*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

**SECTION 1. SHORT TITLE.**

This Act may be cited as the “National Breast and Cervical Cancer Early Detection Program Reauthorization Act of 2007”.

**SEC. 2. NATIONAL BREAST AND CERVICAL CANCER EARLY DETECTION PROGRAM.**

Title XV of the Public Health Service Act (42 U.S.C. 300k et seq.) is amended—

(1) in section 1501(d)—

(A) in the heading, by striking “2000” and inserting “2020”; and

(B) by striking “by the year 2000” and inserting “by the year 2020”;

(2) in section 1503, by adding at the end the following:

“(d) WAIVER OF SERVICES REQUIREMENT ON DIVISION OF FUNDS.—

“(1) IN GENERAL.—The Secretary shall establish a demonstration project under which the Secretary may waive the requirements of paragraphs (1) and (4) of subsection (a) for not more than 5 States, if—

“(A) the State involved will use the waiver to leverage non-Federal funds to supplement each of the services or activities described in paragraphs (1) and (2) of section 1501(a);

“(B) the application of such requirement would result in a barrier to the enrollment of qualifying women;

“(C) the State involved—

“(i) demonstrates, to the satisfaction of the Secretary, the manner in which the State will use such waiver to expand the level of screening and follow-up services provided immediately prior to the date on which the waiver is granted; and

“(ii) provides assurances, satisfactory to the Secretary, that the State will, on an annual basis, demonstrate, through such documentation as the Secretary may require, that the State has used such waiver as described in clause (i);

“(D) the State involved submits to the Secretary—

“(i) assurances, satisfactory to the Secretary, that the State will maintain the average annual level of State fiscal year expenditures for the services and activities described in paragraphs (1) and (2) of section 1501(a) for the period for which the waiver is granted, and for the period for which any extension of such waiver is granted, at a level that is not less than—

“(I) the level of the State fiscal year expenditures for such services and activities for the fiscal year preceding the first fiscal year for which the waiver is granted; or

“(II) at the option of the State and upon approval by the Secretary, the average level of the State expenditures for such services and activities for the 3-fiscal year period preceding the first fiscal year for which the waiver is granted; and

“(ii) a plan, satisfactory to the Secretary, for maintaining the level of activities carried out under the waiver after the expiration of the waiver and any extension of such waiver;

“(E) the Secretary finds that granting such a waiver to a State will increase the number of women in the State that receive each of the services or activities described in paragraphs (1) and (2) of section 1501(a), including making available screening procedures for both breast and cervical cancers; and

“(F) the Secretary finds that granting such a waiver to a State will not adversely affect the quality of each of the services or activities described in paragraphs (1) and (2) of section 1501(a).

“(2) DURATION OF WAIVER.—

“(A) IN GENERAL.—In granting waivers under paragraph (1), the Secretary—

“(i) shall grant such waivers for a period that is not less than 1 year but not more than 2 years; and

“(B) ADDITIONAL PERIOD.—The Secretary, upon the request of a State that has received a waiver under paragraph (1), shall, at the end of the waiver period described in subparagraph (A)(i), review performance under the waiver and may extend the waiver for an additional period if the Secretary determines that—

“(i) without an extension of the waiver, there will be a barrier to the enrollment of qualifying women;

“(ii) the State requesting such extended waiver will use the waiver to leverage non-Federal funds to supplement the services or activities described in paragraphs (1) and (2) of section 1501(a);

“(iii) the waiver has increased, and will continue to increase, the number of women in the State that receive the services or activities described in paragraphs (1) and (2) of section 1501(a);

“(iv) the waiver has not, and will not, result in lower quality in the State of the services or activities described in paragraphs (1) and (2) of section 1501(a); and

“(v) the State has maintained the average annual level of State fiscal expenditures for the services and activities described in paragraphs (1) and (2) of section 1501(a) for the period for which the waiver was granted at a level that is not less than—

“(I) the level of the State fiscal year expenditures for such services and activities for the fiscal year preceding the first fiscal year for which the waiver is granted; or

“(II) at the option of the State and upon approval by the Secretary, the average level of the State expenditures for such services and activities for the 3-fiscal year period preceding the first fiscal year for which the waiver is granted.
