Abstract: Executive Order 12862 directs Federal agencies to provide service to the public that matches or exceeds the best service available in the private sector. In order to work continuously to ensure that our programs are effective and meet our customers' needs, the Commodity Futures Trading Commission's Office of Customer Education and Outreach (OCEO) seeks to obtain OMB approval of a generic clearance to collect qualitative and quantitative feedback. The information collected from our customers and stakeholders will help ensure that users have an effective, efficient, and satisfying experience with OCEO programs. This feedback will provide insights into customer or stakeholder perceptions, experiences and expectations, provide an early warning of issues with service, or focus attention on areas where communication, training or changes in operations might improve delivery of products or services. These collections will allow for ongoing, collaborative and actionable communications between the OCEO and its customers and stakeholders. It will also allow feedback to contribute directly to the improvement of program management.
