**SUPPLEMENTARY INFORMATION:**

Throughout this document, “we,” “us” and “our” refer to the EPA. This proposal addresses the following local rules: SCAQMD Rule 1151, “Motor Vehicle and Mobile Equipment Non-Assembly Line Coating Operations,” and YSAQMD Rule 2.26, “Motor Vehicle and Mobile Equipment Coating Operations”. In the Rules and Regulations section of this **Federal Register**, we are approving these local rules in a direct final action without prior proposal because we believe these SIP revisions are not controversial. If we receive adverse comments, however, we will publish a timely withdrawal of the direct final rule and address the comments in subsequent action based on this proposed rule. Please note that if we receive adverse comment on a particular rule, we may adopt as final the rule that is not the subject of an adverse comment.

We do not plan to open a second comment period, so anyone interested in commenting should do so at this time. If we do not receive adverse comments, no further activity is planned. For further information, please see the direct final action.
