

proposed changes would encourage competition, including by attracting additional liquidity to the Exchange, which would continue to make the Exchange a more competitive venue for, among other things, order execution and price discovery. The Exchange does not believe that the proposed change would impair the ability of any market participants or competing order execution venues to maintain their competitive standing in the financial markets. Further, the incentive would be available to all similarly-situated participants, and, as such, the proposed change would not impose a disparate burden on competition either among or between classes of market participants and may, in fact, encourage competition. The Exchange notes that the proposed rule change merely modifies existing posting tiers that offer additional credits to OTPs that (opt to) meet certain volume thresholds. The proposed change does not impose any new burden or requirement on OTPs, as achieving the modified tiers is voluntary (*i.e.*, an OTP that does not seek to achieve additional credits by meeting the modified volume thresholds has no obligation to do so).

The Exchange notes that it operates in a highly competitive market in which market participants can readily favor competing venues. In such an environment, the Exchange must continually review, and consider adjusting, its fees and credits to remain competitive with other exchanges. For the reasons described above, the Exchange believes that the proposed rule change reflects this competitive environment.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)¹⁰ of the Act and subparagraph (f)(2) of Rule 19b-4¹¹ thereunder, because it establishes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if

it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹² of the Act to determine whether the proposed rule change should be approved or disapproved.

[Release No. 34-83781; File No. SR-FINRA-2018-027]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend FINRA Rule 9000 Series (Code of Procedure) To Reflect an Internal Reorganization of FINRA's Enforcement Operations

August 6, 2018.

¹¹ 17 CFR 240.19b-4(f)(2).

¹² 15 U.S.C. 78s(b)(2)(B).

¹³ 17 CFR 200.30-3(a)(12).

(“Act”)¹ and Rule 19b–4 thereunder,² notice is hereby given that on August 3, 2018, Financial Industry Regulatory Authority, Inc. (“FINRA”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by FINRA. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to make technical and other non-substantive changes to FINRA Rule 9000 Series (Code of Procedure) (“the Code”) to reflect an internal reorganization of FINRA’s enforcement operations to create a single Department of Enforcement.

The text of the proposed rule change is available on FINRA’s website at <http://www.finra.org>, at the principal office of FINRA and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

In March 2017, FINRA launched FINRA360, a comprehensive self-evaluation and organizational improvement initiative to ensure that FINRA is operating as an optimally effective self-regulatory organization, working to protect investors and promote market integrity in a manner that supports strong and vibrant capital markets. In connection with this ongoing initiative, FINRA has sought feedback from its members, as well as investors, investor advocates, regulators, trade associations and FINRA employees. FINRA has analyzed the feedback received from these

stakeholders and as a result has made significant changes across the organization.³

Until last summer, FINRA had two distinct enforcement teams. One enforcement group that was historically part of the Department of Market Regulation handled disciplinary actions related to trading-based matters found through Market Regulation’s surveillance and examination programs; and a separate enforcement group handled cases referred from other regulatory oversight divisions including Member Regulation, Corporate Financing, the Office of Fraud Detection and Market Intelligence, and Advertising Regulation. As part of FINRA360, stakeholders raised concerns that these dual programs sometimes resulted in duplication of effort and inconsistency of results. As a result, in July 2017, FINRA announced its plan to consolidate its existing enforcement functions into a unified Department of Enforcement. On July 26, 2018, FINRA announced that it had completed the final phase of this consolidation.⁴ The unified structure is intended to improve FINRA’s ability to streamline investigations, share information, enhance consistency and maximize resources to protect investors and the markets.

The proposed rule change would make technical and other non-substantive changes to the Code to reflect the single Department of Enforcement. The proposed changes would therefore remove references to the Market Regulation department, its head and employees from the Code where those references reflect the previously separate Market Regulation enforcement function.

FINRA has filed the proposed rule change for immediate effectiveness and has requested that the SEC waive the requirement that the proposed rule change not become operative for 30 days after the date of the filing, so FINRA can implement the proposed rule change immediately.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁵ which requires, among other things, that FINRA rules must be designed to

prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. FINRA believes that the proposed rule change will provide clarity to members and the public by reflecting throughout the Code the now unified FINRA Department of Enforcement.

B. Self-Regulatory Organization’s Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change brings clarity and consistency to FINRA rules without adding any burden on firms.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁶ and Rule 19b–4(f)(6) thereunder.⁷

A proposed rule change filed under Rule 19b–4(f)(6)⁸ normally does not become operative for 30 days after the date of its filing. However, pursuant to Rule 19b–4(f)(6)(iii),⁹ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. FINRA has requested that the Commission waive the 30-day operative delay so that the internal reorganization of FINRA’s enforcement operations can immediately be reflected in the Code. Because waiver of the operative delay would increase transparency and accuracy of the Code, the Commission

⁶ 15 U.S.C. 78s(b)(3)(A).

⁷ 17 CFR 240.19b–4(f)(6). In addition, Rule 19b–4(f)(6) requires FINRA to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. FINRA has satisfied this requirement.

believes that waiver of the operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the operative delay and designates the proposal as operative upon filing.¹⁰

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to amend the Silexx Fees Schedule to introduce a waiver of Login ID fees for the first month for new users of any of the Silexx platforms and eliminate obsolete language.

The platform also provides users with the ability to maintain an electronic audit trail and provide detailed trade reporting. In addition, Silexx offers other functionality such as access to crossing orders tickets, equity order reports, and market data feeds (for specific fees). Use of Silexx is completely optional.

Login IDs

Platform Login IDs may be purchased for different versions of the platform, including Basic, Pro, Sell-Side, Pro Plus

³ The platform also permits users to submit orders for commodity futures, commodity options and other non-security products to be sent to designated contract markets, futures commission merchants, introducing brokers or other applicable destinations of the users' choice.
