Abstract: This request for OMB review asks for clearance to collect data through surveys and individual interviews that will provide a descriptive report on how grantees and subgrantees of the U.S. Department of Education's (the Department) Rural Education Achievement Program (REAP) experience various aspects of the program, including eligibility, planning, and use of funds, as well as any technical assistance needs regarding both administrative and programmatic issues. Pending clearance, the research team will administer a survey of a nationally representative sample of the approximately 6,000 total Small, Rural School Achievement (SRSA) grantees and Rural and Low-Income Schools (RLIS) subgrantees, telephone interviews of a purposively selected sample of 30 district administrators in SRSA grantee districts and RLIS subgrantee districts, and telephone interviews of REAP coordinators in all states receiving REAP funds.
