To enable the President to secure the more economical and expeditious delivery of materials, equipment, and munitions and secure the more expeditious construction of ships authorized and for the purchase or construction of such additional torpedo boat destroyers, submarine chasers and such other naval small craft, including aircraft, guns and ammunition for all of said vessels and aircraft and for each and every purpose connected therewith, as the President may direct, to be expended at the direction and in the discretion of the President, \$115,000,000, or so much thereof as may be necessary, and to be immediately available.
Additional submarines to be immediately built.	In addition to the eighteen submarines hereinbefore appropriated for, the Secretary of the Navy is hereby authorized and directed to proceed at once to cause to be constructed twenty coast submarines to have a surface displacement of about eight hundred tons each at a cost not to exceed \$1,300,000 each, exclusive of armor and armament, on the most approved lines according to plans and specifications to be provided or adopted by the Secretary of the Navy. The same may be let by contract to private builders or constructed by the Government in navy yards, or both, as may be directed by the Secretary of the Navy. Said twenty submarines shall be constructed on the Pacific coast: <i>Provided</i> , That the cost of construction on the Pacific coast does not exceed the cost of construction on the Atlantic coast plus the cost of transportation from the Atlantic to the Pacific. Eighteen million dollars is hereby appropriated toward the construction of said submarines.
Contracts, etc.	
Pacific coast construction. Proviso. Cost condition.	
Appropriation.	
Emergency ship construction. Meaning of terms used.	(a) That the word "person" as used in paragraphs (b), (c), next hereafter shall include any individual, trustee, firm, association, company, or corporation. The word "ship" shall include any boat, vessel, submarine, or any form of aircraft, and the parts thereof. The words "war material" shall include arms, armament, ammunition, stores, supplies, and equipment for ships and airplanes, and everything required for or in connection with the production thereof. The word "factory" shall include any factory, workshop, engine works, building used for manufacture, assembling, construction, or

any process, and any shipyard or dockyard. The words "United States" shall include the Canal Zone and all territory and waters, continental and insular, subject to the jurisdiction of the United States.

(b) That in time of war, or of national emergency arising prior to March first, nineteen hundred and eighteen, to be determined by the President by proclamation, the President is hereby authorized and empowered, in addition to all other existing provisions of law:

First. Within the limits of the amounts appropriated therefor, to place an order with any person for such ships or war material as the necessities of the Government, to be determined by the President, may require and which are of the nature, kind, and quantity usually produced or capable of being produced by such person. Compliance with all such orders shall be obligatory on any person to whom such order is given, and such order shall take precedence over all other orders and contracts theretofore placed with such person. If any person owning, leasing, or operating any factory equipped for the building or production of ships or war material for the Navy shall refuse or fail to give to the United States such preference in the execution of such an order, or shall refuse to build, supply, furnish, or manufacture the kind, quantity, or quality of ships or war material so ordered at such reasonable price as shall be determined by the President, the President may take immediate possession of any factory of such person, or of any part thereof without taking possession of the entire factory, and may use the same at such times and in such manner as he may consider necessary or expedient.

Second. Within the limit of the amounts appropriated therefor, to modify or cancel any existing contract for the building, production, or purchase of ships or war material; and if any contractor shall refuse or fail to comply with the contract as so modified the President may take immediate possession of any factory of such contractor, or any part thereof without taking possession of the entire factory, and may use the same at such times and in such manner as he may consider necessary or expedient.

Third. To require the owner or occupier of any factory in which ships or war material are built or produced to place at the disposal of the United States the whole or any part of the output of such factory, and, within the limit of the amounts appropriated therefor, to deliver such output or parts thereof in such quantities and at such times as may be specified in the order at such reasonable price as shall be determined by the President.

Fourth. To requisition and take over for use or operation by the Government any factory, or any part thereof without taking possession of the entire factory, whether the United States has or has not any contract or agreement with the owner or occupier of such factory.

That all authority granted to the President in this paragraph, to be exercised in time of national emergency, shall cease on March first, nineteen hundred and eighteen.

(d) That whenever the United States shall cancel or modify any contract, make use of, assume, occupy, requisition, or take over any factory or part thereof, or any ships or war material, in accordance with the provisions of paragraph (b), it shall make just compensation therefor, to be determined by the President, and if the amount thereof so determined by the President is unsatisfactory to the person entitled to receive the same, such person shall be paid fifty per centum of the amount so determined by the President and shall be entitled to sue the United States to recover such further sum as added to said fifty per centum shall make up such amount as will be just compensation therefor, in the manner provided for by section twenty-four, paragraph twenty, and section one hundred and forty-five of the Judicial Code.

Additional authority vested in President prior to March 1, 1918.

May order ships or war material from any person.

Compliance obligatory, etc.

Possession of factory, etc., if order refused, etc.

Cancel, etc., existing contracts, take possession of factory, etc.

Require whole output of any factory, etc.

Take over any factory for Government use.

Authority to cease March 1, 1918.

Compensation for canceled contracts, etc.

Part payment if unsatisfactory, and suit for remainder.

Vessels to be built at navy yards if bidders combine.

Proviso.
Designation of navy yards.

Equipment of navy yards for construction, if speedy contracts not obtainable.

Contract for battle cruiser at cost plus reasonable profit.

Criminal Code amendment.
Vol. 35, p. 1097, amended.

Trespassing upon, injuring, etc., military works, unlawful.

Violating regulations within established defensive sea areas.

Punishment for.

Restriction in purchases, etc., which can be supplied by Government plants.

