

Public Law 104–123
104th Congress

An Act

To provide for the exchange of lands within Admiralty Island National Monument,
and for other purposes.

Apr. 1, 1996
[H.R. 1266]

*Be it enacted by the Senate and House of Representatives of
the United States of America in Congress assembled,*

SECTION 1. SHORT TITLE.

This Act may be cited as the “Greens Creek Land Exchange
Act of 1995”.

Greens Creek
Land Exchange
Act of 1995.
Alaska.
16 USC 431 note.

SEC. 2. FINDINGS.

The Congress makes the following findings:

(1) The Alaska National Interest Lands Conservation Act established the Admiralty Island National Monument and sections 503 and 504 of that Act provided special provisions under which the Greens Creek Claims would be developed. The provisions supplemented the general mining laws under which these claims were staked.

(2) The Kennecott Greens Creek Mining Company, Inc., currently holds title to the Greens Creek Claims, and the area surrounding these claims has further mineral potential which is yet unexplored.

(3) Negotiations between the United States Forest Service and the Kennecott Greens Creek Mining Company, Inc., have resulted in an agreement by which the area surrounding the Greens Creek Claims could be explored and developed under terms and conditions consistent with the protection of the values of the Admiralty Island National Monument.

(4) The full effectuation of the Agreement, by its terms, requires the approval and ratification by Congress.
