Foreign-Trade Zones Board

[B–68–2012]

Foreign-Trade Zone 242—Boundary County, ID; Application for Subzone AREVA Enrichment Services, LLC; Bonneville County, ID

An application has been submitted to the Foreign-Trade Zones Board (the Board) by Boundary County, Idaho, grantee of FTZ 242, requesting special-purpose subzone status for the facility of AREVA Enrichment Services, LLC (AES), located in Bonneville County, Idaho. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on September 4, 2012.

The proposed subzone is located along Highway 20, approximately 20 miles east-southeast of Idaho Falls, Idaho. A notification of proposed production activity has been submitted and is being published separately for public comment.

In accordance with the Board's regulations, Christopher Kemp of the FTZ Staff is designated examiner to review the application and make recommendations to the Board.

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is October 22, 2012. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to November 5, 2012.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230–0002, and in the "Reading Room" section of the Board's Web site, which is accessible via www.trade.gov/ftz.

For further information, contact Christopher Kemp at Christopher.Kemp@trade.gov or (202) 482–0862.

Dated: September 4, 2012.

Andrew McGilvray,
Executive Secretary.

International Trade Administration

[A–552–802]

Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Final Results and Final Partial Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On March 7, 2012, the Department of Commerce ("Department") published in the *Federal Register* the *Preliminary Results* of the 6th administrative review of the antidumping duty order on certain frozen warmwater shrimp ("shrimp") from the Socialist Republic of Vietnam ("Vietnam").¹ Based upon our analysis of the comments, we made changes to the margin calculations for the final results.

DATES: *Effective Date:* September 11, 2012.

FOR FURTHER INFORMATION CONTACT: Toni Dach or Seth Isenberg, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–1655 or (202) 482–0588, respectively.

SUPPLEMENTARY INFORMATION: On March 7, 2012, the Department of Commerce ("Department") published the *Preliminary Results*. On June 6, 2012, the Department extended the time limit for these final results by 60 days.

¹ See *Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Preliminary Results of Administrative Review*, 77 FR 13547 (March 7, 2012).

From March 16 through March 30, 2012, the Department placed certain surrogate value information on the record. On March 26, mandatory respondents Nha Trang Seaproduct Group² and Minh Phu Group,³ commented on this surrogate value information.

On April 5, 2012, the American Shrimp Processors Association ("ASPA") and Nha Trang Seaproduct Group and Minh Phu Group submitted additional surrogate value information. On April 13, 2012, Domestic Producers⁴ submitted rebuttal surrogate value comments.

In the *Preliminary Results*, we gave interested parties an opportunity to comment. On June 13, 2012, Domestic Producers, Nha Trang Seaproduct Group and Minh Phu Group, the ASPA, and Gallant Ocean (Vietnam) Co., Ltd. submitted case briefs. On June 28, 2012, Domestic Producers, Nha Trang Seaproduct Group and Minh Phu Group, and the ASPA submitted rebuttal briefs.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs by parties to this review are addressed in the memorandum entitled, "Issues and Decision Memorandum for the Final Results in the 6th Administrative Review of Certain Frozen Warmwater Shrimp from the Socialist Republic of Vietnam," which is dated concurrently with and adopted by this notice ("Decision Memorandum"). A list of the issues which parties raised, and to which we respond in the Decision Memorandum is attached to this notice as Appendix I. The Decision Memorandum is a public document and is on file electronically via Import Administration's Antidumping and Countervailing Duty Centralized Electronic Service System (IA ACCESS). IA ACCESS is available to registered users at <http://iaaccess.trade.gov> and in the Central Records Unit ("CRU"), room 7046 of the main Department of Commerce building. In addition, a complete version of the Decision Memorandum can be accessed directly on the internet at <http://www.trade.gov/ia/>. The signed

² Nha Trang Seaproduct Company ("Nha Trang Seafoods"), NT Seafoods Corporation ("Factory 440"), Nhatrang Seafoods—F89 Joint Stock Company ("Factory 89"), and NTSF Seafoods Joint Stock Company ("Factory 461").

³ Minh Phu Seafood Corporation ("Minh Phu"), Minh Qui Seafood Co., Ltd. ("Minh Qui") and Minh Phat Seafood Co., Ltd. ("Minh Phat").

⁴ The Domestic Producers are the Ad Hoc Shrimp Trade Action Committee members: Nancy Edens; Papa Rod, Inc.; Carolina Seafoods; Bosarge Boats, Inc.; Knight's Seafood Inc.; Big Grapes, Inc.; Versaggi Shrimp Co.; and Craig Wallis.

Decision Memorandum and the electronic versions of the Decision Memorandum are identical in content.