Proviso.
No pay to officer, etc., using time-measuring device on work of employee.

The Secretary of the Navy shall build any of the vessels herein appropriated for in such navy yards as he may designate should it reasonably appear that the persons, firms, or corporations, or the agents thereof, bidding for the construction of any of said vessels have entered into any combination, agreement, or understanding, the effect, object, or purpose of which is to deprive the Government of fair, open, and unrestricted competition in letting contracts for the construction of any of said vessels: *Provided*, That the Secretary of the Navy is hereby authorized to build any of the vessels herein authorized in such navy yards as he may designate.

In the event the Secretary of the Navy is unable to secure from the private shipbuilders contracts for the expeditious construction of the ships heretofore authorized at a fair and reasonable price, the sum of \$12,000,000, or so much thereof as may be necessary, is hereby appropriated to enable the Secretary of the Navy to equip the navy yards with suitable and necessary machinery, implements, building ways, and equipment for the construction of such of said vessels as may be assigned to navy yards for construction.

If, in the judgment of the Secretary of the Navy, the most rapid and economical construction of the battle cruiser herein appropriated for can be obtained thereby, he may contract for the construction of said battle cruiser upon the basis of actual cost, plus a reasonable profit to be determined by him.

That section forty-four of the Act entitled "An Act to codify, revise, and amend the penal laws of the United States," approved March fourth, nineteen hundred and nine, be, and the same is hereby, amended to read as follows:

"SEC. 44. Whoever shall willfully trespass upon, injure, or destroy any of the works or property or material of any submarine mine or torpedo or fortification or harbor-defense system owned or constructed or in process of construction by the United States, or shall willfully interfere with the operation or use of any such submarine mine, torpedo, fortification, or harbor-defense system, or shall knowingly, willfully, or wantonly violate any duly authorized and promulgated order or regulation of the President governing persons or vessels within the limits of defensive sea areas, which defensive sea areas are hereby authorized to be established by order of the President from time to time as may be necessary in his discretion for purposes of national defense, shall be punished on conviction thereof in a district or circuit court of appeals of the United States for the district or circuit in which the offense is committed, or into which the offender is first brought, by a fine of not more than \$5,000, or by imprisonment for a term not exceeding five years, or by both, in the discretion of the court."

Of each of the sums appropriated by this Act, except such amounts as may be required to meet obligations authorized in previous Acts and for which contracts have been made, no part shall be used to procure through purchase or contract any vessels, armament, articles, or materials which the navy yards, gun factories, or other industrial plants operated by the Navy Department are equipped to supply, unless such Government plants are operated approximately at their full capacity for not less than one regular shift each working day, except when contract costs are less than costs in said Government plants, and except when said Government plants are unable to complete the work within the time required, and except in cases of emergency: *Provided*, That no part of the appropriations made in this Act shall be available for the salary or pay of any officer, manager, superintendent, foreman, or other person having charge of the work of any employee of the United States Government while making or causing to be made with a stop watch or other time-measuring device a time study of any job of any such employee between the starting and com-

pletion thereof, or of the movements of any such employee while engaged upon such work; nor shall any part of the appropriations made in this Act be available to pay any premium or bonus or cash reward to any employee in addition to his regular wages, except for suggestions resulting in improvements or economy in the operation of any Government plant.

Cash rewards, etc., limited.

That no part of any sum herein appropriated shall be expended for the purchase of structural steel, ship plates, armor, armament, or machinery from any persons, firms, or corporations who are parties to any existing combination or conspiracy to monopolize the interstate or foreign commerce or trade of the United States, or the commerce or trade between the States and any Territory or the District of Columbia, in any of the articles aforesaid, and no purchase of structural steel, ship plates, or machinery shall be made at a price in excess of a reasonable profit above the actual cost of manufacture. But this limitation shall in no case apply to any existing contract.

Purchases from trust combinations, etc., forbidden.

Restriction on price.

Present contracts not affected.

That no part of any sum herein appropriated under "Increase of the Navy" shall be used for the payment of any clerical, drafting, inspection, or messenger service, or for the pay of any of the other classified force under the various bureaus of the Navy Department, Washington, District of Columbia.

Appropriations not to be used for clerical, etc., services in Department.

That no part of any sum appropriated by this Act shall be used for any expense of the Navy Department at Washington, District of Columbia, unless specific authority is given by law for such expenditure.

Specific authority for use in Department.

That during the fiscal year nineteen hundred and eighteen all civilian employees in the Naval Establishment, including on the lump-sum rolls only those persons who are carried thereon at the close of the fiscal year ending June thirtieth, nineteen hundred and seventeen, shall receive increased compensation at the rate of ten per centum per annum to such employees who receive salaries or wages in such establishment at the rate per annum of less than \$1,200, and increased compensation at the rate of five per centum per annum to such employees who receive salaries or wages in such establishment at a rate of not more than \$1,800 per annum: *And provided*, That so much as may be necessary for such purpose is hereby appropriated out of any moneys in the Treasury not otherwise appropriated: *Provided further*, That in computing said ten per centum and five per centum increases of salaries, the specific increases of salaries made in this Act shall be included as a part of such increase.

Increase in pay to civilian employees receiving not more than \$1,800 a year.

Provisos. Appropriation.

Specific increases included.

All appropriations contained in this Act are hereby made immediately available, but no appropriation in this Act shall be used for payment of deficiencies.

Appropriations immediately available, not to be used for deficiencies.

Approved, March 4, 1917.
