## DEPARTMENT OF COMMERCE

### International Trade Administration [A-533-840, A-549-822]

#### Certain Frozen Warmwater Shrimp From India and Thailand: Notice of Initiation of Antidumping Duty Administrative Reviews

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**ACTION:** Notice.

**SUMMARY:** The Department of Commerce (the Department) received requests to conduct administrative reviews of the antidumping duty orders on certain frozen warmwater shrimp (shrimp) from India and Thailand for the period February 1, 2013 through January 31, 2014. The anniversary month of these orders is February. In accordance with the Department's regulations, we are initiating these administrative reviews. The Department also received a request to defer the initiation of the administrative review for the order on shrimp from Thailand with respect to various Thai companies.

**DATES:** Effective: April 2, 2014.

**FOR FURTHER INFORMATION CONTACT:** David Crespo at (202) 482-3693 (India and Dennis McClure (202) 482-5973 (Thailand), AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230.

**SUPPLEMENTARY INFORMATION:**

## Background

During the anniversary month of February 2014, the Department received timely requests, in accordance with 19 CFR 351.213(b), for administrative reviews of the antidumping duty orders on shrimp from India and Thailand from the Ad Hoc Shrimp Trade Action Committee (hereinafter, the petitioner), the American Shrimp Processors Association (ASPA), and certain individual companies.

All deadlines for the submission of various types of information, certifications, or comments or actions by the Department discussed below refer to the number of calendar days from the applicable starting time.

## Request To Defer Review

In their requests for administrative review, various Thai companies requested that the Department defer the initiation of the review for one year, pursuant to 19 CFR 351.213(c). These companies are identified by a \* in the "Initiation of Reviews" section of this notice, below. None of the parties provided any justification for their deferral request.

The Department's regulations, as set forth in 19 CFR 351.213(c)(1)(i) and (ii), provide that the Department may defer the initiation of an antidumping duty administrative review, in whole or in part, for one year if: (1) The request for review was accompanied by a request to defer the review; and (2) neither the exporter or producer for which the deferral is requested, the importer of subject merchandise from that exporter or producer, or a domestic interested party objects to the deferral. The Department received no objections to this request from any party cited in 19 CFR 351.213(c)(1)(ii).

The preamble to the Department's regulations states that the Department established the provision for deferring the initiation of an administrative review, in part, to reduce burdens on the Department.<sup>1</sup> We believe that deferring the instant review is not likely to save Departmental resources because it is likely that, in this review, as in every prior administrative review of this Thai order, the Department will find it necessary to limit the number of respondents examined.<sup>2</sup> Accordingly, even if the Department defers the administrative review for these companies, it will likely still review the

<sup>1</sup> See *Antidumping Duties; Countervailing Duties; Final Rule*, 62 FR 27296, 27317 (May 19, 1997).

<sup>2</sup> See, e.g., *Initiation of Administrative Review of the Antidumping Duty Order on Wooden Bedroom Furniture From the People's Republic of China*, 76 FR 10880, 10882 (Feb. 28, 2011).

same number of respondents, *i.e.*, the maximum number of respondents which our resources will permit. Therefore, we have not deferred the instant review for any companies requesting deferral with respect to the order on shrimp from Thailand.

## Notice of No Sales

If a producer or exporter named in this notice of initiation had no exports, sales, or entries during the period of review (POR), it must notify the Department within 60 days of publication of this notice in the **Federal Register**. All submissions must be filed electronically at <http://iaaccess.trade.gov> in accordance with 19 CFR 351.303.<sup>3</sup> Such submissions are subject to verification in accordance with section 782(i) of the Tariff Act of 1930, as amended (the Act). Further, in accordance with 19 CFR 351.303(f)(1)(i), a copy must be served on every party on the Department's service list.

