The area described for Dixie Valley
 Training Area aggregates 68,804.44 acres in
 Churchill County.

Jurisdiction for the decision on this
 withdrawal proposal lies with the
 Secretary of the Interior, or an
 appropriate member of the Office of the
 Secretary, pursuant to Section 204 of
 FLPMA.

The BLM's withdrawal petition/
 application and the records relating to
 the petition/application can be
 examined at the BLM Carson City
 District Office, 5665 Morgan Mill Road,
 Carson City, Nevada 89701, during
 regular business hours (7:30 a.m., to
 4:30 p.m.), Monday through Friday,
 except Federal holidays.

A copy of the legal descriptions and
 the maps depicting the lands proposed
 withdrawal for land management
 evaluation purposes are available for
 public inspection at the following
 offices:

State Director, BLM Nevada State
 Office, 1430 Financial Boulevard, Reno,
 Nevada 89502

District Manager, BLM Carson City
 District Office, 5665 Morgan Mill Road,
 Carson City, Nevada 89701

For a period until August 2, 2018 all
 persons who wish to submit comments,
 suggestions, or objections in connection
 with the proposed withdrawal may
 present their comments in writing to the
 persons and offices listed in the
ADDRESSES section above.

All comments received will be
 considered before any final action is
 taken on the proposed withdrawal.

For the proposed 4-year withdrawal
 for LME purposes, the BLM is the lead
 agency for NEPA compliance and with
 this Notice invites public review of the
 EA. Because of the nature of a
 withdrawal of public lands from
 operation of the public land laws,
 including the mining laws, the mineral
 leasing laws, and the geothermal leasing
 laws, for land management evaluation
 purposes, subject to valid existing
 rights, where the purpose of the
 withdrawal is to maintain the *status quo*
 of the lands, mitigation of the
 withdrawal's effects is not likely to be

an issue requiring detailed analysis.
 However, consistent with Council on
 Environmental Quality regulations
 implementing NEPA (40 CFR 1502.14),
 the BLM will consider whether and
 what kind of mitigation measures may
 be appropriate to address the reasonably
 foreseeable impacts to resources from
 the approval of this proposed
 withdrawal for land management
 evaluation purposes.

You may submit comments on the EA
 for LME purposes in writing to the BLM
 using one of the methods listed in the
ADDRESSES section above. To be most
 helpful, you should submit comments
 by the date specified in the **DATES**
 section above. The BLM will use this
 NEPA public participation process to
 help satisfy the public involvement
 requirements under Section 106 of the
 National Historic Preservation Act
 (NHPA) (16 U.S.C. 470(f)) pursuant to
 36 CFR 800.2(d)(3). The information
 about historic and cultural resources
 within the area potentially affected by
 the proposed withdrawal for LME
 purposes will assist the BLM in
 identifying and evaluating impacts to
 such resources in the context of both
 NEPA and Section 106 of the NHPA.

Comments including names and street
 addresses of respondents will be
 available for public review at the BLM
 address noted above, during regular
 business hours Monday through Friday,
 except Federal holidays. Before
 including your address, phone number,
 email address, or other personally
 identifiable information in your
 comment, you should be aware that
 your entire comment—including your
 personally identifiable information—
 may be publicly available at any time.
 While you can ask the BLM in your
 comment to withhold your personally
 identifiable information from public
 review, we cannot guarantee that we
 will be able to do so.

As the public land referenced in this
 Notice have already been segregated as
 described, licenses, permits, cooperative
 agreements, or discretionary land use
 authorizations may be allowed during
 the segregative period, but only with the
 approval of the authorized officer and,
 as appropriate, with the concurrence of
 the DON.

The proposed withdrawal will be
 processed in accordance with the
 regulations set forth in 43 CFR part
 2300.

Authority: 43 CFR 2310.3-1

Michael C. Courtney,
 Acting State Director, Nevada.

BILLING CODE 4310-HC-P

DEPARTMENT OF THE INTERIOR

National Park Service

[NPS-WASO-ANRSS-24195;
 PPWONRADE2, PMP00E105.YP0000]

Notice of Availability of the Saline Valley Warm Springs Draft Environmental Impact Statement at Death Valley National Park, California and Nevada

AGENCY: National Park Service, Interior.
ACTION: Notice of Availability.