Period of Review

The Period of Review ("POR") is February 1, 2010, through January 31, 2011.

Changes Since the Preliminary Results

The Department has made changes to the preliminary margin calculation. Specifically, we:

- Applied the corrected shrimp price data from the Network of Aquaculture Centres in Asia-Pacific 2011 Shrimp Price Study to value raw shrimp;⁵
- Corrected calculation errors in the *Preliminary Results* for the Minh Phu Group and Nha Trang Seaproducts Group;⁶
- Incorporated the corrections for errors in Nha Trang Seaproducts Group's U.S. Sales and Factors of Production databases discovered or reported at verification;⁷
- Made corrections to the names and "also-known-as" names for certain companies⁸ and revised our draft customs instructions⁹ to reflect these corrections to the respondents' names;
- Applied the correct surrogate value for the input Proxitane;¹⁰
- Used data from Dhaka Electric Supply Company to value electricity;¹¹
- Used data from *Doing Business 2012: Indonesia* to value document preparation fees, and used a container weight of ten metric tons to calculate a per-kilogram value for document preparation expenses.¹²

Scope of the Order

The scope of the order includes certain frozen warmwater shrimp and prawns, whether wild-caught (ocean harvested) or farm-raised (produced by aquaculture), head-on or head-off, shell-on or peeled, tail-on or tail-off,¹³ deveined or not deveined, cooked or raw, or otherwise processed in frozen form.

The frozen warmwater shrimp and prawn products included in the scope of the order, regardless of definitions in

the Harmonized Tariff Schedule of the United States ("HTSUS"), are products which are processed from warmwater shrimp and prawns through freezing and which are sold in any count size.

The products described above may be processed from any species of warmwater shrimp and prawns. Warmwater shrimp and prawns are generally classified in, but are not limited to, the *Penaeidae* family. Some examples of the farmed and wild-caught warmwater species include, but are not limited to, whiteleg shrimp (*Penaeus vannamei*), banana prawn (*Penaeus merguensis*), fleshy prawn (*Penaeus chinensis*), giant river prawn (*Macrobrachium rosenbergii*), giant tiger prawn (*Penaeus monodon*), redspotted shrimp (*Penaeus brasiliensis*), southern brown shrimp (*Penaeus subtilis*), southern pink shrimp (*Penaeus notialis*), southern rough shrimp (*Trachypenaeus curvirostris*), southern white shrimp (*Penaeus schmitti*), blue shrimp (*Penaeus stylirostris*), western white shrimp (*Penaeus occidentalis*), and Indian white prawn (*Penaeus indicus*).

Frozen shrimp and prawns that are packed with marinade, spices or sauce are included in the scope of the order. In addition, food preparations, which are not "prepared meals," that contain more than 20 percent by weight of shrimp or prawn are also included in the scope of the order.

Excluded from the scope are: (1) Breaded shrimp and prawns (HTS subheading 1605.20.10.20); (2) shrimp and prawns generally classified in the *Pandalidae* family and commonly referred to as coldwater shrimp, in any state of processing; (3) fresh shrimp and prawns whether shell-on or peeled (HTS subheadings 0306.23.00.20 and 0306.23.00.40); (4) shrimp and prawns in prepared meals (HTS subheading 1605.20.05.10); (5) dried shrimp and prawns; (6) canned warmwater shrimp and prawns (HTS subheading 1605.20.10.40); (7) certain dusted shrimp;¹⁴ and (8) certain battered

shrimp. Dusted shrimp is a shrimp-based product: (1) That is produced from fresh (or thawed-from-frozen) and peeled shrimp; (2) to which a "dusting" layer of rice or wheat flour of at least 95 percent purity has been applied; (3) with the entire surface of the shrimp flesh thoroughly and evenly coated with the flour; (4) with the non-shrimp content of the end product constituting between four and 10 percent of the product's total weight after being dusted, but prior to being frozen; and (5) that is subjected to IQF freezing immediately after application of the dusting layer. Battered shrimp is a shrimp-based product that, when dusted in accordance with the definition of dusting above, is coated with a wet viscous layer containing egg and/or milk, and par-fried.

The products covered by the order are currently classified under the following HTSUS subheadings: 0306.13.00.03, 0306.13.00.06, 0306.13.00.09, 0306.13.00.12, 0306.13.00.15, 0306.13.00.18, 0306.13.00.21, 0306.13.00.24, 0306.13.00.27, 0306.13.00.40, 1605.20.10.10 and 1605.20.10.30. These HTSUS subheadings are provided for convenience and for customs purposes only and are not dispositive, but rather the written description of the scope of the order is dispositive.

