(10) During her Naval career Captain Mariner logged 17 landings on aircraft carriers and more than 3500 flight hours in 15 different aircraft.

(11) In retirement, Captain Mariner continued her service in her community as a resident scholar in the University of

Tennessee's Center for the Study of War and Society, and taught military history in UT's history department for 15 years.

(12) Captain Mariner passed away from ovarian cancer on January 24, 2019, in Knoxville, Tennessee.

(13) In honor of Captain Mariner, the United States Navy conducted its first all-female flyover at the funeral service for Captain Mariner on Saturday, February 2, 2019, in Maynardville, Tennessee.