## Respondent Selection

In the event the Department limits the number of respondents for individual examination for administrative reviews, the Department intends to select respondents based on U.S. Customs and Border Protection (CBP) data for U.S. imports during the POR. We intend to release the CBP data under Administrative Protective Order (APO) to all parties having an APO within seven days of publication of this initiation notice and to make our decision regarding respondent selection within 21 days of publication of this **Federal Register** notice. The Department invites comments regarding the CBP data and respondent selection within five days of placement of the CBP data on the record of the applicable review.

In general, the Department has found that determinations concerning whether particular companies should be "collapsed" (*i.e.*, treated as a single entity for purposes of calculating antidumping duty rates) require a substantial amount of detailed information and analysis, which often require follow-up questions and analysis. Accordingly, the Department will not collapse companies at the respondent selection phase unless there has been a determination to collapse certain companies in a previous segment of these antidumping proceedings (*i.e.*, investigation, administrative review, or changed circumstances review). For any

<sup>3</sup> See *Antidumping and Countervailing Duty Proceedings: Electronic Filing Procedures; Administrative Protective Order Procedures*, 76 FR 39263 (July 6, 2011).

company subject to these reviews, if the Department determined, or continued to treat, that company as collapsed with others, the Department will assume that such companies continue to operate in the same manner and will collapse them for respondent selection purposes. Parties are requested to (a) identify which companies subject to review previously were collapsed, and (b) provide a citation to the proceeding in which they were collapsed.

**Deadline for Withdrawal of Request for Administrative Review**

Pursuant to 19 CFR 351.213(d)(1), a party that has requested a review may withdraw that request within 90 days of the date of publication of the notice of initiation of the requested review. The regulation provides that the Department may extend this time if it is reasonable to do so. In order to provide parties additional certainty with respect to when the Department will exercise its discretion to extend this 90-day deadline, interested parties are advised

that the Department does not intend to extend the 90-day deadline unless the requestor demonstrates that an extraordinary circumstance has prevented it from submitting a timely withdrawal request. Determinations by the Department to extend the 90-day deadline will be made on a case-by-case basis.

**Requests for Reviews of Non-Shrimp Producers/Exporters**

In the 2011–2012 administrative review of shrimp from Thailand, the Department found that Kosamut Frozen Foods Co., Ltd. (Kosamut) and Tanaya International Co., Ltd./Tanaya Intl (collectively, Tanaya), were neither exporters nor producers of the subject merchandise, as defined in 19 CFR sections 351.213(b) and 351.102(b)(29)(i). Accordingly, we rescinded the review for these companies, pursuant to 19 CFR 351.213(d)(3).<sup>4</sup> Therefore, based upon that determination, we are not initiating an administrative review with respect to

Kosamut or Tanaya for the current POR absent specific information that the companies at issue are exporters or producers of the subject merchandise.

Moreover, in the 2012–2013 administrative review of shrimp from Thailand, GSE Lining Technology Co., Ltd. (GSE) notified the Department that it was a manufacturer of geosynthetic liners, not a producer or exporter of shrimp, and that it has never made shipments of subject merchandise to the United States.<sup>5</sup> Therefore, based upon this information, we are not initiating an administrative review with respect to GSE for the current POR.

**Initiation of Reviews**

In accordance with 19 CFR 351.221(c)(1)(i), we are initiating administrative reviews of the antidumping duty orders on shrimp from India and Thailand. We intend to issue the final results of these reviews not later than March 7, 2015.

Interested parties must submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305. On January 22, 2008, the Department published *Antidumping and Countervailing Duty Proceedings: Documents Submission Procedures; APO Procedures*, 73 FR 3634 (Jan. 22, 2008). Those procedures apply to the administrative reviews included in this notice of initiation. Parties wishing to participate in either of these administrative reviews should ensure that they meet the requirements of these procedures (e.g., the filing of separate

letters of appearance as discussed at 19 CFR 351.103(d)).

<sup>6</sup> On December 11, 2012, the Department determined that Apex Frozen Foods Private Limited is the successor-in-interest to Apex Exports. See *Final Results of Antidumping Duty Changed Circumstances Review: Certain Frozen Warmwater Shrimp From India*, 77 FR 73619 (Dec. 11, 2012).

