

Because it increases recipients' flexibility in how they apply the statutory three percent administrative cost cap, Treasury believes this final rule is an Executive Order 13771 deregulatory action. In accordance with Executive Order 12866, as supplemented by Executive Order 13563, OMB has designated this rule as a significant regulatory action and has reviewed this final rule. This final rule finalizes without significant change the proposed rule discussed above.

C. Congressional Review Act

The Congressional Review Act (5 U.S.C. 801 *et seq.*) generally provides that before a rule may take effect, the agency promulgating the rule must submit a rule report, which includes a copy of the rule, to each House of the Congress and to the Comptroller General of the United States. A major rule cannot take effect until 60 days after it is published in the **Federal Register**. This action is not a "major rule" as defined by 5 U.S.C. 804(2) and will become effective 30 days after publication.

D. Catalog of Federal Domestic Assistance

The affected program for Treasury is listed in the Catalog of Federal Domestic Assistance under 21.015, Resources and Ecosystems Sustainability, Tourist Opportunities, and Revived Economies of the Gulf Coast States. The affected programs for the Council are listed under 87.051, and 87.052, for its Comprehensive Plan and Spill Impact Components, respectively.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires federal agencies to assess the effects of their regulatory actions. In particular, the Unfunded Mandates Reform Act addresses actions that may result in the expenditure by a state, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Treasury believes that because this final rule will not result in an aggregate expenditure by a state, local, or tribal government, or by the private sector of \$100,000,000 or more, the Unfunded Mandates Reform Act does not require an analysis of this final rule.

For the reasons set forth herein, the Department of the Treasury amends 31 CFR part 34 to read as follows:

PART 34—RESOURCES AND ECOSYSTEMS SUSTAINABILITY, TOURIST OPPORTUNITIES, AND REVIVED ECONOMIES OF THE GULF COAST STATES

- 1. The authority citation continues to read as follows:

Authority: 31 U.S.C. 301; 31 U.S.C. 321; 33 U.S.C. 1251 *et seq.*

- 2. Amend § 34.204 by revising paragraph (a) to read as follows:

§ 34.204 Limitations on administrative costs and administrative expenses.

(a)(1) Of the amounts received by a Gulf Coast State, coastal political subdivision, or coastal zone parish from Treasury under the Direct Component, or from the Council under the Comprehensive Plan Component or Spill Impact Component, not more than three percent may be used for administrative costs. The three percent limit on administrative costs may be applied to the total amount of funds received by a recipient under each of the three components either on a grant-by-grant basis or on an aggregate basis. For the latter method, amounts used for administrative costs under each of the three components may not at any time exceed three percent of the aggregate of:

(i) The amounts received under a component by a recipient, beginning with the first grant through the most recent grant, and

(ii) The amounts in the Trust Fund that are allocated to, but not yet received under such component by a Gulf Coast State, coastal political subdivision, or coastal zone parish under § 34.103, consistent with the definition of administrative costs in § 34.2.

(2) The three percent limit does not apply to the administrative costs of subrecipients. All recipient and subrecipient costs are subject to the cost principles in Federal laws and policies on grants.

(3) Treasury will conduct a retrospective analysis of this provision no later than seven years after the date it becomes effective. This review will consider whether the revision ensures that the Gulf Coast States, coastal political subdivisions, and coastal zone parishes have the necessary funding to efficiently and effectively oversee and manage projects and programs for ecological and economic restoration of the Gulf Coast Region while ensuring

compliance with the statutory three percent administrative cost cap.

Allotments for Child and Spousal Support

AGENCY: Office of the Under Secretary of Defense (Comptroller), DoD.

ACTION: Final rule.

SUMMARY: This final rule removes DoD's regulation that relates to allotments for child and spousal support because it duplicates DoD's internal policy on statutorily required child or child and spousal support allotments that cover members of the Military Services on extended active duty. This internal policy is located in the DoD Financial Management Regulation, Volume 7A, Chapter 41 "Garnishments and Other Involuntary Allotments."

DATES: This rule is effective on April 3, 2019.

FOR FURTHER INFORMATION CONTACT: Kellie Allison at 703–614–0410.

SUPPLEMENTARY INFORMATION: It has been determined that publication of this CFR part removal for public comment is impracticable, unnecessary, and contrary to public interest since it is based on removing DoD internal policies and procedures that are publically available on the Department's website.

DoD internal guidance will continue to be published in DoD's Financial Management Regulation, Volume 7A, Chapter 41, available at http://comptroller.defense.gov/Portals/45/documents/fmr/archive/07aarch/07a_41_Dec10.pdf.

Removal of this part does not reduce burden or costs to the public as it will not change how notification is provided under Volume 7A, Chapter 41. This rule is not significant, therefore the requirements of Executive Order 13771, "Reducing Regulation and Controlling Regulatory Costs," do not apply.
