service of the United States, as prescribed in the Act approved March 2, 1901; for travel allowance to discharged prisoners and persons discharged from the Government Hospital for the Insane after transfer thereto from such barracks or place to their homes (or elsewhere, as they may elect), provided the cost in each case shall not be greater than to the place of last enlistment; of the necessary agents and other employees, including per diem allowances in lieu of subsistence not exceeding \$4 for those authorized to receive the per diem allowance; for payment of transportation costs for dependents of officers and enlisted men as provided by law; of clothing and equipage and other quartermaster stores from Army depots or places of purchase or delivery to the several posts and Army depots and from those depots to the troops in the field; of horse equipment; of ordnance and ordnance stores, and small arms from the foundries and armories to the arsenals, fortifications, frontier posts, and Army depots; for payment of wharfage, tolls, and ferriages; for transportation of funds of the Army; for the payment of Army transportation lawfully due such land-grant railroads as have not received aid in Government bonds (to be adjusted in accordance with the decisions of the Supreme Court in cases decided under such land grant Acts), but in no case shall more than 50 per centum of full amount of service be paid: *Provided*, That such compensation shall be computed upon the basis of the tariff or lower special rates for like transportation performed for the public at large, and shall be accepted as in full for all demands for such service: *Provided further*, That in expending the money appropriated by this Act a railroad company which has not received aid in bonds of the United States and which obtained a grant of public land to aid in the construction of its railroad on conditions that such railroad should be a post route and military road, subject to the use of the United States for postal, military, naval, and other Government services, and also subject to such regulations as Congress may impose restricting the charge for such Government transportation, having claims against the United States for transportation of troops and munitions of war and military supplies and property over such aided railroads, shall be paid out of the moneys appropriated by the foregoing provisions only on the basis of such rate for the transportation of such troops and munitions of war and military supplies and property as the Secretary of War shall deem just and reasonable under the foregoing provision, such rate not to exceed 50 per centum of the compensation of such Government transportation as shall at that time be charged to and paid by private parties to any such company for like and similar transportation; and the amount so fixed to be paid shall be accepted as in full for all demands for such service: *Provided further*, That nothing in the preceding provisos shall be construed to prevent the accounting officers of the Government from making full payment to land-grant railroads for transportation of property or persons where the courts of the United States have held that such property or persons do not come within the scope of the deductions provided for in the land grant Acts; for the purchase and hire of draft and pack animals in such numbers as are actually required for the service, including reasonable provision for replacing unserviceable animals; for the purchase, hire, operation, maintenance, and repair of such harness, wagons, carts, drays, other vehicles, and horse-drawn passenger-carrying vehicles as are required for the transportation of troops and supplies and for official, military, and garrison purposes; for drayage and cartage at the several depots; for the repair of ships, boats, and other vessels required for the transportation of troops and supplies

and for official, military, and garrison purposes; for expenses of sailing public transports and other vessels on the various rivers, the Gulf of Mexico, and the Atlantic and Pacific Oceans, \$15,850,000: *Provided*, That not more than \$10,000 of this appropriation shall be expended for the purchase of draft or pack animals or animal-drawn vehicles: *Provided further*, That no money appropriated by this Act shall be expended for the hire, operation, maintenance, or repair of any motor-propelled vehicle which shall be employed wholly or in part for personal, social, or similar use, except such use as is prescribed by order for the transportation of Army personnel in connection with the recreational activities of the Army: *Provided further*, That \$100,000 of the appropriation hereby made shall be available for additional pay for employees on harbor boats, quartermaster service, in lieu of subsistence: *And provided further*, That none of the funds appropriated or made available under this Act or any of the unexpended balances of any other Act shall be used for the purchase of motor-propelled passenger or freight carrying vehicles for the Army except those that are purchased solely for experimental purposes.

On and after July 1, 1923, the cost of transportation of material in connection with the manufacturing and purchasing activities of the Signal Corps, Ordnance Department, Chemical Warfare Service, Air Service, Medical Department, Engineer Department, and the Coast Artillery Corps, and in connection with the construction and installation of fire-control projects at seacoast fortifications by the Coast Artillery Corps may be charged to the appropriations for the work in connection with which such transportation charges are required; and the Budget estimates for each of such appropriations shall hereafter carry separately the amounts required for such transportation costs.

WATER AND SEWERS AT MILITARY POSTS: For procuring and introducing water to buildings and premises at such military posts and stations as from their situations require to be brought from a distance; for the installation and extension of plumbing within buildings where the same is not specifically provided for in other appropriations; for the purchase and repair of fire apparatus, including fire-alarm systems; for the disposal of sewage, and expenses incident thereto; for repairs to water and sewer systems and plumbing; for hire of employees, \$2,025,000: *Provided*, That not to exceed \$50,000 of this appropriation shall be expended for new construction work.

