suits, suit-type jackets, or trousers. For worsted wool fabric with average fiber diameters greater than 18.5 microns (Harmonized Tariff Schedule of the United States (HTSUS) heading 9902.51.11), the reduction in duty is limited to 5,500,000 square meters in 2014. For worsted wool fabric with average fiber diameters of 18.5 microns or less (HTSUS heading 9902.51.15), the reduction is limited to 5,000,000 square meters in 2014. The Miscellaneous Trade Act of 2004 requires the President to ensure that such fabrics are fairly allocated to persons (including firms, corporations, or other legal entities) who cut and sew men's and boys' worsted wool suits and suit-like jackets and trousers in the United States and who apply for an allocation based on the amount of such suits cut and sewn during the prior calendar year. Presidential Proclamation 7383, of December 1, 2000, authorized the Secretary of Commerce to allocate the quantity of worsted wool fabric imports under the tariff rate quotas.

The Miscellaneous Trade Act also authorized Commerce to allocate a new HTS category, HTS 9902.51.16. This HTS refers to worsted wool fabric with average fiber diameter of 18.5 microns or less. The amendment further provides that HTS 9902.51.16 is for the benefit of persons (including firms, corporations, or other legal entities) who weave worsted wool fabric in the United States. For HTS 9902.51.16, the reduction in duty is limited to 2,000,000 square meters in 2014.

On January 22, 2001 the Department published interim regulations establishing procedures for applying for, and determining, such allocations (66 FR 6459, 15 CFR 335). These interim regulations were adopted, without change, as a final rule published on October 24, 2005 (70 FR 61363). On September 13, 2013, the Department published notices in the **Federal Register** (78 FR 56657–58) soliciting applications for an allocation of the 2014 tariff rate quotas with a closing date of October 15, 2013. The Department received timely applications for the HTS 9902.51.11 tariff rate quota from 11 firms. The Department received timely applications for the HTS 9902.51.15 tariff rate quota from 16 firms. The Department received a timely application for the HTS 9902.51.16 tariff rate quota from 1 firm. All applicants were determined eligible for an allocation. Most applicants submitted data on a business confidential basis. As allocations to firms were determined on the basis of this data, the Department considers individual firm allocations to be business confidential.

Aluminum Extrusions From the People's Republic of China: Notice of Partial Rescission of Countervailing Duty Administrative Review

AGENCY: Enforcement and Compliance, formerly Import Administration, International Trade Administration, Department of Commerce.

DATES: Effective January 15, 2014.

FOR FURTHER INFORMATION CONTACT: Kristen Johnson or Brooke Kennedy, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–4793 or (202) 482–3818, respectively.

SUPPLEMENTARY INFORMATION:

Background

On May 1, 2013, the Department of Commerce (the Department) published a notice of opportunity to request an administrative review of the countervailing duty (CVD) order on aluminum extrusions from the People's Republic of China (PRC) for the period January 1, 2012, through December 31, 2012.[1] On May 31, 2013, we received from Electrolux North America, Inc., Electrolux Home Products, Inc., and Electrolux Major Appliances (collectively, Electrolux), a domestic interested party, a request that the Department conduct an administrative review of Hong Kong Gree Electric Appliances Sales Limited (Hong Kong Gree).[2] On June 28, 2013, the

This public document and all other public documents and public versions of business proprietary documents for this administrative review are on file electronically via IA ACCESS.

Department published a notice of initiation of administrative review with respect to 153 companies.[3] On August 27, 2013, Hong Kong Gree notified the Department that it had no shipments of subject merchandise to the United States during the period of review (POR).[4] On November 8, 2013, we published a notice of intent to rescind this administrative review with respect to Hong Kong Gree, and invited interested parties to comment.[5] We received no comments, and have determined that the review of Hong Kong Gree should be rescinded.

Partial Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), the Department may rescind an administrative review, with respect to a particular exporter or producer, if the Secretary concludes that, during the period covered by the review, there were no entries, exports, or sales of the subject merchandise to the United States by that producer. Hong Kong Gree submitted a letter to the Department certifying that it had no shipments of subject merchandise to the United States during the POR. No parties commented on Hong Kong Gree's claim of no shipments.

Previously, on August 2, 2013, we released the results of a U.S. Customs and Border Protection (CBP) data query, which indicated that Hong Kong Gree had no suspended entries of subject merchandise during the POR.[6] After receipt of Hong Kong Gree's no shipment certification, we sent a ''no shipments inquiry'' message to CBP, which posted the message on September 20, 2013.[7] The Department did not receive any information from CBP contrary to Hong Kong Gree's claim of no shipments of subject merchandise to the United States during the POR.

Based on our analysis of all the information on the record, we determine that Hong Kong Gree had no shipments or entries of subject merchandise to the United States during the POR. Therefore, in accordance with 19 CFR 351.213(d)(3), and consistent with our practice,[8] we are rescinding the review for Hong Kong Gree. We will continue this administrative review with respect to those companies for which a review was requested and not subsequently withdrawn.[9]

We are issuing this notice in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: January 10, 2014.

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
