DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention (CDC)

Request for Nominations of Candidates to Serve on the World Trade Center Health Program Scientific/Technical Advisory Committee (the STAC or the Committee), Centers for Disease Control and Prevention, Department of Health and Human Services

The CDC is soliciting nominations for membership on the World Trade Center (WTC) Health Program Scientific/Technical Advisory Committee (STAC).

Title I of the James Zadroga 9/11 Health and Compensation Act of 2010 (Pub. L. 111-347) was enacted on January 2, 2011, amending the Public Health Service Act (PHS Act) by adding Title XXXIII establishing the WTC Health Program within HHS (Title XXXIII of the PHS Act is codified at 42 U.S.C. 300mm to 300mm-61). Section 3302(a) of the PHS Act established the WTC Health Program Scientific/Technical Advisory Committee (STAC). The STAC is governed by the provisions of the Federal Advisory Committee Act, as amended (Pub. L. 92-463, 5 U.S.C. App.), which sets forth standards for the formation and use of advisory committees in the Executive Branch. PHS Act Section 3302(a)(1) establishes that the STAC will: Review scientific and medical evidence and make recommendations to the [WTC Program] Administrator on additional WTC Program eligibility criteria and on additional WTC-related health

conditions. Section 3341(c) of the PHS Act requires the WTC Program Administrator to also consult with the STAC on research regarding certain health conditions related to the September 11 terrorist attacks. The STAC may also be consulted on other matters related to implementation and improvement of the WTC Health Program, as outlined in the PHS Act, at the discretion of the WTC Program Administrator. In accordance with Section 3302(a)(2) of the PHS Act, the WTC Program Administrator will appoint the members of the committee, which must include at least:

- 4 occupational physicians, at least two of whom have experience treating WTC rescue and recovery workers;
- 1 physician with expertise in pulmonary medicine;
- 2 environmental medicine or environmental health specialists;
- 2 representatives of WTC responders;
- 2 representatives of certified-eligible WTC survivors;
- 1 industrial hygienist;
- 1 toxicologist;
- 1 epidemiologist; and
- 1 mental health professional.

At this time the Administrator is seeking nominations for members fulfilling the following categories:

- occupational physician with experience treating WTC rescue and recovery workers;
- representative of WTC responders;
- representative of certified-eligible WTC survivors;
- industrial hygienist;
- mental health professional.

Other members may be appointed at the discretion of the WTC Program Administrator.

A STAC member's term appointment may last 3 years. If a vacancy occurs, the WTC Program Administrator may appoint a new member who fulfills the same membership category as the predecessor. STAC members may be appointed to successive terms. The frequency of committee meetings shall be determined by the WTC Program Administrator based on program needs. Meetings may occur up to four times a year. Members are paid the Special Government Employee rate of \$250 per day, and travel costs and per diem are included and based on the Federal Travel Regulations.

Any interested person or organization may self-nominate or nominate one or more qualified persons for membership.

Nominations must include the following information:

- The nominee's contact information and current occupation or position;
- The nominee's resume or curriculum vitae, including prior or

current membership on other National Institute for Occupational Safety and Health (NIOSH), CDC, or HHS advisory committees or other relevant organizations, associations, and committees;

- The category of membership (occupational physician with experience treating WTC rescue and recovery workers, representative of WTC responders or certified-eligible WTC survivors, industrial hygienist, or mental health professional) that the candidate is qualified to represent;
- A summary of the background, experience, and qualifications that demonstrates the nominee's suitability for the nominated membership category;
- Articles or other documents the nominee has authored that indicate the nominee's knowledge and experience in relevant subject categories; and
- A statement that the nominee is aware of the nomination, is willing to regularly attend and participate in STAC meetings, and has no known conflicts of interest that would preclude membership on the Committee.

STAC members will be selected upon the basis of their relevant experience and competence in their respective categorical fields. The information received through this nomination process, in addition to other relevant sources of information, will assist the WTC Program Administrator in appointing members to serve on the STAC. In selecting members, the WTC Program Administrator will consider individuals nominated in response to this **Federal Register** notice as well as other qualified individuals.

The CDC is committed to bringing greater diversity of thought, perspective, and experience to its advisory committees. Nominees from all races, genders, ages, and persons living with disabilities are encouraged to apply. Nominees must be U.S. citizens.

Candidates invited to serve will be asked to submit the "Confidential Financial Disclosure Report," OGE Form 450. This form is used by CDC to determine whether there is a financial conflict between that person's private interests and activities and their public responsibilities as a Special Government Employee as well as any appearance of a loss of impartiality, as defined by Federal regulation. The form may be viewed and downloaded at <http://www.oge.gov/Forms-Library/OGE-Form-450-Confidential-Financial-Disclosure-Report/>. This form should not be submitted as part of a nomination.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Proposed Information Collection Activity; Comment Request

Proposed Projects

Title: Form OCSE–396–A, Child Support Enforcement Program Expenditure Report.
Form OCSE–34–A, Child Support Enforcement Program Collection Report.
OMB No.: 0970–0181.

Note: *This comment request republishes a similar request dated Dec 5, 2012.*

Description: Form OCSE–396–A and Form OCSE–34–A are financial reports submitted following the end of each fiscal quarter by grantees with an approved plan under title IV–D of the Social Security Act to administer the Child Support Enforcement Program. The purpose of these forms is to enable grantees to meet their statutory and regulatory requirement to report program expenditures and child support collections, respectively, from the previous fiscal quarter.

States use Form OCSE–396–A to report quarterly expenditures made in the previous quarter and to estimate program expenditures to be made and the incentive payments to be earned in the upcoming quarter. The Administration for Children and Families provides Federal funding to States for the Child Support

Enforcement Program at the rate of 66 percent for all allowable and legitimate administrative costs of this program.

Tribes use OMB Form SF–425 to report quarterly expenditures made in the previous quarter. Form SF–425 is not included as part of this comment request.

States and Tribes use Form OCSE–34–A to report child support collection activity during the previous quarter, including collections received, the distribution and disbursement of collections and any collections remaining undistributed.

States and Tribes have used different and separate versions of Form OCSE–34–A to report child support collection activity. As part of this comment request, we are proposing that these separate reports be combined into a single document to be submitted quarterly by both States and Tribes.

The information collected in these reports is used by this agency to calculate quarterly Federal grant awards and incentive payments to States, to enable oversight of the financial management of the program for both States and Tribes and may be included in statistical and financial reports available to the public.

Respondents: States (including Puerto Rico, Guam, the Virgin Islands and the District of Columbia) and Tribes with approved title IV–D plans.

ANNUAL BURDEN ESTIMATES

Estimated Total Annual Burden Hours: 7,568.

In compliance with the requirements of Section 506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Administration for Children and Families is soliciting public comment on the specific aspects of the information collection described above. Copies of the proposed collection of information can be obtained and comments may be forwarded by writing to the Administration for Children and Families, Office of Planning, Research and Evaluation, 370 L'Enfant Promenade SW., Washington, DC 20447, Attn: ACF Reports Clearance Officer. The Department specifically requests comments on: \(a\) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; \(b\) the accuracy of the agency's estimate of the burden of the proposed collection of information; \(c\) the quality, utility, and clarity of the information to be collected; and \(d\) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or](mailto:infocollection@</p></div><div data-bbox=)

other forms of information technology. Consideration will be given to comments and suggestions submitted within 60 days of this publication.
