Comments regarding (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), *OIRA_Submission@OMB.EOP.GOV* or fax (202) 395-5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250-7602. Comments regarding these information collections are best assured of having their full effect if received within 30 days of this notification. Copies of the submission(s) may be obtained by calling (202) 720-8681.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Rural Business—Cooperative Service

Title: Agriculture Innovation Centers.
OMB Control Number: 0570-0045.

Summary of Collection: The Farm Security and Rural Investment Act of 2002 (Pub. L. 107-171, signed May 13, 2002) authorized the Secretary of the U.S. Department of Agriculture (USDA) to award grant funds for agriculture innovation centers, a demonstration program under which agricultural producers are to be provided with technical and business development

assistance enabling them to establish businesses producing and marketing value-added products. The Food, Conservation, and Energy Act of 2008 reauthorized the program through 2012. This program is administered by Cooperative Programs within USDA's Rural Development.

Need and Use of the Information: Information is collected by Rural Development State and Area office staff, as delegated, from applicants and grantees. Cooperative Programs uses the collected information to confirm that the applicant and use of funds meet the eligibility requirements for the program as well as to assess the quality of the proposed project. Grantees are required to submit financial status and performance reports to confirm that progress is being made toward achieving the stated goals of the project. A final report is submitted at the completion of the grant agreement. Centers may be non-profit corporations, for-profit corporations, institutions of higher learning, and consortia of the aforementioned entities.

Description of Respondents: Not-for-profit Institutions; Business or other for-profit.

Number of Respondents: 2.

Frequency of Responses: Reporting: Semi-annually.

Total Burden Hours: 88.

Animal and Plant Health Inspection Service

Title: Restricted and Controlled Importation of Animal and Poultry Products (Milk and Eggs) Into the United States.

OMB Control Number: 0579—New.
Summary of Collection: The Animal Health Protection Act (AHPA) of 2002 is the primary Federal law governing the protection of animal health. The law gives the Secretary of Agriculture broad authority to detect, control, or eradicate pests or diseases of livestock or poultry. Disease prevention is the most effective method for maintaining a healthy animal population and enhancing the Animal and Plant Health Inspection Service (APHIS) ability to compete in the world market of animals and animal products trade. In connection with this mission, APHIS enforces regulations regarding both the importation of controlled materials and the prevention of foreign animal disease incursions into the United States. The regulations under which APHIS conducts these disease prevention activities are contained in Title 9, Chapter 1, Subchapter D, Parts 94, 95, and 122 of the Code of Federal Regulations.

Need and Use of the Information: APHIS will collect information to ensure that imported items do not present a disease risk to the livestock and poultry populations of the United States. The information collected will provide APHIS with critical information concerning the origin and history of the items destined for importation into the

United States. Without the information, the United States would be at increase risk of an exotic disease incursion.

Description of Respondents: Business or other for-profit; Not for-profit institutions; Foreign Government.

Number of Respondents: 227.

Frequency of Responses: Reporting; On occasion; Quarterly.

Total Burden Hours: 204,316.

National Institute of Food and Agriculture

Title: Expanded Food and Nutrition Education Program (EFNEP).

OMB Control Number: 0524-0044.

Summary of Collection: The Department of Agriculture's National Institute of Food and Agriculture (NIFA), Expanded Food and Nutrition Education Program (EFNEP) is a unique program that began in 1969 and is designed to reach limited resource audiences, especially youth and families with young children. EFNEP operates in all 50 states, the District of Columbia and in American Samoa, Guam, Micronesia, Northern Marianas, Puerto Rico, and the Virgin Islands. Extension professionals train and supervise paraprofessionals and volunteers who teach food and nutrition information and skills to limited resources families and youth.

Need and Use of the Information: NIFA will collect information using Nutrition Education Evaluation and Reporting System (NEERS), which is an integrated database system that stores information on: (1) Adult program participants, their family structure and dietary practices; (2) youth group participants; and (3) staff, NEERS consists of separate software sub-systems for the County and the State levels (State also refers to U.S. Territories). Without the information it would be extremely difficult for the national office to compare, assess, and analyze the effectiveness and the impact of EFNEP without the annual collection of data.

Description of Respondents: State, Local or Tribal Government.

Number of Respondents: 75.

Frequency of Responses: Recordkeeping; Reporting: Annually.

Total Burden Hours: 93,225.
