SEC. 8115. (a) INTERNATIONAL PEACEKEEPING, PEACE ENFORCEMENT, AND HUMANITARIAN ASSISTANCE OPERATIONS.—It is the sense of Congress that in the event of a deployment or participation of United States Armed Forces units in any international peacekeeping, peace enforcement, and humanitarian assistance operation, the President must engage in consultations with the bipartisan leadership of Congress and the congressional committees named in subsection (e) regarding such operation in accordance with subsection (c)(1).

(b) COVERED OPERATIONS.—(1) This section applies to the following:

(A) Any international peacekeeping or peace-enforcement operation that is not underway as of the date of the enactment of this Act and that is authorized by the Security Council of the United Nations under chapter VI or VII of the Charter of the United Nations.

(D) Except as provided in paragraph (2), any international humanitarian assistance operation.

(2) This section does not apply with respect to—

(A) an international humanitarian assistance operation carried out in response to a disaster; or

(B) any other international humanitarian assistance operation if the President reports to Congress that the estimated cost of such operation is less than \$50,000,000.

(c) CONSULTATION WITH CONGRESS.—(1) Consultations under subsection (a) in the case of any operation shall be initiated before the initial deployment of United States Armed Forces units to participate in the operation and, whenever possible, at least 15 days before such deployment. However, if the President determines that the national security so requires, the President may delay the initiation of such consultations until after such initial deployment, but in no case may such consultations be initiated later than 48 hours after such deployment.

(2) Such consultations shall include discussion of all of the following:

(A) The goals of the operation and the mission of any United States Armed Forces units involved in the operation.

(B) The United States interests that will be served by the operation.

(C) The estimated cost of the operation.

(3) The United States, France, Russia, and Great Britain have observed a moratorium on nuclear testing since 1992.

(4) A resumption of testing by the Republic of France could result in the disintegration of the current testing moratorium and a renewal of underground testing by other nuclear weapon states.

(5) A resumption of nuclear testing by the Republic of France raises serious environmental and health concerns.

(6) The United Nations Conference on Disarmament presently is meeting in Geneva, Switzerland, for the purpose of negotiating a Comprehensive Nuclear Test Ban Treaty (CTBT), which would halt permanently the practice of conducting nuclear test explosions.

(7) Continued underground weapons testing by the Republic of France and the People's Republic of China undermines the efforts of the international community to conclude a CTBT by 1996, a goal endorsed by 175 nations, at the recently completed NPT Extension and Review Conference (the conference for the extension and review of the Nuclear Non-Proliferation Treaty).

(b) SENSE OF THE SENATE.—It is the sense of the Senate that the Republic of France and the People's Republic of China should abide by the current international moratorium on nuclear test explosions and refrain from conducting underground nuclear tests in advance of a Comprehensive Test Ban Treaty.

(2) such bonus is part of restructuring costs associated with a business combination.

SEC. 8123. None of the funds provided in title II of this Act for "FORMER SOVIET UNION THREAT REDUCTION" may be obligated or expended to finance housing for any individual when it is made known to the Federal official having authority to obligate or expend such funds that such individual was a member of the military forces of the Soviet Union or that such individual is or was a member of the military forces of the Russian Federation.
