will subsequently be returned to the United States either duty free or at a reduced duty rate. CBP Form 4455 is accessible at: http://forms.cbp.gov/pdf/CBP_Form_4455.pdf.

This registration is restricted to articles with serial numbers or unique markings. These forms are provided for by 19 CFR 148.1.
