June 29, 2012.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of China Medical Technologies, Inc. ("China Medical") because of questions regarding the accuracy and adequacy of disclosures by China Medical concerning, among other things: (1) The status of the company's officers and directors, (2) the accuracy of the company's financial statements filed with the Commission, and (3) the current financial condition of the company. China Medical's securities are quoted on OTC Link operated by OTC Markets Group Inc. under the ticker symbol "CMEDY."

By the Commission.

International Joint Commission

International Joint Commission Invites Public Comment on Upper Great Lakes Report

The International Joint Commission (IJC) announced today that it is inviting public comment on the final report of its International Upper Great Lakes Study Board, *Lake Superior Regulation: Addressing Uncertainty in Upper Great Lakes Water Levels*. Comments will be accepted at public hearings and by mail, email and on-line until August 31, 2012.

The Study examines whether the regulation of outflows from Lake Superior through the compensating works and power dams on the St. Marys River at Sault Ste. Marie might be improved to take into consideration the evolving needs of users on Lakes Superior, Huron, Michigan and Erie. The Commission is considering proposed changes to its Orders of Approval for the outflows of Lake Superior at the St. Marys River that have been recommended by the Study. The Study report also examines the potential future impacts of climate change, a management strategy to better anticipate and respond to future extreme water levels, the feasibility and implications of restoring water levels in lakes Michigan-Huron and multi-lake regulation and its impacts throughout the Great Lakes St-Lawrence system. The report and related supporting documents and peer review are available at the Upper Great Lakes Public Hearings Web site.

Commissioners invite the public to present comments at hearings that will be held the following dates and locations:
