

SUMMARY: This action withdraws the FAA's interpretation of the special rule for model aircraft. That interpretation no longer is valid or necessary because Congress repealed the special rule for model aircraft.

DATES: The interpretation published on June 25, 2014 (79 FR 36172) is withdrawn as of April 11, 2019.

FOR FURTHER INFORMATION CONTACT: Jonathan W. Cross, Regulations Division, Office of the Chief Counsel, Federal Aviation Administration, 800 Independence Avenue SW, Washington, DC 20591; telephone 202-267-7173; email: jonathan.cross@faa.gov.

SUPPLEMENTARY INFORMATION: Section 336 of the FAA Modernization and Reform Act of 2012 (FMRA) established the special rule for model aircraft (Pub. L. 112-95, Feb. 14, 2012). On June 25, 2014, the FAA published an interpretation of that special rule with a request for comments (79 FR 36172). The interpretation clarified, among other things, that: (1) Model aircraft must satisfy all criteria of section 336(a) to qualify as model aircraft and be exempt from future FAA rulemaking; and (2) the FAA retains enforcement authority against operators who endanger the safety of the national airspace system. The FAA received more than 18,000 comments from organizations and individuals to the interpretation.

Section 349 of the FAA Reauthorization Act of 2018 repealed section 336 of FMRA and replaced it with a new exception to conduct limited recreational operations of unmanned aircraft without FAA certification or operating authority (Pub. L. 115-254, Oct. 5, 2018).

As a result of the repeal of the special rule for model aircraft, the FAA's June 25, 2014, interpretation is no longer valid or necessary. Accordingly, the FAA is withdrawing the interpretation. Because that interpretation is withdrawn, the FAA will take no further action to respond to any comments to the interpretation.

Issued in Washington, DC, on March 12, 2019.

Daniel K. Elwell,

Acting Administrator.

Revisions to the Unverified List (UVL)

AGENCY: Bureau of Industry and Security, Commerce.

ACTION: Final rule.

SUMMARY: The Bureau of Industry and Security (BIS) is amending the Export Administration Regulations (EAR) by adding fifty (50) persons to the Unverified List (“UVL”), removing ten (10) persons, and adding an additional address for one (1) person currently listed on the UVL. The fifty persons are added to the UVL on the basis that BIS could not verify their *bona fides* because an end-use check could not be completed satisfactorily for reasons outside the U.S. Government's control. BIS is adding a new address for one person as BIS has determined that this person is receiving exports from the United States at an additional address.

DATES: *This rule is effective:* April 11, 2019.

FOR FURTHER INFORMATION CONTACT: Kevin Kurland, Director, Office of Enforcement Analysis, Bureau of Industry and Security, Department of Commerce, Phone: (202) 482-4255 or by email at UVLRequest@bis.doc.gov.

SUPPLEMENTARY INFORMATION:

Background

The Unverified List, found in Supplement No. 6 to Part 744 to the EAR, contains the names and addresses of foreign persons who are or have been parties to a transaction, as that such parties are described in § 748.5 of the EAR, involving the export, reexport, or transfer (in-country) of items subject to the EAR, and whose *bona fides* (i.e., legitimacy and reliability relating to the end use and end user of items subject to the EAR) BIS has been unable to verify through an end-use check. BIS may add persons to the UVL when BIS or federal officials acting on BIS's behalf have been unable to verify a foreign person's *bona fides* because an end-use check, such as a pre-license check (PLC) or a post-shipment verification (PSV), cannot be completed satisfactorily for such purposes for reasons outside the U.S. Government's control.

There are occasions where, for a number of reasons, end-use checks cannot be completed. These include reasons unrelated to the cooperation of the foreign party subject to the end-use check. For example, BIS sometimes initiates end-use checks and cannot find a foreign party at the address indicated on export documents and cannot locate the party by telephone or email. Additionally, BIS sometimes is unable to conduct end-use checks when host government agencies do not respond to requests to conduct end-use checks, are prevented from scheduling such checks by a party to the transaction other than the foreign party that is the proposed subject of the end-use check, or refuse to schedule them in a timely manner. Under these circumstances, although BIS has an interest in informing the public of its inability to verify the foreign party's *bona fides*, there may not be sufficient information to add the foreign person at issue to the Entity List under § 744.11 of the EAR (Criteria for revising the Entity List). In such circumstances, BIS may add the foreign person to the UVL.

Furthermore, BIS sometimes conducts end-use checks but cannot verify the *bona fides* of a foreign party. For example, BIS may be unable to verify *bona fides* if during the conduct of an end-use check a recipient of items subject to the EAR is unable to produce those items for visual inspection or provide sufficient documentation or other evidence to confirm the disposition of those items. The inability of foreign persons subject to end-use checks to demonstrate their *bona fides* raises concerns about the suitability of such persons as participants in future exports, reexports, or transfers (in-

country) of items subject to the EAR and indicates a risk that such items may be diverted to prohibited end uses and/or end users. However, BIS may not have sufficient information to establish that such persons are involved in activities described in parts 744 or 746 of the EAR, preventing the placement of the persons on the Entity List. In such circumstances, the foreign persons may be added to the Unverified List.

