

roller bearings and parts thereof, finished and unfinished, from the People's Republic of China covering the period June 1, 2013, through May 31, 2014.¹ The Department received a number of timely requests for an antidumping duty administrative review, including one from GGB Bearing Technology (Suzhou) Co., Ltd. (GGB). On July 31, 2014, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), the Department published in the **Federal Register** a notice of initiation of administrative review.² On October 29, 2014, GGB withdrew its request for an administrative review.

Rescission of Review, in Part

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party that requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. GGB's withdrawal of its request was submitted within the 90-day period and, thus, is timely. Because GGB's withdrawal of its request for an antidumping duty administrative review is timely and because no other party requested a review of GGB, we are rescinding this administrative review, in part, with respect to this company, in accordance with 19 CFR 351.213(d)(1).

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. For GGB, the company for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the

Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751 and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Dated: February 12, 2015.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

DEPARTMENT OF DEFENSE

Office of the Secretary

[Docket ID: DoD-2014-OS-0135]

**Submission for OMB Review;
Comment Request**

ACTION: Notice.

SUMMARY: The Department of Defense has submitted to OMB for clearance, the following proposal for collection of information under the provisions of the Paperwork Reduction Act.

DATES: Consideration will be given to all comments received by March 23, 2015.

FOR FURTHER INFORMATION CONTACT: Fred Licari, 571-372-0493.

SUPPLEMENTARY INFORMATION:

Title, Associated Form and Omb Number: 2015 Survey of Registered Voters Living Overseas; OMB Control Number 0704-TBD.

Type of Request: New

Number of Respondents: 18,000

Responses per Respondent: 1

Annual Responses: 18,000

Average Burden per Response: 10 minutes

Annual Burden Hours: 3,000

Needs and Uses: The Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) requires the States to allow Uniformed Services personnel, their family members, and overseas citizens to use absentee registration procedures and to vote by absentee ballot in general, special, primary, and runoff elections for Federal offices. The Act covers members of the Uniformed Services and the merchant marine to include the commissioned corps of the National Oceanic and Atmospheric Administration and Public Health Service and their eligible dependents, Federal civilian employees overseas, and overseas U.S. citizens not affiliated with the Federal Government.

Subsequent to each Presidential election year, FVAP must report voter registration and participation rates for uniformed service voters and overseas citizens to Congress; while FVAP collects data for this report through regular surveys of uniformed service voters and other relevant UOCAVA populations, it does not currently collect data from non-military, non-government overseas civilians. The 2015 Survey of Registered Voters Living Overseas research project will serve as a pilot, examining the feasibility of collecting data from this population by surveying a sample of registered voters living overseas during the 2014 election. Collecting information from this population will also support FVAP in

its purpose of ensuring that Service members, their eligible family members and overseas citizens are aware of their right to vote and have the tools and resources to successfully do so from anywhere in the world. In addition to determining the feasibility of conducting a survey of overseas civilians, the information collected will be used for overall program evaluation, management and improvement, and to compile the congressionally-mandated report to the President and Congress.

Affected Public: Individuals or households.

Frequency: On occasion.

Respondent's Obligation: Voluntary.