SUMMARY: The National Park Service
 (NPS) announces the availability of the
 Saline Valley Warm Springs Draft
 Management Plan and Environmental
 Impact Statement (plan/DEIS).

DATES: The NPS will accept comments
 on the plan/DEIS for a period of 60 days
 following publication of the
 Environmental Protection Agency's
 (EPA) Notice of Availability of the plan/
 DEIS in the **Federal Register**. After the
 EPA Notice of Availability is published,
 the NPS will schedule public meetings
 to be held during the comment period.
 Dates, times, and locations of these
 meetings will be announced in press
 releases and on the plan/DEIS website
 for the project at [http://
 parkplanning.nps.gov/SalineValley
 WarmSprings](http://parkplanning.nps.gov/SalineValleyWarmSprings).

ADDRESSES: You may send comments by
 any of the following methods:

- *NPS Planning, Environment and
 Public Comment website:* [http://
 parkplanning.nps.gov/SalineValley
 WarmSprings](http://parkplanning.nps.gov/SalineValleyWarmSprings).
- *Mail or Hand Delivery:*

Superintendent Mike Reynolds, Death
 Valley National Park, Death Valley
 National Park, P.O. Box 579, Death
 Valley, CA 92328.

For detailed instructions on sending
 comments and additional information,
 see the "Public Participation" and
 "How to Comment" heading of the
SUPPLEMENTARY INFORMATION section of
 this document.

FOR FURTHER INFORMATION CONTACT:
 Please contact Superintendent Mike
 Reynolds, Death Valley National Park,
 Death Valley National Park, P.O. Box
 579, Death Valley, CA 92328, or by
 telephone at 760-786-3243. Information
 is available online for public review at
[http://parkplanning.nps.gov/Saline
 ValleyWarmSprings](http://parkplanning.nps.gov/SalineValleyWarmSprings).

SUPPLEMENTARY INFORMATION: This
 process is being conducted pursuant to
 the National Environmental Policy Act
 of 1969 (42 U.S.C. 4321 *et seq.*) and the
 regulations of the Department of the
 Interior (43 CFR part 46). The purpose
 of this plan/DEIS is to develop a

management strategy for the Saline Valley Warm Springs area that will complement the Death Valley National Park General Management Plan (GMP). This plan/DEIS is being developed in cooperation with the Timbisha Shoshone Tribe, Inyo County, and the Bureau of Land Management.

Saline Valley is a large desert valley located in the northwest portion of Death Valley National Park. The National Park Service has defined the warm springs area of Saline Valley as approximately 100 acres of back country surrounded by wilderness. It has not been formally or systematically developed for use by the National Park Service but does have a number of user developed and maintained structures and facilities.

The plan/DEIS is intended to provide a framework at the Saline Valley Warm Springs area for: natural and cultural resources management; administration and operations; and managing visitor use. It is intended to provide guidance for Death Valley National Park managers as they work with various stakeholders and promote the partnership between the park and the Timbisha Shoshone Tribe to ensure the Saline Valley Warm Springs area is protected and enhanced by cooperative activities.

Action is needed to implement the GMP and address visitor use and development at the Saline Valley Warm Springs area. Past visitors of the warm springs area have altered the natural aspect of the area through diversion of water from the natural warm springs and through construction of soaking tubs and other amenities. The warm springs area is also part of the Timbisha Shoshone Natural and Cultural Preservation Area, and the ethnographic uses by the Tribe and recreational uses by other visitors can be in conflict.

This plan/DEIS evaluates the impacts of the no-action alternative (Alternative 1) and four action alternatives (Alternatives 2, 3, 4, and 5).

Alternative 1 would continue existing management practices and assume no new management actions would be implemented beyond those available at the outset of this planning process. The users, with help from the volunteer camp hosts, would continue to informally oversee the recreational uses of the warm springs area and visitors would continue to be able to use the Chicken Strip airstrip, soaking tubs and associated facilities as they currently exist.

Under all action alternatives, the park would enforce existing laws and policies and continue to cooperatively manage the area with the Timbisha Shoshone Tribe pursuant to the

Timbisha Shoshone Homeland Act of 2000. The NPS could create a no cost registration for all overnight guests. In addition, each action alternative includes some type of fencing, dependent on archeology surveys and consultation, as a means of excluding feral burros from the source springs.

