Notice of Temporary Closure of Public Lands in Mesa County, Colorado

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of temporary closure.

SUMMARY: Notice is hereby given that a temporary closure is in effect on public lands administered by the Bureau of Land Management (BLM), Grand Junction Field Office, Grand Junction, Colorado.

DATES: This temporary closure will be in effect from 12:01 a.m. (Mountain Time) on January 29, 2014 until 11:59 p.m. (Mountain Time) on January 29, 2015 or until the Authorized Officer determines adequate rehabilitation has occurred, whichever comes first.

ADDRESSES: The Grand Junction Field Office address is 2815 H Road, Grand Junction, CO 81506.

FOR FURTHER INFORMATION CONTACT: Kathryn Stevens, Grand Junction Field Office Manager, at the above address or by phone at 970-244-3000. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 800-877-8339 to contact the above individual during normal business hours. The FIRS is available 24 hours a day, seven days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: This temporary closure affects public lands burned in the Pine Ridge Fire northeast of Grand Junction in Mesa County, Colorado. The BLM originally issued a one-year temporary closure following the fire. This closure ended on July 12, 2013. A second temporary closure is required for plants to establish to stabilize soil. The public lands within the temporary closure are administered by the BLM Grand Junction Field Office. The northern boundary of the temporary closure is located at Route 7729A; the western boundary of the temporary closure is located approximately eight miles west of De Beque, Colorado; the eastern boundary of the temporary closure is located at United States Interstate 70 and the Colorado River; and the southern boundary of the temporary closure is located at Cottonwood Creek. The legal description of the affected lands is:

Colorado, Sixth Principal Meridian

T. 9 S., R. 97 W., Sections 18, 19, and 30;
T. 9 S., R. 98 W., Sections 13 to 36, inclusive;
T. 10 S., R. 98 W., Sections 1 to 3, inclusive;
T. 9 S., R. 99 W., Sections 25 and 36.

The temporary closure encompasses all public lands within the 13,920 acres burned by the fire. This temporary closure is necessary due to the potential for erosion and sedimentation in the Colorado River that could result from travel on the burned area. The fire destroyed much of the natural vegetation that held soils in place. A temporary closure of public land to motorized and mechanized vehicles within the burned area is necessary to stabilize soils, prevent erosion and protect public health and safety. An annual mix was seeded shortly after the burn to stabilize the soil. The annual seeding had very poor germination and did not successfully stabilize the soil. The burned area was seeded again with native perennials once there was snow cover on the ground. The second seeding had a much higher success rate, but the plant species need more time to establish before public use is allowed. Public use of the burned area will hamper these efforts and delay rehabilitation.

The BLM will post closure signs at main entry points to the temporary closure area. The closure notice will be posted in the Grand Junction Field Office along with maps of the affected area and other documents associated with this closure including the Environmental Assessment for the Pine Ridge Fire (DOI-BLM-CO-130-2012-0048-EA). Under the authority of Section 303(a) of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1733(a)), 43 CFR 8360.0-7 and 43 CFR 8364.1, the BLM will enforce the following rule on public land affected by the Pine Ridge Fire described as follows: You must not enter the Pine Ridge Fire Temporary Closure Area by any means of motorized or mechanized transportation.

The following persons are exempt from this order: Federal, state and local officers and employees in the performance of their official duties; members of organized rescue or firefighting forces in the performance of their official duties; and persons with written authorization from the BLM.

Any person who violates the above rule(s) and/or restriction(s) may be tried before a United States Magistrate and fined no more than \$1,000, imprisoned for no more than 12 months, or both. Such violations may also be subject to

the enhanced fines provided for by 18 U.S.C. 3571.

John Mehlhoff,

BLM Colorado Acting State Director.

A sales matrix is available on the BLM Web site at: <http://www.blm.gov/snplma>. The sale matrix provides information specific to each sale parcel such as: Legal description, physical location, encumbrances, acreage, and FMV. The FMV for each parcel is available in the sales matrix as soon as approved and no later than 30 days prior to the sale.

This proposed competitive sale is in conformance with the BLM Las Vegas Resource Management Plan and decision LD-1, approved by Record of Decision on October 5, 1998, and is in compliance with Section 203 of FLPMA. The specific proposed sale parcels covered by this notice were analyzed in the Las Vegas Valley Disposal Boundary Environmental Impact Statement and approved by Record of Decision on December 23, 2004. A parcel specific Determination of National Environmental Policy Act Adequacy document numbered DOI-BLM-NV-S010-2013-0171-DNA was prepared in connection with this Notice of Realty Action.

You may submit comments on this proposed sale to the address in the **ADDRESSES** section. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including any personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. The BLM will also publish this notice once a week for 3 consecutive weeks in the *Las Vegas Review-Journal*.

