BILLING CODE 4162–20–P

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

[Docket ID FEMA–2014–0022]

Technical Mapping Advisory Council

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Committee Management; Notice of Federal Advisory Committee Meeting.

SUMMARY: The Federal Emergency Management Agency (FEMA) Technical Mapping Advisory Council (TMAC) will meet via conference call on September 29, 2015. The meeting will be open to the public.

DATES: The TMAC will meet via conference call on Tuesday, September 29, 2015 from 10:00 a.m.–5:00 p.m., Eastern Daylight Savings Time (EDT). Please note that the meeting will close early if the TMAC has completed its business.

ADDRESSES: For access to the conference call bridge, information on services for individuals with disabilities, or to request special assistance at the meeting, contact the person listed in **FOR FURTHER INFORMATION CONTACT** below as soon as possible. Members of the public who wish to dial in for the meeting must register in advance by sending an email to FEMA-TMAC@fema.dhs.gov (attention Mark Crowell) by 11 p.m. EDT on Friday, September 18, 2015.

To facilitate public participation, members of the public are invited to provide written comments on the issues to be considered by the TMAC, as listed in the **SUPPLEMENTARY INFORMATION** section below. Associated meeting materials will be available at www.fema.gov/TMAC for review by Thursday, September 22, 2015. Written comments to be considered by the committee at the time of the meeting

must be submitted and received by Monday, September 21, 2015, identified by Docket ID FEMA–2014–0022, and submitted by one of the following methods:

- **Federal eRulemaking Portal:** <http://www.regulations.gov>. Follow the instructions for submitting comments.

- **Email:** Address the email TO: FEMA-RULES@fema.dhs.gov and CC: FEMA-TMAC@fema.dhs.gov. Include the docket number in the subject line of the message. Include name and contact detail in the body of the email.

- **Mail:** Regulatory Affairs Division, Office of Chief Counsel, FEMA, 500 C Street SW., Room 8NE, Washington, DC 20472–3100.

Instructions: All submissions received must include the words “Federal Emergency Management Agency” and the docket number for this action. Comments received will be posted without alteration at <http://www.regulations.gov>, including any personal information provided. **Docket:** For docket access to read background documents or comments received by the TMAC, go to <http://www.regulations.gov> and search for the Docket ID FEMA–2014–0022.

A public comment period will be held on September 29, 2015, from 4:00–4:30 p.m. Speakers are requested to limit their comments to no more than three minutes. The public comment period will not exceed 30 minutes. Please note that the public comment period may end before the time indicated, following the last call for comments. Contact the individual listed below to register as a speaker by close of business on Friday, September 18, 2015.

FOR FURTHER INFORMATION CONTACT: Mark Crowell, Designated Federal Officer for the TMAC, FEMA, 1800 South Bell Street Arlington, VA 22202, telephone (202) 646–3432, and email mark.crowell@fema.dhs.gov. The TMAC Web site is: <http://www.fema.gov/TMAC>.

SUPPLEMENTARY INFORMATION: Notice of this meeting is given under the Federal Advisory Committee Act, 5 U.S.C. Appendix.

As required by the *Biggert-Waters Flood Insurance Reform Act of 2012*, the TMAC makes recommendations to the FEMA Administrator on: (1) How to improve, in a cost-effective manner, the (a) accuracy, general quality, ease of use, and distribution and dissemination of flood insurance rate maps and risk data; and (b) performance metrics and

milestones required to effectively and efficiently map flood risk areas in the United States; (2) mapping standards and guidelines for (a) flood insurance rate maps, and (b) data accuracy, data quality, data currency, and data eligibility; (3) how to maintain, on an ongoing basis, flood insurance rate maps and flood risk identification; (4) procedures for delegating mapping activities to State and local mapping partners; and (5)(a) methods for improving interagency and intergovernmental coordination on flood mapping and flood risk determination, and (b) a funding strategy to leverage and coordinate budgets and expenditures across Federal agencies. Furthermore, the TMAC is required to submit an annual report to the FEMA Administrator that contains: (1) A description of the activities of the Council; (2) an evaluation of the status and performance of flood insurance rate maps and mapping activities to revise and update Flood Insurance Rate Maps; and (3) a summary of recommendations made by the Council to the FEMA Administrator.

The TMAC must also develop recommendations on how to ensure that flood insurance rate maps incorporate the best available climate science to assess flood risks and ensure that FEMA uses the best available methodology to consider the impact of the rise in sea level and future development on flood risk. The TMAC must collect these recommendations and present them to the FEMA Administrator in a future conditions risk assessment and modeling report. Further, in accordance with the *Homeowner Flood Insurance Affordability Act of 2014*, the TMAC must develop a review report related to flood mapping in support of the National Flood Insurance Program (NFIP).

Agenda: On September 29, 2015, the TMAC members will present and deliberate on draft narrative and proposed recommendations concerning (1) the flood hazard mapping process and product, and (2) future conditions methods and considerations that will be incorporated into both the 2015 Annual Report and Future Conditions Report. A brief public comment period will take place prior to the end of the meeting, and before any voting on recommendations that takes place before the full TMAC. In addition, the TMAC members will identify and coordinate next steps of TMAC report

development. The full agenda and related briefing materials will be posted for review by September 22, 2015, at <http://www.fema.gov/TMAC>.

Dated: September 4, 2015.

Roy E. Wright,

Deputy Associate Administrator for Insurance and Mitigation.