Under Alternative 2, the NPS would retain much of the existing use of the warm springs but bring the actions and conditions into compliance with NPS, state, and federal regulations. The NPS would consult with the Office of Public Health to develop an approach for water quality monitoring, add signs at sinks to inform visitors of non-potable water, add filtration systems for discharged water at the dishwashing stations, and make the facilities accessible to the extent possible. The NPS would also take steps to restore the natural and cultural environments of the warm springs by controlling nonnative plant species, removing user-created fire rings, and requiring visitors to haul out ash and charcoal.

Alternative 3 aims to involve user groups more formally in the cooperative management of the area. The user groups would be engaged through agreements to identify and carry out many of the actions needed to protect natural and cultural resources, protect human health and safety, and maintain visitor facilities. This alternative would employ the same human and health and safety measures as alternative 2 and would involve the installation of artistic fences to protect areas from feral burros. Increased resource protection measures would be implemented including additional nonnative vegetation control, the potential use of food storage boxes, and removing the diversion piping from Burro Spring. Camping would be restricted to designated camping areas and no camping would be allowed within 200 feet of the source springs or Chicken Strip.

Under alternative 4, the NPS would restore the warm springs, as closely as possible, to a natural condition with minimal or no development. Tubs and associated infrastructure would be removed, as would dishwashing stations, showers, vehicle support facilities, airstrip, and vault toilets. Dispersed camping could continue but no camping would be allowed within 200 feet of all water sources. The park would remove nonnative plants and restore native habitats, in addition to installing fencing around warm springs area at the wilderness boundary to prevent access by feral burros.

Alternative 5, the preferred alternative, seeks to encourage cooperative management between the

park and user groups while protecting natural and cultural resources and allowing for continued recreational visitor use. Alternative 5 is the same as alternative 3 except for several aspects. Under alternative 5, camping would be allowed at the Chicken Strip airstrip and additional tiedowns could be added. Visitors that camp at the airstrip would be required to pack out their waste, unlike alternative 3. Under alternative 5, the park would not consider the installation of food storage boxes for storage of visitors' food items. Instead, the park would encourage proper storage of food through on-site and online education, the same as alternative 2. Unlike alternative 3, which proposes to install artistic wood fencing to enclose soaking tubs, source springs and riparian areas, this alternative would install fencing around the entire developed warm springs area, dependent on archeology surveys and consultation. This would prevent feral burro access to water sources, vegetation, and campsites while protecting archeological resources along the wilderness boundary.

Public Participation: After the Environmental Protection Agency's Notice of Availability is published, the NPS will schedule public meetings to be held during the comment period near the park. Dates, times, and locations of these meetings will be announced in press releases and on the NPS Planning, Environment, and Public Comment website for the Draft EIS at <http://parkplanning.nps.gov/SalineValleyWarmSprings>.

How to Comment: You are encouraged to comment on the plan/DEIS online at <http://parkplanning.nps.gov/SalineValleyWarmSprings>. You may also mail or hand-deliver your written comments to Superintendent Mike Reynolds, Death Valley National Park, Death Valley National Park, P.O. Box 579, Death Valley, CA 92328. Written comments will also be accepted during scheduled public meetings discussed above. Comments will not be accepted by fax, email, or by any method other than those specified above. Bulk comments in any format (hard copy or electronic) submitted on behalf of others will not be accepted. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we

cannot guarantee that we will be able to do so.

Dated: January 30, 2018.

Martha Lee,

Acting Regional Director, Pacific West.

National Register of Historic Places; Notification of Pending Nominations and Related Actions

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: The National Park Service is soliciting comments on the significance of properties nominated before April 21, 2018, for listing or related actions in the National Register of Historic Places.

DATES: Comments should be submitted by May 21, 2018.

ADDRESSES: Comments may be sent via U.S. Postal Service and all other carriers to the National Register of Historic Places, National Park Service, 1849 C St. NW, MS 7228, Washington, DC 20240.

SUPPLEMENTARY INFORMATION: The properties listed in this notice are being considered for listing or related actions in the National Register of Historic Places. Nominations for their consideration were received by the National Park Service before April 21, 2018. Pursuant to Section 60.13 of 36 CFR part 60, written comments are being accepted concerning the significance of the nominated properties under the National Register criteria for evaluation.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
