The said fund shall consist of all fines imposed by the Commissioners of the District of Columbia upon members of the police and fire departments of said District by way of discipline; all rewards, proceeds of gifts, and emoluments that may be received by any member of said departments (for extraordinary services), except such part thereof as the said commissioners may allow to be retained by members of said departments; a deduction of one and one-half per centum of the monthly salary of each member of said departments; donations; and the net proceeds of sales of unclaimed property in the custody of the property clerk of the police department; all of which shall be paid into the Treasury of the United States to the credit of the "Policemen and firemen's relief fund, District of Columbia," herein provided for; and should the said fund at any time be insufficient to defray the expenditures hereinafter provided for, the Commissioners of the District of Columbia, in that event, are authorized, and it shall be their duty, to direct the collector of taxes of said District, and it shall be the duty of the said collector, pursuant to such direction, to pay into the Treasury of the United States, out of the general revenue of the District of Columbia collected by him, to the credit of the said "Policemen and firemen's relief fund, District of Columbia," such sums as may be necessary from time to time to meet deficiencies in said fund. The moneys to the credit of the said fund shall be available for appropriation by Congress annually only for expenditure on requisitions of the said commissioners for the purposes set forth in this Act, and all expenditures from said fund shall be made and accounted for in the same manner as other expenditures of the government of the District of Columbia are made and accounted for.

Whenever any member of the police department or the fire department of the District of Columbia shall become temporarily disabled by injury received or disease contracted in the actual discharge of his duty, to such an extent as to require medical or surgical services other than such as can be rendered by the board of police and fire surgeons of said District, or to require hospital treatment, the expenses of such medical or surgical services, or hospital treatment, shall be paid from the policemen and firemen's relief fund, District of Columbia, provided for in this Act; but no such expenses shall be paid except upon a certificate of the said board of police and fire surgeons, or two members thereof, setting forth the necessity for such services or treatment and the nature of the injury or disease which rendered the same necessary, and upon the approval of the said certificate by the superintendent of the Metropolitan police or the chief engineer of the fire department, as the case may be, and the approval of the Commissioners of the District of Columbia.

Whenever any member of the police department or the fire department of the District of Columbia shall become so permanently disabled through injury received or disease contracted in the line of duty as to incapacitate him for the performance of duty, or, having served not less than twenty-five years and having reached the age of fifty-five years shall, for any cause, become so permanently disabled as to incapacitate him for the performance of duty and shall make written application therefor and said application shall be approved by the Commissioners of said District, or, having reached the age of sixty years, in the discretion of the said commissioners, he shall in either event be retired from the service thereof and be entitled to receive relief from the said policemen and firemen's relief fund, District of Columbia, in an amount not to exceed fifty per centum per year of the salary received by him at the date of retirement.
