**TITLE II—CASTILLO DE SAN MARCOS
NATIONAL MONUMENT BOUNDARY
MODIFICATION**

SEC. 201. SHORT TITLE.

This title may be cited as the “Castillo de San Marcos National Monument Boundary Adjustment Act of 2004”.

SEC. 202. FINDINGS.

Congress finds the following:

(1) The early defense lines for Fort Marion, Florida, today known as the Castillo de San Marcos National Monument, included defenses extending in a line due west to the Sebastian River, a distance of about one half mile.

(2) In the 1830’s, during the Seminole Wars in Florida, these defensive lines were maintained, but as Florida became more settled they fell into disrepair and/or became obsolete.

(3) In 1908 the War Department deeded much of the property running west to the Sebastian River to the St. Johns County Board of Public Instruction. The portion of this property remaining in federal ownership today is occupied by Orange Street, a City of St. Augustine, Florida street.

(4) For nearly a century, the City of St. Augustine has maintained and managed Orange Street, a modern city street, and associated utilities in the Orange Street corridor.

(5) Any archeological remains that are still present on the property overlaid by Orange Street are adequately protected by the City’s archeological ordinances, and by the City having an archeologist on staff.

(6) Although the city currently operates Orange Street under a right-of-way from the National Park Service, from a management perspective it is appropriate for the City of St. Augustine to own Orange Street.

SEC. 203. BOUNDARY ADJUSTMENT.

(a) CONVEYANCE OF LAND.—The Secretary of the Interior shall convey, without consideration, to the City of St. Augustine, Florida, all right, title, and interest of the United States in and to the lands known as Orange Street, a portion of the Castillo de San Marcos National Monument (Monument), consisting of approximately 3.1 acres, as shown on the map entitled Castillo de San Marcos National Monument Boundary Adjustment and Correction, numbered 343/80060, and dated April 2003. Upon completion of

the conveyance, the Secretary shall revise the boundary of the Monument to exclude the land conveyed.

(b) BOUNDARY REVISION.—Effective on the date of the enactment of this Act, the boundary of the Monument is revised to include an area of approximately 0.45 acres, as shown on the map identified in subsection (a). The Secretary shall administer the lands included in the boundary as part of the national monument in accordance with applicable laws and regulations. Effective date.

Approved December 23, 2004.
