The following sums are hereby appropriated, out of any money in the Treasury not otherwise appropriated, and out of applicable corporate or other revenues, receipts, and funds, for the several departments, agencies, corporations, and other organizational units of Government for the fiscal year 1996, and for other purposes, namely:

SEC. 101. (a) Such amounts as may be necessary under the authority and conditions provided in the applicable appropriations Act for the fiscal year 1995 for continuing the following projects or activities including the costs of direct loans and loan guarantees (not otherwise specifically provided for in this joint resolution) which were conducted in the fiscal year 1995:

All projects and activities funded under the account heading “Family support payments to States” under the Administration For Children and Families in the Department of Health and Human Services;

All projects and activities funded under the account heading “Payments to States for foster care and adoption assistance” under the Administration For Children and Families in the Department of Health and Human Services; and

All administrative activities necessary to carry out the projects and activities in the preceeding two paragraphs:

*Provided*, That whenever the amount which would be made available or the authority which would be granted under an Act which included funding for fiscal year 1996 for the projects and activities listed in this section is greater than that which would be available or granted under current operations, the pertinent project or activity shall be continued at a rate for operations not exceeding the current rate.

(b) Whenever the amount which would be made available or the authority which would be granted under the Act which included funding for fiscal year 1996 for the projects and activities listed in this section as passed by the House as of the date of enactment of this joint resolution, is different from that which would be avail-

able or granted under such Act as passed by the Senate as of the date of enactment of this joint resolution, the pertinent project or activity shall be continued at a rate for operations not exceeding the current rate or the rate permitted by the action of the House or the Senate, whichever is lower, under the authority and conditions provided in the applicable appropriations Act for the fiscal year 1995.

(c) Whenever an Act which included funding for fiscal year 1996 for the projects and activities listed in this section has been passed by only the House or only the Senate as of the date of enactment of this joint resolution, the pertinent project or activity shall be continued under the appropriation, fund, or authority granted by the one House at a rate for operations not exceeding the current rate or the rate permitted by the action of the one House, whichever is lower, and under the authority and conditions provided in the applicable appropriations Act for the fiscal year 1995.

SEC. 102. Appropriations made by section 101 shall be available to the extent and in the manner which would be provided by the pertinent appropriations Act.

SEC. 103. No appropriation or funds made available or authority granted pursuant to section 101 shall be used to initiate or resume any project or activity for which appropriations, funds, or other authority were not available during the fiscal year 1995.

SEC. 104. No provision which is included in the appropriations Act enumerated in section 101 but which was not included in the applicable appropriations Act for fiscal year 1995 and which by its terms is applicable to more than one appropriation, fund, or authority shall be applicable to any appropriation, fund, or authority provided in this joint resolution.

SEC. 105. Appropriations made and authority granted pursuant to this title of this joint resolution shall cover all obligations or expenditures incurred for any program, project, or activity during the period for which funds or authority for such project or activity are available under this joint resolution.

Termination  
date.

SEC. 106. Unless otherwise provided for in this title of this joint resolution or in the applicable appropriations Act, appropriations and funds made available and authority granted pursuant to this title of this joint resolution shall be available until (a) enactment into law of an appropriation for any project or activity provided for in this title of this joint resolution, or (b) the enactment into law of the applicable appropriations Act by both Houses without any provision for such project or activity, or (c) January 3, 1996, whichever first occurs.

SEC. 107. Expenditures made pursuant to this title of this joint resolution shall be charged to the applicable appropriation, fund, or authorization whenever a bill in which such applicable appropriation, fund, or authorization is contained is enacted into law.

SEC. 108. No provision in the appropriations Act for the fiscal year 1996 referred to in section 101 of this joint resolution that makes the availability of any appropriation provided therein dependent upon the enactment of additional authorizing or other legislation shall be effective before the date set forth in section 106(c) of this joint resolution.

SEC. 109. Appropriations and funds made available by or authority granted pursuant to this title of this joint resolution

may be used without regard to the time limitations for submission and approval of apportionments set forth in section 1513 of title 31, United States Code, but nothing herein shall be construed to waive any other provision of law governing the apportionment of funds.

## TITLE II

### DISTRICT OF COLUMBIA

The following sums are hereby appropriated, out of the general fund and enterprise funds of the District of Columbia for the District of Columbia for the fiscal year 1996, and for other purposes, namely:

SEC. 201. (a) Such amounts as may be necessary under the authority and conditions provided in the applicable appropriations Act for the fiscal year 1995 for continuing projects or activities including the costs of direct loans and loan guarantees (not otherwise specifically provided for in this title of this joint resolution) which were conducted in the fiscal year 1995 and for which appropriations, funds, or other authority would be available in the following appropriations Act:

The District of Columbia Appropriations Act, 1996:

*Provided*, That whenever the amount which would be made available or the authority which would be granted in this Act is greater than that which would be available or granted under current operations, the pertinent project or activity shall be continued at a rate for operations not exceeding the current rate.

(b) Whenever the amount which would be made available or the authority which would be granted under the Act listed in this section as passed by the House as of the date of enactment of this joint resolution, is different from that which would be available or granted under such Act as passed by the Senate as of the date of enactment of this joint resolution, the pertinent project or activity shall be continued at a rate for operations not exceeding the current rate or the rate permitted by the action of the House or the Senate, whichever is lower, under the authority and conditions provided in the applicable appropriations Act for the fiscal year 1995: *Provided*, That where an item is not included in either version or where an item is included in only one version of the Act as passed by both Houses as of the date of enactment of this joint resolution, the pertinent project or activity shall not be continued except as provided for in section 211 or 212 under the appropriation, fund, or authority granted by the applicable appropriations Act for the fiscal year 1995 and under the authority and conditions provided in the applicable appropriations Act for the fiscal year 1995.

