SUPPLEMENTARY INFORMATION:

A. Basis and Purpose

On April 28, 2015, we published a temporary deviation entitled “Drawbridge Operation Regulation; Lewis and Clark River, Astoria, OR” in the **Federal Register** (80 FR 23445). The temporary deviation concerned the operating schedule of the Oregon State (Lewis and Clark) highway bridge. This deviation allowed the bascule span to remain in the closed-to-navigation position to accommodate bridge maintenance activities on the bridge, and need not open to maritime traffic. This deviation from the operating regulations was authorized under 33 CFR 117.35.

B. Cancellation

ODOT made a contract agreement after the requested temporary deviation was approved. At the time of the initial request submitted by the ODOT Project Manager, the bridge construction crew was planning to work Monday through Friday. However, on April 10, 2015, ODOT and the construction company changed the working days to Tuesday through Saturday. ODOT noticed the discrepancy after reviewing the approval letter. As a result of this discrepancy, the times listed in the approved temporary deviation are incorrect.

Dated: April 29, 2015.

Steven M. Fischer,

Bridge Administrator, Thirteenth Coast Guard District.

NPRM Notice of Proposed Rulemaking

A. Regulatory History and Information

The Pierce County Sheriff Department requested that the Coast Guard establish a temporary security zone to assist in the security and safety of the 65,000 potential attendees of the U.S. Open Golf Championship event, set to take place at Chambers Bay Golf Course in South Puget Sound, University Place, WA, from June 14, 2015 through June 22, 2015. On February 11, 2015, the Coast Guard proposed to establish a temporary security zone in connection with this event by publishing a notice of proposed rulemaking (NPRM) entitled, “Security Zone, U.S. Open Golf Championship, South Puget Sound; University Place, WA” in the **Federal Register** (80 FR 7553). The Coast Guard received no comments in response to the NPRM, and received no requests for a public meeting.

B. Basis and Purpose

The legal basis for the proposed rule is 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; and Department of Homeland Security Delegation No. 0170.1, which collectively authorize the Coast Guard to establish security zones.

The Chambers Bay Golf Course, located in the city of University Place, WA and the County of Pierce, will be the host site for the U.S. Golf Association 115th Annual U.S. Open Golf Championship from June 15, 2015 through June 21, 2015. This event will have a daily attendance of approximately 65,000 people and receives international press including multiple days of live television coverage. Due to the high number of general public in attendance and press coverage, the U.S. Open Golf Championship qualifies as a significant special event that requires a security zone. Based on past incursions at similar events at Chambers Bay Golf Course, this security zone is necessary for the size detailed in the regulation section below, 24 hours a day, for the duration of the event.

The purpose of this rule is to deter and prevent potential criminal and terrorist activity against the large gathering of people at the highly publicized U.S. Open Golf Championship. This action is necessary to ensure the safety and security of participants, spectators, and event officials at the U.S. Open Golf Championship, and will do so by prohibiting any person or vessel from entering or remaining in the security
