U.S. Customs and Border Protection

National Customs Automation Program (NCAP) Test Concerning Automated Commercial Environment (ACE) Simplified Entry: Modification of Participant Selection Criteria and Application Process

AGENCY: U.S. Customs and Border Protection, Department of Homeland Security.

ACTION: General notice.

SUMMARY: This notice announces modifications to the National Customs Automation Program (NCAP) test concerning the simplified entry functionality in the Automated Commercial Environment (ACE). The test's participant selection criteria are modified to reflect that while importer self-filers must still hold a Customs-Trade Partnership Against Terrorism (C-TPAT) Tier 2 or higher status to be eligible to participate in the test, the C-TPAT status of an importer for whom a customs broker files a Simplified Entry is no longer an eligibility criterion. In addition, the test is no longer limited to nine (9) participants and, for a limited time, CBP is accepting applications from interested parties wishing to participate in the test. Prior applicants who were not accepted to participate in the test must re-apply for consideration.

DATES: The Simplified Entry test modifications set forth in this document are effective August 14, 2012. Applications to participate in this test must be received by CBP within 14 business days from August 14, 2012. Comments may be submitted to the Web site indicated in the "ADDRESSES" section below at any time throughout the test. The initial phase of the test will run until approximately December 31, 2013.

ADDRESSES: Comments or questions concerning this notice and indication of interest in participation in Simplified Entry should be submitted via email to cbpsimplifiedprocess@dhs.gov. For a comment, please indicate "Simplified