BILLING CODE 9110-12-P

DEPARTMENT OF THE INTERIOR

Fish and Wildlife Service

[FWS-R5-R-2015-N090;BAC-4311-K9-S3]

Chincoteague National Wildlife Refuge and Wallops Island National Wildlife Refuge, Accomack County, Virginia; Final Comprehensive Conservation Plan and Environmental Impact Statement

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of availability; final comprehensive conservation plan and environmental impact statement.

SUMMARY: We, the U.S. Fish and Wildlife Service, announce the availability for review of our final comprehensive conservation plan (CCP) and environmental impact statement (EIS) for Chincoteague National Wildlife Refuge (NWR, refuge) and Wallops Island NWR. The CCP/EIS describes how we propose to manage both the staffed 14,032-acre Chincoteague NWR and the unstaffed 373-acre Wallops Island NWR over the next 15 years.

DATES: We will sign a record of decision no sooner than 30 days after the publication of this notice.

ADDRESSES: You may view, obtain, or request CD-ROM copies of the final CCP/EIS by any of the following methods.

Agency Web site: Download a copy of the document at http://www.fws.gov/refuge/Chincoteague/what_we_do/conservation.html.

Email: Send requests to northeastplanning@fws.gov. Include "Chincoteague NWR" in the subject line of your email.

U.S. Mail: Thomas Bonetti, Natural Resource Planner, U.S. Fish and Wildlife Service, 300 Westgate Center Drive, Hadley, MA 01035.

In-Person Viewing or Pickup: Visit during regular business hours at refuge headquarters, 8231 Beach Road, Chincoteague Island, VA 23336.

To view comments on the final CCP-EIS from the Environmental Protection Agency (EPA), or for information on

EPA's role in the EIS process, see EPA's Role in the EIS Process under **SUPPLEMENTARY INFORMATION.**

FOR FURTHER INFORMATION CONTACT: Thomas Bonetti, Natural Resource Planner, 413-253-8307 (phone); northeastplanning@fws.gov (email).

SUPPLEMENTARY INFORMATION:

Introduction

With this notice, we continue the CCP process for Chincoteague NWR and Wallops Island NWR, which we began by publishing a notice of intent in the **Federal Register** (75 FR 57056) on September 17, 2010. For more about the initial process and the history of the refuges, see that notice. On May 15, 2014, we announced the release of the draft CCP/EIS to the public and requested comments in a notice of availability in the **Federal Register** (79 FR 27906). We subsequently extended the public comment period in another notice in the **Federal Register** (79 FR 41300) on July 15, 2014. In addition, EPA published a notice announcing the draft CCP and EIS (79 FR 29759; May 23, 2014), as required under section 309 of the Clean Air Act (CAA) (42 U.S.C. 7401 *et seq.*). We now announce the final CCP and EIS. Under the CAA, EPA also will announce the final CCP and EIS via the **Federal Register**.

EPA's Role in the EIS Process

The EPA is charged under section 309 of the Clean Air Act to review all Federal agencies' EISs and to comment on the adequacy and the acceptability of the environmental impacts of proposed actions in the EISs.

EPA also serves as the repository (EIS database) for EISs prepared by Federal agencies and provides notice of their availability in the **Federal Register**. The EIS Database provides information about EISs prepared by Federal agencies, as well as EPA's comments concerning the EISs. All EISs are filed with EPA, which publishes a notice of availability on Fridays in the **Federal Register**.

The notice of availability is the start of the 45-day public comment period for draft EISs, and the start of the 30-day "wait period" for final EISs, during which agencies are generally required to wait 30 days before making a decision on a proposed action. For more information, see <http://www.epa.gov/compliance/nepa/eisdata.html>. You may search for EPA comments on EISs, along with EISs themselves, at <https://cdxnodengn.epa.gov/cdx-enepa-public/action/eis/search>. We completed a thorough analysis of impacts on the human environment in the final CCP/EIS, and responded to public comments.

The CCP will guide us in managing and administering the refuges for 15 years. Alternative B, as we described in the final CCP/EIS, is our preferred alternative.

Background

The CCP Process

The National Wildlife Refuge System Administration Act of 1966 (16 U.S.C. 668dd-668ee) (Refuge Administration Act), as amended by the National Wildlife Refuge System Improvement Act of 1997, requires us to develop a CCP for each NWR. The purpose for developing a CCP is to provide refuge managers with a 15-year plan for achieving refuge purposes and goals and contributing to the mission of the National Wildlife Refuge System. CCPs should be consistent with sound principles of fish and wildlife management, conservation, legal mandates, and our policies, as well as respond to key issues and public concerns. In addition to outlining broad management direction on conserving wildlife and their habitats, CCPs identify wildlife-dependent recreational opportunities available to the public, including opportunities for hunting, fishing, wildlife observation and photography, and environmental education and interpretation. We will review and update the CCP at least every 15 years, in accordance with the Refuge Administration Act.

CCP/EIS Alternatives

We evaluated three alternatives for managing Chincoteague NWR and Wallops Island NWR; alternative B is our preferred alternative. Based on feedback on the draft CCP/EIS, some modifications have been made to alternative B and are summarized below. A full description of all alternatives, including changes to our preferred alternative, can be found in the final CCP/EIS at the sources identified in **ADDRESSES**.

Changes to Alternative B, the Service's Preferred Alternative

- The assigned area, consisting of the 1-mile recreational beach, associated parking, and new Visitor Contact Station, would extend south 1 more mile to the terminus of Swan Cove Trail (2 miles total), thus doubling the length of the assigned area.
- Over sand vehicles (OSV) and hiking access would continue via Beach Road across Toms Cove south to Fishing Point September 16 through March 14.
- A new 1/2-mile, OSV zone to facilitate the six priority uses (March 15 through September 15) would be
