SOBER TRUTH ON PREVENTING UNDERAGE
DRINKING ACT

Public Law 109–422
109th Congress

An Act

Dec. 20, 2006
[H.R. 864]

To provide for programs and activities with respect to the prevention of underage drinking.

Sober Truth on
Preventing
Underage
Drinking Act.
42 USC 201 note.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Sober Truth on Preventing Underage Drinking Act” or the “STOP Act”.

SEC. 2. AMENDMENT TO THE PUBLIC HEALTH SERVICE ACT.

Section 519B of the Public Health Service Act (42 U.S.C. 290bb–25b) is amended by striking subsections (a) through (f) and inserting the following:

“(a) **DEFINITIONS.**—For purposes of this section:

“(1) The term ‘alcohol beverage industry’ means the brewers, vintners, distillers, importers, distributors, and retail or online outlets that sell or serve beer, wine, and distilled spirits.

“(2) The term ‘school-based prevention’ means programs, which are institutionalized, and run by staff members or school-designated persons or organizations in any grade of school, kindergarten through 12th grade.

“(3) The term ‘youth’ means persons under the age of 21.

“(4) The term ‘IOM report’ means the report released in September 2003 by the National Research Council, Institute of Medicine, and entitled ‘Reducing Underage Drinking: A Collective Responsibility’.

“(b) **SENSE OF CONGRESS.**—It is the sense of the Congress that:

“(1) A multi-faceted effort is needed to more successfully address the problem of underage drinking in the United States. A coordinated approach to prevention, intervention, treatment, enforcement, and research is key to making progress. This Act recognizes the need for a focused national effort, and addresses particulars of the Federal portion of that effort, as well as Federal support for State activities.

“(2) The Secretary of Health and Human Services shall continue to conduct research and collect data on the short and long-range impact of alcohol use and abuse upon adolescent brain development and other organ systems.

“(3) States and communities, including colleges and universities, are encouraged to adopt comprehensive prevention approaches, including—

“(A) evidence-based screening, programs and curricula;

“(B) brief intervention strategies;

“(C) consistent policy enforcement; and

“(D) environmental changes that limit underage access to alcohol.

“(4) Public health groups, consumer groups, and the alcohol beverage industry should continue and expand evidence-based efforts to prevent and reduce underage drinking.

“(5) The entertainment industries have a powerful impact on youth, and they should use rating systems and marketing codes to reduce the likelihood that underage audiences will be exposed to movies, recordings, or television programs with unsuitable alcohol content.

“(6) The National Collegiate Athletic Association, its member colleges and universities, and athletic conferences should affirm a commitment to a policy of discouraging alcohol use among underage students and other young fans.

“(7) Alcohol is a unique product and should be regulated differently than other products by the States and Federal Government. States have primary authority to regulate alcohol distribution and sale, and the Federal Government should support and supplement these State efforts. States also have a responsibility to fight youth access to alcohol and reduce underage drinking. Continued State regulation and licensing of the manufacture, importation, sale, distribution, transportation and storage of alcoholic beverages are clearly in the public interest and are critical to promoting responsible consumption, preventing illegal access to alcohol by persons under 21 years of age from commercial and non-commercial sources, maintaining industry integrity and an orderly marketplace, and furthering effective State tax collection.

“(c) INTERAGENCY COORDINATING COMMITTEE; ANNUAL REPORT ON STATE UNDERAGE DRINKING PREVENTION AND ENFORCEMENT ACTIVITIES.—

“(1) INTERAGENCY COORDINATING COMMITTEE ON THE PREVENTION OF UNDERAGE DRINKING.—