As provided in § 740.2(a)(17) of the EAR, the use of license exceptions for exports, reexports, and transfers (in-country) involving a party or parties to the transaction who are listed on the UVL is suspended. Additionally, under § 744.15(b) of the EAR, there is a requirement for exporters, reexporters, and transferors to obtain (and keep a record of) a UVL statement from a party or parties to the transaction who are listed on the UVL before proceeding with exports, reexports, and transfers (in-country) to such persons, when the exports, reexports and transfers (in-country) are not subject to a license requirement.

Requests for removal of a UVL entry must be made in accordance with § 744.15(d) of the EAR. Decisions regarding the removal or modification of UVL listings will be made by the Deputy Assistant Secretary for Export Enforcement, based on a demonstration by the listed person of its *bona fides*.

Changes to the EAR

Supplement No. 6 to Part 744 (“the Unverified List” or “UVL”)

This rule adds fifty (50) persons to the UVL by amending Supplement No. 6 to Part 744 of the EAR to include their names and addresses. BIS adds these persons in accordance with the criteria for revising the UVL set forth in § 744.15(c) of the EAR. The new entries consist of thirty-seven persons located in China, six in Hong Kong, four in the United Arab Emirates, two in Malaysia, and one in Indonesia. Each listing is grouped within the UVL by country with each party’s name(s) listed in alphabetical order under the country; each entry includes available alias(es) and address(es), as well as the **Federal Register** citation and the date the person was added to the UVL. The UVL is included in the Consolidated Screening List, available at www.export.gov.

This rule also adds one additional address for one person currently listed on the UVL, Ling Ao Electronic Technology Co. Ltd, a.k.a. Voyage Technology (HK) Co., Ltd., a.k.a. Xuan Qi Technology Co. Ltd., as BIS has determined that this person is receiving exports from the United States at an

additional address. Further, this rule fixes minor typographical errors in two of the existing addresses for the same company.

Finally, this rule removes ten persons from the UVL. BIS is removing these persons pursuant to information received by BIS pursuant to § 744.15(d) of the EAR and further review conducted by BIS. This final rule implements the decision to remove the following three persons located in China, one person located in Finland, five persons located in Russia, and one person located in the United Arab Emirates from the UVL:

Export Control Reform Act of 2018

On August 13, 2018, the President signed into law the John S. McCain National Defense Authorization Act for Fiscal Year 2019, which included the Export Control Reform Act of 2018 (ECRA) (Title XVII, Subtitle B of Pub. L. 115–232) that provides the legal basis for BIS’s principal authorities and serves as the authority under which BIS issues this rule. As set forth in Section 1768 of ECRA, all delegations, rules, regulations, orders, determinations, licenses, or other forms of administrative action that have been made, issued, conducted, or allowed to become effective under the Export Administration Act of 1979 (50 U.S.C. 4601 *et seq.*) (as in effect prior to August 13, 2018, and as continued in effect pursuant to the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*) and Executive Order 13222 of August 17, 2001, 3 CFR, 2001 Comp., p. 783 (2002), as amended by Executive Order 13637 of March 8, 2013, 78 FR 16129 (March 13, 2013), and as extended by the Notice of August 8, 2018, 83 FR 39871 (August 13, 2018)), or the Export Administration Regulations, and are in effect as of August 13, 2018, shall continue in effect according to their terms until modified, superseded, set aside, or revoked under the authority of ECRA.

Rulemaking Requirements

1. Executive Orders 13563 and 12866 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rule has not been designated a “significant regulatory action,” under section 3(f) of Executive Order 12866. This rule is not

an Executive Order 13771 regulatory action because this rule is not significant under Executive Order 12866.

2. Pursuant to Section 1762 of the Export Control Reform Act of 2018 (Title XVII, Subtitle B of Pub. L. 115–232), which was included in the John S. McCain National Defense Authorization Act for Fiscal Year 2019, this action is exempt from the Administrative Procedure Act (5 U.S.C. 553) requirements for notice of proposed rulemaking, opportunity for public participation and delay in effective date. The analytical requirements of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) are not applicable because no general notice of proposed rulemaking was required for this action. Accordingly, no regulatory flexibility analysis is required, and none has been prepared.

3. Notwithstanding any other provision of law, no person is required to respond to, nor is subject to a penalty for failure to comply with, a collection of information, subject to the requirements of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) (PRA), unless that collection of information displays a currently valid Office of Management and Budget (OMB) Control Number. This regulation involves collections previously approved by OMB under the following control numbers: 0694–0088, 0694–0122, 0694–0134, and 0694–0137.

