“(a) IDENTIFICATION OF SUSCEPTIBLE PROGRAMS AND ACTIVITIES.—

Guidelines.

“(1) IN GENERAL.—The head of each agency shall, in accordance with guidance prescribed by the Director of the Office of Management and Budget, periodically review all programs and activities that the relevant agency head administers and identify all programs and activities that may be susceptible to significant improper payments.

Deadline.

“(2) FREQUENCY.—Reviews under paragraph (1) shall be performed for each program and activity that the relevant agency head administers during the year after which the Improper Payments Elimination and Recovery Act of 2010 is enacted and at least once every 3 fiscal years thereafter. For those agencies already performing a risk assessment every 3 years, agencies may apply to the Director of the Office of Management and Budget for a waiver from the requirement of the preceding sentence and continue their 3-year risk assessment cycle.

“(3) RISK ASSESSMENTS.—

“(A) DEFINITION.—In this subsection the term ‘significant’ means—

“(i) except as provided under clause (ii), that improper payments in the program or activity in the preceding fiscal year may have exceeded—

“(II) \$100,000,000; and

“(ii) with respect to fiscal years following September 30th of a fiscal year beginning before fiscal year 2013 as determined by the Office of Management

“(II) \$100,000,000.

“(B) SCOPE.—In conducting the reviews under paragraph (1), the head of each agency shall take into account those risk factors that are likely to contribute to a susceptibility to significant improper payments, such as—

“(i) whether the program or activity reviewed is new to the agency;

“(ii) the complexity of the program or activity reviewed;

“(iii) the volume of payments made through the program or activity reviewed;

“(iv) whether payments or payment eligibility decisions are made outside of the agency, such as by a State or local government;

“(v) recent major changes in program funding, authorities, practices, or procedures;

planned or actual completion date of the actions taken to address those causes;

“(2) in order to reduce improper payments to a level below which further expenditures to reduce improper payments would cost more than the amount such expenditures would save in prevented or recovered improper payments, a statement of whether the agency has what is needed with respect to—

“(A) internal controls;

“(B) human capital; and

“(C) information systems and other infrastructure;

“(3) if the agency does not have sufficient resources to establish and maintain effective internal controls under paragraph (2)(A), a description of the resources the agency has requested in its budget submission to establish and maintain such internal controls;

“(4) program-specific and activity-specific improper payments reduction targets that have been approved by the Director of the Office of Management and Budget; and

“(7) if the agency has determined under section 2(h) of the Improper Payments Elimination and Recovery Act of 2010 (31 U.S.C. 3321 note) that performing recovery audits for any applicable program or activity is not cost-effective, a justification for that determination.
