Submit both copies to the Division of Dockets Management. If you do not wish your name and contact information to be made publicly available, you can provide this information on the cover sheet and not in the body of your comments and you must identify this information as "confidential." SUPPLEMENTARY INFORMATION:

I. Background

In the **Federal Register** of November 23, 2015 (80 FR 72975), FDA published a notice of availability with a 60-day comment period for the draft guidance for industry entitled "Over-the-Counter Sunscreens: Safety and Effectiveness Data." Publication of that draft guidance was mandated by the Sunscreen Innovation Act (SIA), which also requires FDA to publish the final guidance no later than November 26, 2016.

The Agency has received a request for a 30-day extension of the comment period to provide more time for regulated industry to prepare a detailed and meaningful response to the draft guidance. FDA has considered the request and is extending the comment period for 30 days, until February 22, 2016. The Agency believes that a 30-day extension will allow adequate time for interested persons to submit comments without compromising timely publication of the final guidance as mandated by the SIA.

II. Electronic Access

Persons with access to the Internet may obtain the draft guidance at either <http://www.fda.gov/Drugs/GuidanceComplianceRegulatoryInformation/Guidances/default.htm> or <http://www.regulations.gov>.
