Every purchase or drawing of such supplies from the contractor shall be immediately reported to said committee. No disbursing officer shall be a member of such committee. No department or establishment shall purchase or draw supplies from the common schedule through more than one office or bureau, except in case of detached bureaus or offices having field or outlying service, which may purchase directly from the contractor with the permission of the head of their department: *And provided further*, That telephone service, electric light, and power service purchased or contracted for from companies or individuals shall be so obtained by him.
