**SUPPLEMENTARY INFORMATION:** Under the PRA (44 U.S.C. 3501-3520), Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. "Collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) to include agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information before submitting the collection to OMB for approval. To comply with this requirement, the OCC is publishing notice of the proposed collection of information set forth in this document.

The OCC is proposing OMB approval of the following information collection:  
*Title:* OCC Supplier Registration Form.

*OMB Number:* 1557-NEW.

*Frequency of Response:* On occasion.  
*Affected Public:* Business or other for-profit.

*Estimated Number of Respondents:* 1000.

*Estimated Burden Hours per Response:* 10 minutes.

*Estimated Total Annual Burden Hours:* 167 hours.

*Abstract:* Section 342 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank) requires the Office of the Comptroller of the Currency (OCC) to develop and implement standards and procedures to ensure, to the maximum extent possible, the fair inclusion and utilization of minorities, women, and minority-owned and women-owned businesses in all business and activities of the agency at all levels, including in procurement, insurance, and all types of contracts<sup>1</sup> and to develop standards for coordinating technical assistance to such business.<sup>2</sup>

In order to comply with the Congressional mandates to develop standards for the fair inclusion and utilization of minority- and women-owned businesses and to provide effective technical assistance to these businesses, the OCC needs to develop an on-going system to collect up-to-date contact information and capabilities statements from potential suppliers. This information will allow the OCC to update and enhance its internal database of interested minority- and women-owned businesses. This information will also allow the OCC to measure the effectiveness of its technical assistance and outreach efforts and target areas and needs where additional outreach efforts are necessary.
