This notice also lists the following information:

Title of Proposal: Screening and Eviction for Drug Abuse and Other Criminal Activity.

OMB Approval Number: 2577-0232.

Description of the Need for the Information and Its Proposed Use: The information and collection requirements consist of PHA screening requirements to obtain criminal conviction records from law enforcement agencies to prevent admission of criminals into the

public housing and Section 8 programs and to assist in lease enforcement and eviction of those individuals in the public housing and Section 8 programs who engage in criminal activity. The reason for the current revision is that the 2009 submission only included the burden hours for Public Housing participants. Because the screening is done for residents in the Public Housing and Section 8 program, the calculations were updated to reflect this reality. The current calculations use the existing formula for burden hours but include voucher residents.

Agency form number, if applicable:
None.

Members of affected public: State or Local Government; Public Housing Agencies (PHAs), Individuals or Households.

Estimation of the Total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: Total Public Housing Burden Hours for screening & eviction (709,585 hours) + Total Voucher Burden Hours for screening & eviction of Voucher participants (1,409,229 hours) = 2,118,814.

Status of the Proposed Information Collection: Revision of a currently approved collection.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: July 13, 2012.

Merrie Nichols-Dixon,

Deputy Director, Office of Policy, Program and Legislative Initiatives.

Also, both PHAs and tenants are required to follow the protocols set forth in the grievance procedures for both an informal and formal grievance hearing.

SUPPLEMENTARY INFORMATION: This notice informs the public that the Department of Housing and Urban Development has submitted to OMB a request for approval of the Information collection described below. This notice is soliciting comments from members of the public and affecting agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) Enhance the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond; including

through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

This Notice also lists the following information:

Title of Proposal: Public Housing Agency (PHA) Lease and Grievance Requirements.

OMB Approval Number: 2577–0006.

Description of the Need for the Information and Its Proposed Use: The Public Housing lease and grievance procedures are a recordkeeping requirement on the part of Public Housing agencies (PHAs) as they are required to enter into and maintain lease agreements for each individual or family that occupies a Public Housing unit. Also, both PHAs and tenants are required to follow the protocols set forth in the grievance procedures for both an informal and formal grievance hearing. The current revision was needed to correct errors in the 2009 calculation. The earlier calculation had over the amount of time needed to complete the form. The previous submission incorrectly included the number of responding PHAs in the calculation and also incorrectly assumed that 100% of households would be reviewing or initiating a lease. The correction of the errors brought the number of burden hours down from 5,671,800 to 339,822.

Agency form number, if applicable: None.

Members of Affected Public: Public housing applicants and households.

Estimation of the Total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: Estimated number of respondents: 3,144. The respondents collect information for 1,181,986 households. The calculation for burden hours is as follows: Calculation for number of respondents: $1,181,986 \times 1.15$ (median number of new leases + changes + grievances) $\times 15$ minutes (.25 of an hour, median time to complete) = 339,822 total hours.

Status of the Proposed Information Collection: Revision.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C. chapter 35, as amended.

Dated: July 13, 2012.