Rescission of Review, in Part

In the *Preliminary Results*, the Department preliminarily rescinded this review with respect to Quoc Viet Seaproducts Processing Trading Import and Export Co., Ltd. ("Quoc Viet"), Nam Hai Foodstuff and Export Company Ltd. ("Nam Hai") and Vinh Loi Import Export Company ("Vinh Loi") because these companies reported that they made no shipments of subject merchandise during the POR. We have not received any information to contradict these statements. Therefore, the Department is rescinding this review with respect to Quoc Viet, Nam Hai, and Vinh Loi.

In addition, in the *Preliminary Results*, the Department preliminarily rescinded this review with respect to Thong Thuan Company Limited ("Thong Thuan"), as all of Thong Thuan's shipments of subject merchandise during the POR were under review in the 2010–2011 new shipper review of certain frozen warmwater shrimp from Vietnam. As the 2010–2011 new shipper review of

Frozen Warmwater Shrimp from Brazil, China, India, Thailand, and Vietnam (Investigation Nos. 731–TA–1063, 1064, 1066–1068 (Review), USITC Publication 4221, March 2011.

⁵ See Decision Memorandum at Comment 2–A.

⁶ See Decision Memorandum at Comments 6.

⁷ See Decision Memorandum at Comment 7.

⁸ See Decision Memorandum at Comment 9.

⁹ See Memorandum from Toni Dach, to The File, dated April 20, 2012, Regarding Sixth Antidumping Duty Administrative Review of Certain Frozen Warmwater Shrimp from the Socialist Republic of Vietnam: Draft of U.S. Customs and Border Protection ("CBP") Instructions.

¹⁰ See Decision Memorandum at Comment 2–F.

¹¹ See Decision Memorandum at Comment 2–B.

¹² See Decision Memorandum at Comment 2–D.

¹³ "Tails" in this context means the tail fan, which includes the telson and the uropods.

¹⁴ On April 26, 2011, the Department amended the antidumping duty order to include dusted shrimp, pursuant to the U.S. Court of International Trade ("CIT") decision in *Ad Hoc Shrimp Trade Action Committee v. United States*, 703 F. Supp. 2d 1330 (CIT 2010) and the U.S. International Trade Commission ("ITC") determination, which found the domestic like product to include dusted shrimp. Because the amendment of the antidumping duty order occurred after this POR, dusted shrimp continue to be excluded in this review. See *Certain Frozen Warmwater Shrimp From Brazil, India, the People's Republic of China, Thailand, and the Socialist Republic of Vietnam: Amended Antidumping Duty Orders in Accordance with Final Court Decision*, 76 FR 23277 (April 26, 2011); see also, *Ad Hoc Shrimp Trade Action Committee v. United States*, 703 F. Supp. 2d 1330 (CIT 2010) and

certain frozen warmwater shrimp from Vietnam covering Thong Thuan has concluded,¹⁵ the Department is rescinding this review with respect to Thong Thuan because all of its entries during the POR have been reviewed.

Separate Rates Determination

In our *Preliminary Results*, we determined that 31 companies¹⁶ (“Separate Rate Respondents”) met the criteria for separate rate status. We have not received any information since the issuance of the *Preliminary Results* that provides a basis for reconsidering this preliminary determination. Therefore, the Department continues to find that these 31 companies meet the criteria for a separate rate.

Rate for Non-Selected Companies

We selected The Minh Phu Group and Nha Trang Seaproducts Group as mandatory respondents in this review.¹⁷ The statute and the Department’s regulations do not directly address the establishment of a rate to be applied to companies not selected for individual examination where the Department

limited its examination in an administrative review pursuant to section 777A(c)(2) of the Act. The Department’s practice in cases involving limited selection based on exporters accounting for the largest volumes of trade has been to look to section 735(c)(5) of the Act for guidance, which provides instructions for calculating the all-others rate in an investigation. Section 735(c)(5)(A) of the Act instructs that we are not to calculate an all-others rate using any zero or *de minimis* margins or any margins based entirely on facts available. Section 735(c)(5)(B) of the Act also provides that, where all margins are zero rates, *de minimis* rates, or rates based entirely on facts available, we may use “any reasonable method” for assigning the rate to non-selected respondents. In this instance, we have calculated rates above *de minimis* for The Minh Phu Group and Nha Trang Seaproducts Group.

Consistent with the Department’s practice, we have assigned the average rate calculated for The Minh Phu Group and Nha Trang Seaproducts Group to the Separate Rate Respondents. Because

the rates calculated for The Minh Phu Group and Nha Trang Seaproducts Group have changed since the Preliminary Results, the margin assigned to the Separate Rate Respondents has also changed accordingly.

