FOR FURTHER INFORMATION CONTACT: Persons interested in making a presentation, submitting technical papers, or providing comments at the June 4, plenary session should contact Karen Thomas: Phone: (202) 690–6620; Fax (202) 690–6334; Email: Karen.thomas-sharp@fsis.usda.gov or at the mailing address above. Persons requiring a sign language interpreter or other special accommodations should notify Ms. Thomas by May 28, 2013.

SUPPLEMENTARY INFORMATION:

Background

The NACMCF was established in 1988, in response to a recommendation of the National Academy of Sciences for an interagency approach to microbiological criteria for foods, and in response to a recommendation of the U.S. House of Representatives Committee on Appropriations, as expressed in the Rural Development, Agriculture, and Related Agencies Appropriation Bill for fiscal year 1988. The charter for the NACMCF is available for viewing on the FSIS Internet Web page at http://www.fsis.usda.gov/About/NACMCF_Charter/.

The NACMCF provides scientific advice and recommendations to the Secretary of Agriculture and the Secretary of Health and Human Services on public health issues relative to the safety and wholesomeness of the U.S. food supply, including development of microbiological criteria and review and evaluation of epidemiological and risk assessment data and methodologies for assessing microbiological hazards in foods. The Committee also provides scientific advice and recommendations to the Centers for Disease Control and Prevention and the Departments of Commerce and Defense.

Dr. Elisabeth A. Hagen, Under Secretary for Food Safety, USDA, is the Committee Chair; Mr. Michael Landa, Director of the Food and Drug Administration's Center for Food Safety and Applied Nutrition (CFSAN), is the Vice-Chair; and Ms. Gerri Ransom, FSIS, is the Executive Secretary.

At the subcommittee meetings the week of June 4–6, 2013, the groups will discuss:

- Control strategies for reducing foodborne Norovirus infections, and
- Study of microbiological criteria as indicators of process control or insanitary conditions.

Documents Reviewed by NACMCF

FSIS intends to make available to the public all materials that are reviewed and considered by the full committee of NACMCF regarding its deliberations. Generally, these materials will be made available as soon as possible after the full Committee meeting. Further, FSIS intends to make these materials available in electronic format on the FSIS Web page (www.fsis.usda.gov), as well as in hard copy format in the FSIS Docket Room. Often, an attempt is made to make the materials available at the start of the full Committee meeting when sufficient time is allowed in advance to do so.

Disclaimer: NACMCF documents and comments posted on the FSIS Web site

are electronic conversions from a variety of source formats. In some cases, document conversion may result in character translation or formatting errors. The original document is the official, legal copy.

In order to meet the electronic and information technology accessibility standards in Section 508 of the Rehabilitation Act, NACMCF may add alternate text descriptors for non-text elements (graphs, charts, tables, multimedia, etc.). These modifications only affect the online copies of the documents.

Copyrighted documents will not be posted on the FSIS Web site, but will be available for inspection in the FSIS Docket Room.

Additional Public Notification

FSIS will announce this notice online through the FSIS Web page located at http://www.fsis.usda.gov/regulations_&_policies/Federal_Register_Notices/index.asp.

FSIS will also make copies of this **Federal Register** publication available through the FSIS Constituent Update, which is used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meetings, and other types of information that could affect or would be of interest to constituents and stakeholders. The Update is communicated via Listserv, a free electronic mail subscription service for industry, trade groups, consumer interest groups, health professionals, and other individuals who have asked to be included. The Update is also available on the FSIS Web page. In addition, FSIS offers an electronic mail subscription service which provides automatic and customized access to selected food safety news and information. This service is available at http://www.fsis.usda.gov/News_&_Events/Email_Subscription/. Options range from recalls to export information to regulations, directives, and notices. Customers can add or delete subscriptions themselves, and have the option to password protect their accounts.