Sale procedures: Registration for oral bidding will begin at 8 a.m. Pacific Time and will end at 10 a.m. Pacific Time at the Las Vegas Field Office on the day of the sale. To participate in the competitive sale, each bidder must submit a bid guarantee deposit in the amount of \$10,000 by certified check, postal money order, bank draft, or cashier's check made payable to the Department of the Interior—Bureau of Land Management. The public sale auction will be through sealed and oral bids. Sealed bids will be opened and recorded on the sale date to determine the high bids among the qualified bids received. Sealed bids above the FMV will set the starting point for oral bidding on a parcel. Parcels that receive no qualified sealed bids will begin at the established FMV.

Sealed bid envelopes must be clearly marked on the lower front left corner with the parcel number and name of the

sale, for example: "N-XXXXX, 12-parcel SNPLMA Sale 2014." Sealed bids must include an amount not less than 20 percent of the total amount bid and the \$10,000 bid guarantee by certified check, postal money order, bank draft, or cashier's check made payable to the "Department of the Interior—Bureau of Land Management." The bid guarantee and bid deposit may be combined into one form of deposit; the bidder must specify the amounts of the bid deposit and the bid guarantee. Personal or company checks will not be accepted. The sealed bid envelope *must* contain the 20 percent bid deposit, bid guarantee, and a completed and signed "Certificate of Eligibility" form stating the name, mailing address, and telephone number of the entity or person submitting the bid. Certificate of Eligibility forms are available at the BLM Las Vegas Field Office at the address listed in the **ADDRESSES** section and on the BLM Web site at: http://www.blm.gov/nv/st/en/snplma/Land_Auctions.html. Pursuant to 43 CFR 2711.3-1(c), if two or more sealed bid envelopes containing valid bids of the same amount are received, oral bidding will start at the sealed-bid amount. If there are no oral bids on the parcel, the authorized officer will determine the winning bidder. Bids for less than the federally approved FMV will not be qualified. The BLM will send the successful bidder(s) a high bidder letter with detailed information for full payment.

All funds submitted with unsuccessful bids will be returned to the bidders or their authorized representative upon presentation of acceptable photo identification at the BLM Las Vegas Field Office or by certified mail. If the apparent high bidder so chooses, the bid guarantee may be applied towards the required deposit. Failure to submit the deposit following the close of the sale under 43 CFR 2711.3-1(d) will result in forfeiture of the bid guarantee. For bidders that offer to purchase more than one parcel, the BLM will retain the bid guarantee, and may cancel the sale of all the parcels to that bidder, if the bidder fails to submit the bid deposit on any single parcel following the sale. If an offer to purchase one parcel results in default, the BLM may retain the bid deposit and cancel the sale to that bidder. If a high bidder is unable to consummate the transaction, for any reason, the second highest bid may be considered to purchase the parcel. If there are no acceptable bids, a parcel may remain available for sale at a future date in

accordance with competitive sale procedures without further legal notice.

Federal law requires that bidders must be:

1. A citizen of the United States 18 years of age or older;
2. A corporation subject to the laws of any State or of the United States;
3. A State, State instrumentality or political subdivision authorized to hold property; or
4. An entity legally capable of conveying and holding lands or interests therein under the laws of the State of Nevada.

United States citizenship is evidenced by presenting a birth certificate, passport, or naturalization papers. Failure to submit the above requested documents to the BLM within 30 days from receipt of the high-bidder letter will result in cancellation of the sale and forfeiture of the bid deposit. The successful bidder will be allowed 180 days from the date of the sale to submit the remainder of the full purchase price.

Publication of this notice in the **Federal Register** segregates the subject lands from all forms of appropriation under the public land laws, including the mining laws. Any subsequent application will not be accepted, will not be considered as filed, and will be returned to the applicant if the notice segregates from the use applied for in the application. The segregative effect of this notice terminates upon issuance of a patent or other document of conveyance to such lands; publication in the **Federal Register** of a termination of the segregation; or 2 years after the date of this publication, whichever occurs first. The segregation period may not exceed 2 years unless extended by the BLM State Director, Nevada, in accordance with 43 CFR 2711.1–2(d) prior to the termination date.

Terms and Conditions: All minerals for the sale parcels will be reserved to the United States. The patents, when issued, will contain a mineral reservation to the United States for all minerals.

The parcels are subject to limitations prescribed by law and regulation, and certain encumbrances in favor of third parties. Prior to patent issuance, a holder of any right-of-way within the sale parcels will be given the opportunity to amend the right-of-way for conversion to a new term, including perpetuity, if applicable, or conversion to an easement. The BLM will notify valid existing right-of-way holders of record of their ability to convert their compliant rights-of-way to perpetual rights-of-way or easement. In accordance with Federal regulations at

43 CFR 2807.15, once notified, each valid holder may apply for the conversion of their current authorization.

The following numbered terms and conditions will appear on the conveyance documents for the sale parcels:

1. All minerals deposits in the lands so patented, and to it, or persons authorized by it, the right to prospect for, mine, and remove such deposits from the same under applicable law and regulations to be established by the Secretary of the Interior are reserved to the United States, together with all necessary access and exit rights.

2. A right-of-way is reserved for ditches and canals constructed by authority of the United States under the Act of August 30, 1890 (43 U.S.C. 945).