HORSES FOR CAVALRY, ARTILLERY, ENGINEERS, AND SO FORTH.

For the purchase of horses of ages, sex, and size as may be prescribed by the Secretary of War for remounts for officers entitled to public mounts for the Cavalry, Artillery, Signal Corps, and Engineers, the United States Military Academy, service schools, and staff colleges, and for the Indian scouts, and for such Infantry and members of the Medical Department in field campaigns as may be required to be mounted, and the expenses incident thereto (including \$25,000 for purchase of remounts and \$150,000 for encouragement of the breeding of riding horses suitable for the Army, including cooperation with the Bureau of Animal Industry, Department of Agriculture, and for the purchase of animals for breeding purposes and their maintenance), \$210,000: *Provided*, That the number of horses purchased under this appropriation,

For maintenance and operation of the Panama Canal: Salary of the governor, \$10,000; purchase, inspection, delivery, handling, and storing of material, supplies, and equipment for issue to all departments of the Panama Canal, the Panama Railroad, other branches of the United States Government, and for authorized sales, payment in lump sums of not exceeding the amounts authorized by the Injury Compensation Act approved September 7, 1916, to alien cripples who are now a charge upon the Panama Canal by reason of injuries sustained while employed in the construction of the Panama Canal, \$5,079,683, together with all moneys arising from the conduct of business operations authorized by the Panama Canal Act; and the Governor of the Panama Canal is authorized, in addition to the amount herein appropriated, to incur obligations in an amount not exceeding \$850,000 for the construction, at a total cost of not exceeding \$1,520,000, of a new power plant at Miraflores.

For sanitation, quarantine, hospitals, and medical aid and support of the insane and of lepers and aid and support of indigent persons legally within the Canal Zone, including expenses of their deportation when practicable, and the purchase of artificial limbs or other appliances for indigent persons who were injured in the service of the Isthmian Canal Commission or the Panama Canal prior to September 7, 1916, and including additional compensation to any officer of the United States Public Health Service detailed with the Panama Canal as chief quarantine officer, \$575,000;

For civil government of the Panama Canal and Canal Zone; district judge, \$7,500; district attorney, \$5,000; marshal, \$5,000; and for gratuities and necessary clothing for indigent discharged prisoners, \$930,000.

Total, Panama Canal, \$6,584,683, to be available until expended.

The Governor of the Panama Canal, so far as the expenditure of appropriations contained in this Act may be under his direction, shall, when it is more economical, purchase needed materials, supplies, and equipment from available surplus stocks of the War Department.

Except in cases of emergency or conditions arising subsequent to and unforeseen at the time of submitting the annual estimates to Congress, and except for those employed in connection with the construction of permanent quarters, offices and other necessary buildings, dry docks, repair shops, yards, docks, wharves, warehouses, storehouses, and other necessary facilities and appurtenances for the purpose of providing coal and other materials, labor, repairs, and supplies, there shall not be employed at any time during the fiscal year 1924, under any of the foregoing appropriations for the Panama Canal, any greater number of persons than are specified in the notes submitted, respectively, in connection with the estimates for each of said appropriations in the Budget for said year, nor shall there be paid to any such person during that fiscal year any greater rate of compensation than was authorized to be paid to persons occupying the same or like positions on July 1, 1922; and all employments made or compensation increased because of emergencies or conditions so arising shall be specifically set forth, with the reasons therefor, by the governor in his report for the fiscal year 1924.

In addition to the foregoing sums there is appropriated for the fiscal year 1924 for expenditures and reinvestment under the several heads of appropriation aforesaid, without being covered into the Treasury of the United States, all moneys received by the Panama Canal from services rendered or materials and supplies furnished to the United States, the Panama Railroad Company, the Canal Zone government, or to their employees, respectively, or to the Panama

Government, from hotel and hospital supplies, and services; from rentals, wharfage, and like service; from labor, materials, and supplies and other services furnished to vessels other than those passing through the canal, and to others unable to obtain the same elsewhere; from the sale of scrap and other by-products of manufacturing and shop operations; from the sale of obsolete and unserviceable materials, supplies, and equipment purchased or acquired for the operation, maintenance, protection, sanitation, and government of the canal and Canal Zone; and any net profits accruing from such business to the Panama Canal shall annually be covered into the Treasury of the United States.

Net profits to be covered into the Treasury.

In addition there is appropriated for the operation, maintenance, and extension of waterworks, sewers, and pavements in the cities of Panama and Colon, during the fiscal year 1924, the necessary portions of such sums as shall be paid as water rentals or directly by the Government of Panama for such expenses.

Operating waterworks, etc., for Panama and Colon.
