

sixty-five north latitude and between the one hundred and forty-fifth and the one hundred and fifty-second degrees of west longitude (meridian of Greenwich) shall be, and the same is hereby, reserved from sale or settlement for the support of a Territorial agricultural college and school of mines when established by the Legislature of Alaska upon the tract granted in section two of this Act: *Provided*, That where settlement with a view to homestead entry has been made upon any part of the sections reserved hereby before the survey thereof in the field, or where the same may have been sold or otherwise appropriated by or under the authority of any Act of Congress, or are wanting or fractional in quantity, other lands may be designated and reserved in lieu thereof in the manner provided by the Act of Congress of February twenty-eighth, eighteen hundred and ninety-one (Twenty-sixth Statutes, page seven hundred and ninety-one): *Provided further*, That the Territory may, by general law, provide for leasing said land in area not to exceed one section to any one person, association, or corporation for not longer than ten years at any one time: *And provided further*, That if any of said sections, or any part thereof, shall be of known mineral character at the date of acceptance of survey thereof, the reservation herein made shall not be effective or applicable, but the entire proceeds or income derived by the United States from such sections sixteen and thirty-six and such section thirty-three in each township in the Tanana Valley area hereinbefore described, and the minerals therein, together with the entire proceeds or income derived from said reserved lands, are hereby appropriated and set apart as separate and permanent funds in the Territorial treasury, to be invested and the income from which shall be expended only for the exclusive use and benefit of the public schools of Alaska or of the agricultural college and school of mines, respectively, in such manner as the Legislature of Alaska may by law direct.

SEC. 2. That section numbered six, in township numbered one south of the Fairbanks base line and range numbered one west of the Fairbanks meridian; section numbered thirty-one, in township numbered one north of the Fairbanks base line and range numbered one west of the Fairbanks meridian; section numbered one, in township numbered one south of the Fairbanks base line and range numbered two west of the Fairbanks meridian; and section numbered thirty-six, in township numbered one north of the Fairbanks base line and range numbered two west of the Fairbanks meridian, be, and the same are hereby, granted to the Territory of Alaska, but with the express condition that they shall be forever reserved and dedicated to use as a site for an agricultural college and school of mines: *Provided*, That nothing in this Act shall be held to interfere with or destroy any legal claim of any person or corporation to any part of said lands under the homestead or other law for the disposal of the public lands acquired prior to the approval of this Act: *Provided further*, That so much of the said land as is now used by the Government of the United States as an agricultural experiment station may continue to be used for such purpose until abandoned for that use by an order of the President of the United States or by Act of Congress.

CHAP. 184.—An Act To amend sections forty-four hundred and twenty-one, forty-four hundred and twenty-two, forty-four hundred and twenty-three, forty-four hundred and twenty-four, and forty-four hundred and ninety-eight of the Revised Statutes of the United States, and section twelve of the Act of May twenty-eighth, nineteen hundred and eight, relating to certificates of inspection of steam vessels.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section forty-four hundred and twenty-one of the Revised Statutes of the United States be, and the same is hereby, amended so as to read as follows:

"**SEC. 4421.** When the inspection of a steam vessel is completed and the inspectors approve the vessel and her equipment throughout, they shall make and subscribe a certificate, which certificate shall be verified by the oaths of the inspectors signing it, before the chief officer of the customs of the district or any other person competent by law to administer oaths. Such certificate shall be delivered to the master or owner of the vessel to which it relates, and one copy thereof shall be kept on file in the inspectors' office and one copy shall be delivered to the collector or other chief officer of the customs of the district in which such inspection has been made, who shall keep the same on file in his office. If the inspectors refuse to grant a certificate of approval they shall make a statement in writing and sign the same, giving the reasons for their disapproval. Upon such inspection and approval the inspectors shall also make and subscribe a temporary certificate, which shall set forth substantially the fact of such inspection and approval, and shall deliver the same to the