3. The parcels are subject to valid existing rights.

4. The parcels are subject to reservations for road, public utilities and flood control purposes, both existing and proposed, in accordance with the local governing entities' transportation plans.

5. An appropriate indemnification clause protecting the United States from claims arising out of the lessees/patentee's use, occupancy, or occupations on the leased/patented lands.

Pursuant to the requirements established by Section 120(h) of the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. 9620(h) (CERCLA), as amended by the Superfund Amendments and Reauthorization Act of 1988, 100 Stat. 1670, notice is hereby given that the described lands have been examined and no evidence was found to indicate that any hazardous substances have been stored for 1 year or more, nor had any hazardous substances been disposed of or released on the subject property.

No warranty of any kind, express or implied, is given by the United States as to the title, whether or to what extent the land may be developed, its physical condition, future uses, or any other circumstance or condition. The conveyance of a parcel will not be on a contingency basis. However, to the extent required by law, the parcel is subject to the requirements of Section 120(h) of the CERCLA.

Unless other satisfactory arrangements are approved in advance by the BLM authorized officer, conveyance of title will be through the use of escrow. Designation of the escrow agent will be through mutual agreement between the BLM and the prospective

patentee, and costs of escrow will be borne by the prospective patentee.

Requests for all escrow instructions must be received by the BLM Las Vegas Field Office prior to 30 days before the prospective patentee's scheduled closing date. There are no exceptions.

All name changes and supporting documentation must be received at the BLM Las Vegas Field Office 30 days from the date on the high-bidder letter by 4:30 p.m. Pacific Time. Name changes will not be accepted after that date. To submit a name change, the apparent high bidder must submit the name change in writing on the Certificate of Eligibility form to the BLM Las Vegas Field Office.

The remainder of the full bid price for the parcel must be received no later than 4:30 p.m. Pacific Time, within 180 days following the day of the sale. Payment must be submitted in the form of a certified check, U.S. postal money order, bank draft, cashier's check, or made available by electronic fund transfer made payable in U.S. dollars to the "Department of the Interior—Bureau of Land Management" to the BLM Las Vegas Field Office. Personal or company checks will not be accepted.

Arrangements for electronic fund transfer to the BLM for payment of the balance due must be made a minimum of 2 weeks prior to the payment date. Failure to pay the full bid price prior to the expiration of the 180th day will disqualify the high bidder and cause the entire 20 percent bid deposit to be forfeited to the BLM. Forfeiture of the 20 percent bid deposit is in accordance with 43 CFR 2711.3–1(d). No exceptions will be made. The BLM cannot accept the remainder of the bid price after the 180th day of the sale date.

The BLM will not sign any documents related to 1031 Exchange transactions. The timing for completion of such an exchange is the bidder's responsibility. The BLM cannot be a party to any 1031 Exchange.

In accordance with 43 CFR 2711.3–1(f), within 30 days the BLM may accept or reject any or all offers to purchase, or withdraw any parcel of land or interest therein from sale, if, in the opinion of a BLM authorized officer, consummation of the sale would be inconsistent with any law, or for other reasons as may be provided by applicable law or regulations. No contractual or other rights against the United States may accrue until the BLM officially accepts the offer to purchase and the full bid price is paid.

Upon the publication of this Notice and until the completion of this sale, the BLM is no longer accepting land use applications affecting the parcel

identified for sale. However, land use applications may be considered after the sale if the parcel is not sold. The parcel may be subject to land use applications received prior to publication of this Notice if processing the application would have no adverse effect on the marketability of title, or the FMV of the parcel. Information concerning the sale, encumbrances of record, appraisals, reservations, procedures and conditions, CERCLA, and other environmental documents that may appear in the BLM public files for the proposed sale parcels are available for review during business hours, 7:30 a.m. to 4:30 p.m. Pacific Time, Monday through Friday, at the BLM Las Vegas Field Office, except during Federal holidays.

In order to determine the FMV through appraisal, certain extraordinary assumptions and hypothetical conditions may have been made concerning the attributes and limitations of the lands and potential effects of local regulations and policies on potential future land uses. Through publication of this Notice, the BLM advises that these assumptions may not be endorsed or approved by units of local government.

It is the buyer's responsibility to be aware of all applicable Federal, State, and local government laws, regulations and policies that may affect the subject lands, including any required dedication of lands for public uses. It is also the buyer's responsibility to be aware of existing or prospective uses of nearby properties. When conveyed out of Federal ownership, the lands will be subject to any applicable laws, regulations, and policies of the applicable local government for proposed future uses. It is the responsibility of the purchaser to be aware through due diligence of those laws, regulations, and policies, and to seek any required local approvals for future uses. Buyers should also make themselves aware of any Federal or State law or regulation that may impact the future use of the property. Any land lacking access from a public road or highway will be conveyed as such, and future access acquisition will be the responsibility of the buyer.

Any comments regarding the proposed sale will be reviewed by the BLM Nevada State Director or other authorized official of the Department of the Interior, who may sustain, vacate, or modify this realty action in response to such comments. In the absence of any comments, this realty action will become the final determination of the Department of the Interior.
