

The Exchange believes that it is consistent with fair competition to offer the All-or-None Order type solely to public customers in order to permit these main street retail investors to have advantages over broker-dealers trading on the Phlx. Also, the Exchange notes that it is rare for Professionals to utilize the All-or-None Order type. Broker dealers cannot use the All-or-None Order type today. Professionals are treated in the same manner as a broker dealer for purposes of Exchange rules. The Exchange believes that Professionals would be aligned with broker dealers with respect to not being offered the All-or-None Order type.

Further, as compared to all other market participants, public customer orders are a source of liquidity in the market. Providing marketplace advantages to public customer orders attracts retail investor order flow to the Exchange by leveling the playing field for main street retail investors over market professionals and providing competitive pricing.

SOCIAL SECURITY ADMINISTRATION

[Docket No. SSA-2018-0071]

Privacy Act of 1974; System of Records

AGENCY: Deputy Commissioner of Operations, Social Security Administration (SSA).

ACTION: Notice of a new system of records.

SUMMARY: In accordance with the Privacy Act, we are issuing public notice of our intent to establish a new system of records entitled, Travel and Border Crossing Records (60-0389). This notice publishes details of the new system as set forth under the caption, **SUPPLEMENTARY INFORMATION.**

DATES: The system of records notice (SORN) is applicable upon its publication in today's **Federal Register**, with the exception of the routine uses, which are effective April 12, 2019. We invite public comment on the routine uses or other aspects of this SORN. In accordance with 5 U.S.C. 552a(e)(4) and (e)(11), the public is given a 30-day period in which to submit comments. Therefore, please submit any comments by April 12, 2019.

ADDRESSES: The public, Office of Management and Budget (OMB), and Congress may comment on this publication by writing to the Executive Director, Office of Privacy and Disclosure, Office of the General Counsel, SSA, Room G-401 West High Rise, 6401 Security Boulevard, Baltimore, Maryland 21235-6401, or through the Federal e-Rulemaking Portal at <http://www.regulations.gov>, please reference docket number SSA-2018-0071. ²⁹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. telephone: (410) 965-2997, email: Navdeep.Sarai@ssa.gov.

SUPPLEMENTARY INFORMATION: In an effort to combat a cause of improper payments, we are establishing the Travel and Border Crossing system to collect information about applicants, beneficiaries, and recipients under Titles II, XVI, and XVIII who have had absences from the United States (U.S.). Currently, we rely on individuals to self-report their foreign travel. Oftentimes, we do not receive these reports or we receive them untimely, which results in improper payments. In general, we suspend Title II benefits to aliens who remain outside of the U.S. for more than six consecutive calendar months. We generally suspend Title II benefits to both U.S. citizens and non-U.S. citizens who travel to a country where payment is restricted by the U.S. Additionally, we suspend Title XVI payments to both citizen and non-citizen recipients who are outside of the U.S. for a full calendar month or 30 consecutive days or longer. SSA is not responsible for making Title XVIII payment determinations on claims for services submitted to the Centers for Medicare and Medicaid Services. However, the information collected in this system will be used for two purposes relating to Title XVIII. First, SSA will use this information to make initial and reconsideration decisions in Medicare entitlement claims, because the enrollment criteria requires residence in the U.S. Second, SSA will use this information to make determinations on physical presence in the U.S. and will update the Master Beneficiary Record (MBR) system of records with those determinations. The Centers for Medicare and Medicaid Services may use information from the MBR in making decisions on whether a Medicare claim can be paid.

In accordance with 5 U.S.C. 552a(r), we provided a report to OMB and Congress on this new system of records.

Mary Zimmerman,

Acting Executive Director, Office of Privacy and Disclosure, Office of the General Counsel.
