Advance Representative Payee Representative Payee Supporting Statement for Advance Designation of Representative Payee—0960-NEW. On April 13, 2018, the President signed into law The Strengthening Protections for Social Security Beneficiaries Act of 2018, also known as Public Law 115-165. Section 201 of the law allows SSA beneficiaries and applicants under Title II, Title VIII and Title XVI, of the Social

Security Act (Act) to designate individuals to serve as a representative payee should the need arise in the future. Section 201(j)(2) of the Act provides the requirements for selecting a qualified representative payee. SSA only offers the option to advance designate to capable adults and emancipated minors. Beneficiaries who have an assigned representative payee, or have a representative application in process, cannot advance designate. Form SSA-4547, Advance Designation of Representative Payee, allows beneficiaries or applicants the option to designate individuals in order of priority, to serve as a representative. Beneficiaries or applicants can update or change the advance designee order of priority at any time. SSA uses the information on Form SSA-4547 to select a qualified representative payee in order of priority. If the selected representative payee is unable or unwilling to serve, or meet SSA requirements, SSA will select another representative payee to serve in the beneficiaries and applicants best interest. SSA will notify beneficiaries annually of the individuals they chose in advance to be their representative payee. The respondents are SSA beneficiaries and claimants who want to choose an advance designate representative.

Type of Request: Request for a new information collection.

1. *Report to United States Social Security Administration by Person Receiving Benefits for a Child or for an Adult Unable to Handle Funds/Report*

to the United States Social Security Administration—0960-0049. Section 203(c) of the Act requires the Commissioner of SSA to make benefit deductions, and provides for the Commissioner to impose penalty deductions on benefits of individuals who fail to make timely reports of events, which are cause for deductions. SSA uses Forms SSA-7161-OCR-SM and SSA-7162-OCR-SM to: (1) Determine continuing entitlement to Social Security benefits; (2) correct benefit amounts for beneficiaries outside the United States; and (3) monitor the performance of

representative payees outside the United States. This collection is mandatory as an annual (or every other year, depending on the country of residence) review for fraud prevention. In addition, the results can affect benefits by increasing or decreasing payment amount or by causing SSA to suspend or terminate benefits. The respondents are individuals living outside the United States who are receiving benefits on their own (or on behalf of someone else) under Title II of the Act.

Type of Request: Revision of an OMB-approved information collection.
