

Rehabilitation Act to permit accessibility to people with disabilities.

Every 2 years, the Organizer Survey will be completed by an estimated 3,400 THM event organizers and will require only one response per respondent. It will take an average of 20 minutes (0.333 hours) to review the instructions

and complete the survey. This burden estimate is based on comments from three 2012 THM organizers who reviewed the survey and provided comments on how long it would take them to complete it.

The Participant Form will be completed by an average of 30

participants per sampled community-based organization (n=400) and will require only one response per respondent. It will take an average of 5 minutes (0.083 hours) to review the instructions and complete the form.

SAMHSA supports nationwide THMs every other year. Collecting data on each round of THMs, and using this information to inform policy and measure impact, supports SAMHSA's strategic initiative number 1: Prevention of substance abuse and mental illness. A specific goal under this initiative is to prevent or reduce the consequences of underage drinking and adult problem drinking; a specific objective is to establish the prevention of underage drinking as a priority issue for states, territories, tribal entities, colleges and universities, and communities.

SAMHSA will use the information collected to document the implementation efforts of this nationwide initiative, determine if the federally sponsored THMs lead to additional activities within the community that are aimed at preventing and reducing underage drinking, identify what these activities may possibly include, and help plan for future rounds of THMs. SAMHSA intends to post online a summary document of each round of THMs and present findings at national conferences attended by community-based organizations that have hosted THMs and might host future events. Similarly, SAMHSA plans to share findings with the Interagency Coordinating Committee on the *Prevention of Underage Drinking*: Agencies within this committee encourage their grantees to participate as event hosts. Additionally, the information collected will support performance measurement for SAMHSA programs under the Government Performance Results Act.

Written comments and recommendations concerning the proposed information collection should be sent by September 23, 2013 to the SAMHSA Desk Officer at the Office of Information and Regulatory Affairs, Office of Management and Budget

(OMB). To ensure timely receipt of comments, and to avoid potential delays in OMB's receipt and processing of mail sent through the U.S. Postal Service, commenters are encouraged to submit their comments to OMB via email to: OIRA_Submission@omb.eop.gov. Although commenters are encouraged to send their comments via email, commenters may also fax their comments to: 202-395-7285. Commenters may also mail them to: Office of Management and Budget, Office of Information and Regulatory Affairs, New Executive Office Building, Room 10102, Washington, DC 20503.

SUPPLEMENTARY INFORMATION:

Section 3 of the Housing and Urban Development Act of 1968, as amended by the Housing and Community Development Act of 1992 (Section 3), contributes to the establishment of stronger, more sustainable communities by requiring recipients of certain HUD financial assistance, to the greatest extent feasible, to provide training and job opportunities generated by such financial assistance to local low- and very low-income persons and to award contracts to eligible businesses that substantially employ those persons. HUD is statutorily charged with the authority and responsibility for implementing and enforcing Section 3.

Recipients of HUD funding that is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968 are required, to the greatest extent feasible, to meet the minimum numerical goals for employment and contracting set forth in the Section 3 regulation at 24 CFR 135.30.

In November 2011, HUD launched the Section 3 Business Registry Pilot program in five metropolitan areas—Detroit, New Orleans, Los Angeles, Miami, and Washington, DC as a resource to help agencies that receive certain HUD funds to meet their Section 3 obligations at 24 CFR part 135 (OMB Approval 2529–0052).

HUD's Section 3 Business Registry is based on similar federal business registries maintained by the Small Business Administration (SBA) and the Veterans Administration. It allows firms that meet one of the three regulatory definitions of a Section 3 Business to self-certify their eligibility with HUD. Once registered, these firms are placed into a searchable online database of Section 3 Businesses that interested parties such as public housing authorities, local government agencies, contractors, and others can use to notify these entities about the availability of certain HUD-funded contracts.

This information collection consists of two surveys that assess the overall effectiveness of the Section 3 Business Registry. The first survey measures the outcomes of the pilot program for Section 3 Businesses that have registered with HUD. The second survey, evaluates feedback from recipients of HUD funding in the five pilot locations on the usefulness of the Section 3 Business Registry. Both surveys will be issued via web-based survey sites such as www.Surveymonkey.com and will produce information that may be useful to HUD for developing policies regarding the Section 3 Business Registry. Responding to these surveys is voluntary.

On April 16, 2013, HUD was granted six-month emergency approval for this information collection by the Office of Management and Budget (OMB approval 2529–0053). At this time, HUD is requesting 3-year approval pursuant to the Paperwork Reduction Act. HUD solicits comment in the following areas outlined in Section A on the information collection described in Section B.

A. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of

information described in Section B on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) The accuracy of the agency's estimate of the burden of the proposed collection of information;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.

B. Overview of Information Collection

Title of Proposal: Section 3 Business Registry Surveys

Office: Fair Housing and Equal Opportunity

OMB Control Number: 2529–0053

Description of the need for the information and proposed use: This information collection contains two surveys that will provide insights into the effectiveness of the Section 3 Business Registry and assess potential outcomes. This information may be useful to HUD for developing policies regarding the Section 3 Business Registry.

This information collection will be limited to businesses that have self-certified their Section 3 eligibility to HUD and recipients of HUD funding (i.e., Public Housing Authorities and local government agencies). The surveys will be sent electronically to all certified businesses in the Section 3 Business Registry database and HUD funding recipients in an effort to produce the greatest amount of responses. Random sampling will not be used to identify potential respondents. Respondents will have a minimum of 60 days to respond to the surveys. Responding to these surveys is voluntary.

Agency form numbers, if applicable: Form HUD 968 and Form HUD 969

Members of affected public:

Businesses that are either owned by, or substantially employ, low- or very low-income persons; low-income persons; developers; members of the general public; public housing agencies; and State and local governments.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and

hours of response: At this time, there are approximately 800 businesses in the five pilot locations that have self-certified their eligibility with HUD and 150 HUD-funding recipients in the five pilot areas may complete the Section 3 surveys. It is estimated that each survey will take approximately 30 minutes to complete for a total of 475 hours.

Status of the proposed information collection: Active

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: August 13, 2013.

Bryan Greene,

Acting Assistant Secretary for Fair Housing and Equal Opportunity.

Proposed Fee Schedule for Commercial Filming and Still Photography Permits

AGENCY: Office of the Secretary, Bureau of Land Management, U.S. Fish and Wildlife Service, National Park Service, Interior; Forest Service, Agriculture.

ACTION: Notice of availability; request for public comment.

SUMMARY: The Department of the Interior and the Department of Agriculture propose to adopt a fee schedule for commercial filming and still photography conducted on public lands under their jurisdiction. The proposed fee schedule would establish land-use fees for commercial filming and still photography that are consistent for the National Park Service, the U.S. Fish and Wildlife Service, the Bureau of Land Management and U.S. Forest Service. The fees would be based on sound business management principles and would provide a fair return to the United States, as required in the law.

DATES: Written comments will be accepted until September 23, 2013.

ADDRESSES: You may submit comments by any of the following methods:
