INCREASE OF THE NAVY.

That for the purpose of further increasing the Naval Establishment of the United States, the President is hereby authorized to have constructed two first-class battleships carrying as heavy armor and as powerful armament as any vessel of their class, to have the highest practicable speed and greatest desirable radius of action, and to cost, exclusive of armor and armament, not to exceed \$7,800,000 each. One of the battleships hereby authorized shall be built and constructed at a Government navy yard.

Six torpedo-boat destroyers, to have the highest practicable speed, to cost, exclusive of armor and armament, not to exceed \$925,000 each.

Eight or more submarines, one to be of seagoing type to have a surface speed of not less than twenty knots, seven or more to be of coast and harbor defense type; to cost not exceeding in the aggregate \$4,460,000, and the sum of \$1,825,000 is hereby appropriated for said purpose, to be available until expended. The appropriation made in the naval Act approved March fourth, nineteen hundred and thirteen, "Wrecking pontoon: For construction or purchase of a testing and wrecking pontoon for submarines, to be available until expended, \$300,000," is hereby made available until expended for the construction of said eight or more submarine boats.

Three of the coast-defense submarine torpedo boats herein authorized shall be built on the Pacific coast: *Provided*, That the cost of construction on the Pacific coast does not exceed the cost of construction on the Atlantic coast, plus the cost of transportation from the Atlantic to the Pacific; and the Secretary of the Navy is requested to consider the advisability of stationing the four small submarine torpedo boats herein authorized on the coast of the United States in the Gulf of Mexico as a proper naval defense thereof.

Hereafter there shall be charged against the several appropriations for the support of the Naval Establishment the overhead charges incident to upkeep and to industrial work at navy yards and stations.

Restriction on purchases which can be supplied by Government plants.

The total sum so charged shall be distributed in accordance with the work done in the various yards and stations in order that the cost of work may be determined.

Except where otherwise directed, the Secretary of the Navy shall build any of the vessels herein authorized in such navy yards as he may designate, should it reasonably appear that the persons, firms, or corporations, or the agents thereof, bidding for the construction of any of said vessels have entered into any combination, agreement, or understanding the effect, object, or purpose of which is to deprive the Government of fair, open, and unrestricted competition in letting contracts for the construction of any of said vessels.

CONSTRUCTION AND MACHINERY: On account of hulls and outfits of vessels and machinery of vessels heretofore and herein authorized, to be available until expended, \$17,647,617.

INCREASE OF THE NAVY; TORPEDO BOATS: On account of submarine torpedo boats heretofore authorized, to be available until expended, \$1,685,617.

INCREASE OF THE NAVY; EQUIPMENT: Toward the completion of equipment outfit of the vessels heretofore and herein authorized, to be available until expended, \$421,000.

INCREASE OF THE NAVY; ARMOR AND ARMAMENT: Toward the armor and armament for vessels heretofore, and herein authorized, to be available until expended, \$14,877,500.

A committee is hereby appointed, to consist of the chairman of the Committee on Naval Affairs of the Senate and the chairman of the Committee on Naval Affairs of the House of Representatives, and one naval officer to be selected by the Secretary of the Navy to investigate and report at the next regular session of Congress upon the cost of erection of an armor plant to enable the United States to manufacture its own armor plate and special treatment steel, capable of standing all ballistic and other necessary tests required for use in vessels of the Navy, at the lowest possible cost to the Government, taking into consideration all of the elements necessary for the economical and successful operation of such a plant. Said report shall contain the estimated cost of a plant and site sufficient to accommodate a plant having an annual output capacity of twenty thousand tons, and also a plant having an output of ten thousand tons, and also an itemized statement of the estimated cost of the necessary buildings, machinery, and accessories for each, and the estimated annual cost and maintenance of each, and the estimated cost of the finished product.

Said committee is authorized to sit during the recess of Congress, to send for persons and papers, and to administer oaths.

The sum of \$5,000 is hereby appropriated, out of any money in the Treasury not otherwise appropriated, to pay the expenses of said committee, payable upon vouchers signed by the chairman of said committee.

Total increase of the Navy heretofore and herein authorized, \$36,456,734.

Of each of the sums appropriated by this Act, except such amounts as may be required to meet obligations authorized in previous Acts and for which contracts have been made, no part shall be used to procure through purchase or contract any vessels, armament, articles, or materials which the navy yards, gun factories, or other industrial plants operated by the Navy Department are equipped to supply, unless such Government plants are operated approximately at their full capacity for not less than one regular shift each working day, except when contract costs are less than costs in said Government plants, and except when said Government plants are unable to complete the work within the time required, and except in cases of emergency.

That no part of any sum herein appropriated shall be expended for the purchase of structural steel, ship plates, armor, armament, or machinery from any persons, firms, or corporations who have combined or conspired to monopolize the interstate or foreign commerce or trade of the United States, or the commerce or trade between the States and any Territory or the District of Columbia, in any of the articles aforesaid, and no purchase of structural steel, ship plates, or machinery shall be made at a price in excess of a reasonable profit above the actual cost of manufacture. But this limitation shall in no case apply to any existing contract.

Purchases from trusts, combinations, etc., forbidden.

Restriction on price.

Not applicable to existing contracts.

That no part of any sum herein appropriated under "Increase of the Navy" shall be used for the payment of any clerical, drafting, inspection, or messenger service, or for the pay of any of the other classified force under the various bureaus of the Navy Department, Washington, District of Columbia.

Appropriations not to be used for clerical, etc., services in Department.

That no part of any sum appropriated by this Act shall be used for any expense of the Navy Department at Washington, District of Columbia, unless specific authority is given by law for such expenditure.

Specific authority required for use in Department.

The President may, in his discretion, direct the sale, in such manner, at such price not less than the original cost price and upon such terms as he may deem proper, of the two battleships Idaho and Mississippi. All moneys received from the sale of said vessels shall be deposited by the Secretary of the Navy in the Treasury. After said sale, in addition to the two battleships hereinbefore authorized, the President is hereby authorized to have constructed a first-class battleship carrying as heavy armor and as powerful armament as any vessel of its class, to have the highest practicable speed and the greatest desirable radius of action, and to cost, exclusive of armor and armament, not to exceed \$7,800,000. Out of the money when so deposited in the Treasury there is hereby appropriated toward the construction of said battleship on account of "Increase of the Navy": "Construction and machinery," \$2,000,000; "Armor and armament," \$2,535,000; and "Equipment," \$100,000: *Provided*, That no vessel shall be sold under this authorization unless such sale, or the agreement therefor, shall have been made prior to July first, nineteen hundred and fifteen.

Sale of "Idaho" and "Mississippi" authorized.

Deposit of proceeds.

Additional first-class battleship authorized.

Appropriation for from moneys received.