Vietnam-Wide Entity

In the *Preliminary Results*, we determined that 30 companies failed to demonstrate their eligibility for a separate rate. In NME proceedings, “rates’ may consist of a single dumping margin applicable to all exporters and producers.”¹⁸ Therefore, we assigned the entity a rate of 25.76%, the only rate ever determined for the Vietnam-wide entity in this proceeding. We have not received any information since issuance of the *Preliminary Results* that provides a basis for reconsidering this determination, and will therefore continue to apply the entity rate of 25.76% to these 30 companies.

Final Results of Review

Assessment

Upon issuance of the final results, the Department will determine, and U.S. Customs and Border Protection ("CBP") shall assess, antidumping duties on all appropriate entries. The Department intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of review. Pursuant to 19 CFR 351.212(b)(1), we will calculate importer-specific (or customer) *ad valorem* duty assessment rates based on the ratio of the total amount of the dumping margins calculated for the examined sales to the total entered value of those same sales. In accordance with 19 CFR 351.106(c)(2), we will instruct CBP to liquidate, without regard to antidumping duties, all entries of subject merchandise during the POR for which the importer-specific assessment rate is zero or *de minimis*.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon

publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For the exporters listed above, the cash deposit rate will be the rate established in the final results of review (except, if the rate is zero or *de minimis*, i.e., less than 0.5 percent, a zero cash deposit rate will be required for that company); (2) for previously investigated or reviewed Vietnamese and non-Vietnamese exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (3) for all Vietnamese exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the Vietnam-wide rate of 25.76 percent; and (4) for all non-Vietnamese exporters of subject merchandise which have not received their own rate, the cash deposit

rate will be the rate applicable to the Vietnamese exporters that supplied that non-Vietnamese exporter. The deposit requirements, when imposed, shall remain in effect until further notice.

Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties has occurred and the subsequent assessment of doubled antidumping duties.

Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return or destruction of proprietary information

disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this administrative review and notice in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: September 4, 2012.

Ronald K. Lorentzen,

Acting Assistant Secretary for Import Administration.

Floor-Standing, Metal-Top Ironing Tables and Certain Parts Thereof From the People's Republic of China: Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On May 10, 2012, the U.S. Department of Commerce (the Department) published the preliminary results of the 2010–2011 administrative review of the antidumping duty order on floor-standing, metal-top ironing tables and certain parts thereof from the People's Republic of China (PRC).¹ This review covers one exporter, Foshan Shunde Yongjian Housewares & Hardwares Co., Ltd. (Foshan Shunde) which we have determined to be part of the PRC-wide entity because it failed to respond to the Department's questionnaire. The period of review (POR) is August 1, 2010, through July 31, 2011. We invited interested parties to comment on the *Preliminary Results*. We received no comments. The Final

¹ See *Floor Standing, Metal-top Ironing Tables and Certain Parts Thereof From the People's Republic of China; Preliminary Results of Antidumping Duty Administrative Review*, 77 FR 27425 (May 10, 2012) (*Preliminary Results*).

Results are unchanged from the *Preliminary Results*.

DATES: *Effective Date:* September 11, 2012.

FOR FURTHER INFORMATION CONTACT:

Michael J. Heaney or Robert James, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-4475 or (202) 482-0649, respectively.

Scope of the Order

For purposes of the order, the product covered consists of floor-standing, metal-top ironing tables, assembled or unassembled, complete or incomplete, and certain parts thereof. The subject tables are designed and used principally for the hand ironing or pressing of garments or other articles of fabric. The subject tables have full-height leg assemblies that support the ironing surface at an appropriate (often adjustable) height above the floor. The subject tables are produced in a variety of leg finishes, such as painted, plated, or matte, and they are available with various features, including iron rests, linen racks, and others. The subject ironing tables may be sold with or without a pad and/or cover. All types and configurations of floor-standing, metal-top ironing tables are covered by this review.

Furthermore, the order specifically covers imports of ironing tables, assembled or unassembled, complete or incomplete, and certain parts thereof. For purposes of the order, the term "unassembled" ironing table means a product requiring the attachment of the leg assembly to the top or the attachment of an included feature such as an iron rest or linen rack. The term "complete" ironing table means product sold as a ready-to-use ensemble consisting of the metal-top table and a pad and cover, with or without additional features, e.g., iron rest or linen rack. The term "incomplete" ironing table means product shipped or sold as a "bare board"—i.e., a metal-top table only, without the pad and cover—with or without additional features, e.g. iron rest or linen rack. The major parts or components of ironing tables that are intended to be covered by the order under the term "certain parts thereof" consist of the metal top component (with or without assembled supports and slides) and/or the leg components, whether or not attached together as a leg assembly. The order covers separately shipped metal top components and leg components, without regard to whether