## Revised Factual Information Requirements

On April 10, 2013, the Department published *Definition of Factual Information and Time Limits for Submission of Factual Information: Final Rule*, 78 FR 21246 (April 10, 2013), which modified two regulations related to antidumping and countervailing duty proceedings: The definition of factual information (19 CFR 351.102(b)(21)), and the time limits for the submission of factual information (19 CFR 351.301). The final rule identifies five categories of factual information in 19 CFR 351.102(b)(21), which are summarized as follows: (i) Evidence submitted in response to questionnaires; (ii) evidence submitted in support of allegations; (iii) other data or statements of facts; (iv) evidence placed on the record by the Department; and (v) evidence other than factual information described in (i)–(iv). The final rule requires any party, when submitting factual information, to specify under which subsection of 19 CFR 351.102(b)(21) the information is being submitted and, if the information is submitted to rebut, clarify, or correct factual information already on the record, to provide an explanation identifying the information already on the record that the factual information seeks to rebut, clarify, or correct. The final rule also modified 19 CFR 351.301 so that, rather than providing general time limits, there are specific time limits based on the type of factual information being submitted. These modifications are effective for all segments initiated on or after May 10, 2013. Please review the final rule, available at <http://enforcement.trade.gov/frn/2013/1304frn/2013-08227.txt>, prior to submitting factual information in these segments.

Any party submitting factual information in an antidumping duty proceeding must certify to the accuracy and completeness of that information.<sup>11</sup> Parties are hereby reminded that revised certification requirements are in effect for company/government officials as well as their representatives. All segments of any antidumping duty proceedings initiated on or after August 16, 2013, should use the formats for the revised certifications provided at the end of the *Final Rule*.<sup>12</sup> The Department

<sup>11</sup> See section 782(b) of the Act.

<sup>12</sup> See *Certification of Factual Information To Import Administration During Antidumping and Countervailing Duty Proceedings*, 78 FR 42497, 42499 (July 16, 2013). Accordingly, we are initiating this administrative review with respect to Marine Gold only for shrimp produced in Thailand where Marine Gold acted as either the manufacturer or exporter (but not both).

intends to reject factual submissions in these administrative reviews if the submitting party does not comply with applicable revised certification requirements.

## Revised Extension of Time Limits Regulation

On September 20, 2013, the Department modified its regulation concerning the extension of time limits for submissions in antidumping duty proceedings.<sup>13</sup> The modification clarifies that parties may request an extension of time limits before a time limit established under Part 351 expires, or as otherwise specified by the Secretary. In general, an extension request will be considered untimely if it is filed after the time limit established under Part 351 expires. For submissions which are due from multiple parties simultaneously, an extension request will be considered untimely if it is filed after 10:00 a.m. on the due date. Examples include, but are not limited to: (1) Case and rebuttal briefs, filed pursuant to 19 CFR 351.309; (2) rebuttal, clarification and correction filed pursuant to 19 CFR 351.301(c)(3)(iv); (3) comments concerning U.S. Customs and Border Protection data; and (4) quantity and value questionnaires. Under certain circumstances, the Department may elect to specify a different time limit by which extension requests will be considered untimely for submissions which are due from multiple parties simultaneously. In such a case, the Department will inform parties in the letter or memorandum setting forth the deadline (including a specified time) by which extension requests must be filed to be considered timely. This modification also requires that an extension request must be made in a separate, stand-alone submission, and clarifies the circumstances under which the Department will grant untimely-filed requests for the extension of time limits. These modifications are effective for all segments initiated on or after October 21, 2013. Please review the final rule, available at <http://www.gpo.gov/fdsys/pkg/FR-2013-09-20/html/2013-22853.htm>, prior to submitting factual information in these administrative reviews.

These initiations and this notice are in accordance with section 751(a) of the Act (19 U.S.C. 1675(a)) and 19 CFR 351.221(c)(1)(i).
