a. Review and evaluate progress of the educational programs and the support activities of the university;

b. Review and evaluate the published statement of purpose, institutional policies, and financial resources of the university; and

c. Review and evaluate the educational effectiveness, quality of student learning, administrative and educational support services, and teaching, research and public service of the university.

The Secretary of the Air Force may act upon the Board's advice and recommendations.

The Board shall be comprised of no more than 35 members appointed by the Secretary of Defense who are eminent authorities in the field of air power, defense, management, leadership, and academia. All Board member appointments must be renewed by the Secretary of Defense on an annual basis.

The Board's Chairperson shall be elected by a vote of the membership and approved by the Air University Commander and President. The President of the Naval Postgraduate School shall serve as an ex-officio member.

With the exception of travel and per diem for official Board related travel, Board members shall serve without compensation.

Each Board member is appointed to provide advice on behalf of the government on the basis of his or her best judgment without representing any particular point of view and in a manner that is free from conflict of interest.

The Department, when necessary, and consistent with the Board's mission and DoD policies and procedures, may establish subcommittees deemed necessary to support the Board.

Establishment of subcommittees will be based upon a written determination, to include terms of reference, by the Secretary of Defense, the Deputy Secretary of Defense or the advisory committee's sponsor.

The Committee shall establish five permanent subcommittees:

1. The Academic Affairs Subcommittee shall be comprised of nine members. The primary focus of the subcommittee is to provide advice and recommendations to the AU Board of Visitors concerning policies and practices concerning all academic matters across the university. More specifically, the subcommittee will review schools, programs, degree programs, academic and strategic plans, legislative and accreditation issues. administrative costs and effectiveness; reviewing proposed additions and renovations of existing facilities; and recommendations of candidates for Air University honorary degrees. The estimated number and frequency of subcommittee meetings is two per year.

The estimated number and frequency of subcommittee meetings is two per year.

Such subcommittees shall not work independently of the chartered Board, and shall report all their recommendations and advice to the Board for full deliberation and discussion. Subcommittees have no authority to make decisions on behalf of the chartered Board; nor can any subcommittee or its members update or report directly to the DoD or any Federal officers or employees. Subcommittees shall comply with FACA.

All subcommittee members shall be appointed in the same manner as the Board members; that is, the Secretary of Defense shall appoint subcommittee members even if the member in question is already a Board member.

Subcommittee members, if not full-time or part-time government employees, shall be appointed to serve as experts and consultants under the authority of 5 U.S.C. § 3109, and shall serve as special government employees, whose appointments must be renewed by the Secretary of Defense on an annual basis.
