Abstract: The Cooperative Forestry Assistance Act of 1978 (16 U.S.C. 2101 (note) Sec. 10) requires the Forest Service to collect information about wildfire suppression efforts by state and local firefighting agencies in support of congressional funding requests for the Forest Service State and Private Forestry Cooperative Fire Program. The program provides supplemental funding for state and local firefighting agencies. The Forest Service works cooperatively with state and local firefighting agencies to support their fire suppression efforts.

State fire marshals and state forestry officials use form FS-3100-8 (Annual Wildfire Summary Report) to report information to the Forest Service regarding state and local wildfire suppression efforts. The Forest Service is unable to assess the effectiveness of the State and Private Forestry Cooperative Fire Program without this information. Forest Service managers evaluate the information to determine if the Cooperative Fire Program funds used by state and local fire agencies have improved fire suppression capabilities. The Forest Service shares the information with Congress as part of the annual request for funding for this program.

The information collected includes the number of fires responded to by state or local firefighting agencies within a fiscal year, as well as the following information pertaining to such fires:

- Fire type (timber, structural, or grassland);
- Size (in acres) of the fires;
- Cause of fires (lightning, campfires, arson, etc.); and
- Suppression costs associated with the fires.

The data gathered is not available from any other sources.

Estimate of Burden per Response: 30 minutes.

Type of Respondents: State fire marshals or State forestry officials.

Estimated Annual Number of Respondents: 56.

Estimated Annual Number of Responses per Respondent: 1.

Estimated Total Annual Burden on Respondents: 28 hours.

All comments received in response to this notice, including names and addresses when provided, will be a matter of public record. Comments will be summarized and included in the request for Office of Management and Budget approval.