This rule slightly increases public burden in a collection of information approved by OMB under control number 0694–0088, which authorizes, among other things, export license applications. The removal of license exceptions for listed persons on the Unverified List will result in increased license applications being submitted to BIS by exporters. Total burden hours associated with the Paperwork Reduction Act and OMB control number 0694–0088 are expected to increase minimally, as the suspension of license exceptions will only affect transactions involving persons listed on the

Unverified List and not all export transactions. Because license exceptions are restricted from use, this rule decreases public burden in a collection of information approved by OMB under control number 0694–0137 minimally, as this will only affect specific individual listed persons. The increased burden under 0694–0088 is reciprocal to the decrease of burden under 0694–0137, and results in no change of burden to the public. This rule also increases public burden in a collection of information under OMB control number 0694–0122, as a result of the exchange of UVL statements between private parties, and under OMB control number 0694–0134, as a result of appeals from persons listed on the UVL for removal of their listing. The total increase in burden hours associated with both of these collections is expected to be minimal, as they involve a limited number of persons listed on the UVL.

4. This rule does not contain policies with Federalism implications as that term is defined in Executive Order 13132.

<p>Dated: April 5, 2019. Nazak Nikakhtar, <i>Assistant Secretary for Industry & Analysis, Performing the Non-Exclusive Duties of the Under Secretary for Industry and Security.</i> [FR Doc. 2019-07211 Filed 4-10-19; 8:45 am] BILLING CODE 3510-33-P</p>	<p>Inflation Adjustment Act Improvements Act of 2015, Public Law 114-74, section 701, 129 Stat. 584, requires the regular adjustment and evaluation of civil monetary penalties to maintain their deterrent effect and helps to ensure that penalty amounts imposed by the Federal Government are properly accounted for and collected. A “civil monetary penalty” is defined in the Inflation Adjustment Act as any penalty, fine, or other such sanction that is: (1) For a specific monetary amount as provided by Federal law, or has a maximum amount provided for by Federal law; (2) assessed or enforced by an agency pursuant to Federal law; and (3) assessed or enforced pursuant to an administrative proceeding or a civil action in the Federal courts.</p>	<p>beverages manufactured, imported, or bottled for sale or distribution in the United States, as well as on containers of alcoholic beverages that are manufactured, imported, bottled, or labeled for sale, distribution, or shipment to members or units of the U.S. Armed Forces, including those located outside the United States.</p>
<p>DEPARTMENT OF THE TREASURY</p>	<p>The Inflation Adjustment Act, as amended, requires agencies to adjust civil monetary penalties annually by the inflation adjustment described in section 5 of the Inflation Adjustment Act. The Act also provides that any increase in a civil monetary penalty shall apply only to civil monetary penalties, including those whose associated violation predated such an increase, which are assessed after the date the increase takes effect.</p>	<p>The health warning statement requirement applies to containers of alcoholic beverages manufactured, imported, or bottled for sale or distribution in the United States on or after November 18, 1989. The statement reads as follows:</p>
<p>Alcohol and Tobacco Tax and Trade Bureau</p>	<p>AGENCY: Alcohol and Tobacco Tax and Trade Bureau, Treasury. ACTION: Notice of civil monetary penalty adjustment.</p>	<p>GOVERNMENT WARNING: (1) According to the Surgeon General, women should not drink alcoholic beverages during pregnancy because of the risk of birth defects. (2) Consumption of alcoholic beverages impairs your ability to drive a car or operate machinery, and may cause health problems.</p>
<p>27 CFR Part 16</p>	<p>The Inflation Adjustment Act, as amended, provides that the inflation adjustment does not apply to civil monetary penalties under the Internal Revenue Code of 1986 or the Tariff Act of 1930.</p>	<p>Section 204 of the ABLA also specifies that the Secretary of the Treasury shall have the power to ensure the enforcement of the provisions of the ABLA and issue regulations to carry them out. In addition, section 207 of the ABLA, codified in 27 U.S.C. 218, provides that any person who violates the provisions of the ABLA is subject to a civil penalty of not more than \$10,000, with each day constituting a separate offense.</p>
<p>[Docket No. TTB-2019-0002; Notice No. 180]</p>	<p><i>Alcoholic Beverage Labeling Act</i></p>	<p>Most of the civil monetary penalties administered by TTB are imposed by the Internal Revenue Code of 1986, and thus are not subject to the inflation adjustment mandated by the Inflation Adjustment Act. The only civil monetary penalty enforced by TTB that is subject to the inflation adjustment is the penalty imposed by the ABLA at 27 U.S.C. 218.</p>
<p>Civil Monetary Penalty Inflation Adjustment—Alcoholic Beverage Labeling Act</p>	<p>The Alcohol and Tobacco Tax and Trade Bureau (TTB) administers the Federal Alcohol Administration Act (FAA Act) pursuant to section 1111(d) of the Homeland Security Act of 2002, codified at 6 U.S.C. 531(d). The Secretary has delegated various authorities through Treasury Department Order 120-01, dated December 10, 2013, (superseding Treasury Department Order 120-01, dated January 24, 2003), to the TTB Administrator to perform the functions and duties in the administration and enforcement of this law.</p>	<p><i>TTB Regulations</i></p>
<p>AGENCY: Alcohol and Tobacco Tax and Trade Bureau, Treasury. This section indicates that the ABLA provides that any person who violates the provisions of this part shall be subject to a civil penalty of not more than \$10,000, but also states that, pursuant to the provisions of the Federal Civil Penalties Inflation Adjustment Act of 1990, as amended, this civil penalty is subject to periodic cost-of-living adjustment.
