**SEC. 2. SPECIAL POSTAGE STAMPS.**

(a) IN GENERAL.—Chapter 4 of title 39, United States Code, is amended by adding at the end the following:

**“§ 414. Special postage stamps**

“(a) In order to afford the public a convenient way to contribute to funding for breast cancer research, the Postal Service shall establish a special rate of postage for first-class mail under this section.

“(b) The rate of postage established under this section—

“(1) shall be equal to the regular first-class rate of postage, plus a differential of not to exceed 25 percent;

“(2) shall be set by the Governors in accordance with such procedures as the Governors shall by regulation prescribe (in lieu of the procedures under chapter 36); and

“(3) shall be offered as an alternative to the regular first-class rate of postage.

The use of the special rate of postage established under this section shall be voluntary on the part of postal patrons.

“(2) affect regular first-class rates of postage or any other regular rates of postage.

Regulations.

“(e) Special postage stamps under this section shall be made available to the public beginning on such date as the Postal Service shall by regulation prescribe, but in no event later than 12 months after the date of the enactment of this section.

Reports.

“(f) The Postmaster General shall include in each report rendered under section 2402 with respect to any period during any portion of which this section is in effect information concerning the operation of this section, except that, at a minimum, each shall include—

“(1) the total amount described in subsection (c)(2)(A) which was received by the Postal Service during the period covered by such report; and

“(2) of the amount under paragraph (1), how much (in the aggregate and by category) was required for the purposes described in subsection (c)(2)(B).

Termination date.

“(g) This section shall cease to be effective at the end of the 2-year period beginning on the date on which special postage stamps under this section are first made available to the public.”.