SEC. 202. Appropriations made by section 201 shall be available to the extent and in the manner which would be provided by the pertinent appropriations Act.

SEC. 203. No appropriation or funds made available or authority granted pursuant to section 201 shall be used to initiate or resume any project or activity for which appropriations, funds, or other authority were not available during the fiscal year 1995.

SEC. 204. No provision which is included in the appropriations Act enumerated in section 201 but which was not included in the applicable appropriations Act for fiscal year 1995 and which by its terms is applicable to more than one appropriation, fund,

or authority shall be applicable to any appropriation, fund, or authority provided in this title of this joint resolution.

SEC. 205. Appropriations made and authority granted pursuant to this title of this joint resolution shall cover all obligations or expenditures incurred for any program, project, or activity during the period for which funds or authority for such project or activity are available under this title of this joint resolution.

Termination  
date.

SEC. 206. Unless otherwise provided for in this title of this joint resolution or in the applicable appropriations Act, appropriations and funds made available and authority granted pursuant to this title of this joint resolution shall be available until (a) enactment into law of an appropriation for any project or activity provided for in this title of this joint resolution, or (b) the enactment into law of the applicable appropriations Act by both Houses without any provision for such project or activity, or (c) January 3, 1996, whichever first occurs.

Abortion.

SEC. 207. Notwithstanding any other provision of this title of this joint resolution, except section 206, none of the funds appropriated under this title of this joint resolution shall be expended for any abortion except where the life of the mother would be endangered if the fetus were carried to term or where the pregnancy is the result of an act of rape or incest.

SEC. 208. Expenditures made pursuant to this title of this joint resolution shall be charged to the applicable appropriation, fund, or authorization whenever a bill in which such applicable appropriation, fund, or authorization is contained is enacted into law.

SEC. 209. No provision in the appropriations Act for the fiscal year 1996 referred to in section 201 of this title of this joint resolution that makes the availability of any appropriation provided therein dependent upon the enactment of additional authorizing or other legislation shall be effective before the date set forth in section 206(c) of this joint resolution.

SEC. 210. Appropriations and funds made available by or authority granted pursuant to this title of this joint resolution may be used without regard to the time limitations for submission and approval of apportionments set forth in section 1513 of title 31, United States Code, but nothing herein shall be construed to waive any other provision of law governing the apportionment of funds.

SEC. 211. Notwithstanding any other provision of this title of this joint resolution, except section 206, whenever the Act listed in section 201 as passed by both the House and Senate as of the date of enactment of this joint resolution, does not include funding for an ongoing project or activity for which there is a budget request, or whenever the rate for operations for an ongoing project or activity provided by section 201 for which there is a budget request would result in the project or activity being significantly reduced, the pertinent project or activity may be continued under the authority and conditions provided in the applicable appropriations Act for the fiscal year 1995 by increasing the rate for operations provided by section 201 to a rate for operations not to exceed one that provides the minimal level that would enable existing activities to continue. No new contracts or grants shall be awarded in excess of an amount that bears the same ratio to the rate for operations provided by this section as the number of days covered by this resolution bears to 366. For the purposes

of this title of this joint resolution the minimal level means a rate for operations that is reduced from the current rate by 25 percent.

SEC. 212. Notwithstanding any other provision of this title of this joint resolution, except section 206, whenever the rate for operations for any continuing project or activity provided by section 201 or section 211 for which there is a budget request would result in a furlough of Government employees, that rate for operations may be increased to the minimum level that would enable the furlough to be avoided. No new contracts or grants shall be awarded in excess of an amount that bears the same ratio to the rate for operations provided by this section as the number of days covered by this resolution bears to 366.

SEC. 213. Notwithstanding any other provision of this title of this joint resolution, except sections 206, 211, and 212, for those programs that had high initial rates of operation or complete distribution of funding at the beginning of the fiscal year in fiscal year 1995 because of distributions of funding to States, foreign countries, grantees, or others, similar distributions of funds for fiscal year 1996 shall not be made and no grants shall be awarded for such programs funded by this title of this resolution that would impinge on final funding prerogatives.

SEC. 214. This title of this joint resolution shall be implemented so that only the most limited funding action of that permitted in this title of this resolution shall be taken in order to provide for continuation of projects and activities.

SEC. 215. The provisions of section 132 of the District of Columbia Appropriations Act, 1988, Public Law 100-202, shall not apply for this title of this joint resolution.

SEC. 216. Notwithstanding any other provision of this title of this joint resolution, except section 206, none of the funds appropriated under this title of this joint resolution shall be used to implement or enforce any system of registration of unmarried, cohabiting couples whether they are homosexual, lesbian, heterosexual, including but not limited to registration for the purpose of extending employment, health, or governmental benefits to such couples on the same basis that such benefits are extended to legally married couples; nor shall any funds made available pursuant to any provision of this title of this joint resolution otherwise be used to implement or enforce D.C. Act 9-188, signed by the Mayor of the District of Columbia on April 15, 1992.
